A first-of-its-kind
history, The Mormon
Tabernacle Choir tells
the epic story of how
an all-volunteer group
founded by persecuted

religious outcasts grew into a multimedia powerhouse synonymous with the mainstream and with Mormonism itself. Drawing on decades of work observing and researching the Mormon Tabernacle Choir, Michael Hicks examines the personalities, decisions, and controversies that shaped "America's choir." Here is the miraculous story behind the Tabernacle's world-famous acoustics, the anti-Mormonism that greeted early tours, the clashes with Church leaders over repertoire and presentation, the radio-driven boom in popularity, the competing visions of rival conductors, and the Choir's aspiration

to be accepted within classical music even as Mormons sought acceptance within American culture at large. Everything from Billboard hits to TV appearances to White House performances paved the way for Mormonism's crossover triumph. Yet, as Hicks shows, such success raised fundamental concerns regarding the Choir's mission, functions, and image.

The Tabernacle By: Jeff Clark The Tabernacle follows the sweeping 13,000 year history of two central Texas farm communities: Alameda and Cheaney. Searching along winding wooded trails, uncovering hidden homesteads miles from the nearest road and listening at last to the words of teachers four decades his senior, author Jeff Clark begins to hear the tale of timeless lands, and the lessons as it finally breaks open in his own life. This sprawling epic is full of firsthand

testimony about the harsh settlement of the Texas frontier, as well as surprising glimpses into his storytellers' twenty-first century lives. The Tabernacle will move you deeply, as it has moved within the lives of many generations encamped along the shores of the Leon River.

Return to the Church Christ Is Building

 This is the fourth book in this series that began with an in-depth look at how God views details, communicates with this world, and decides what process to use. Of course this series of books looked at aspects recorded in

scripture about the Tabernacle. How the materials were collected, specific design details, who did the work, and how the Tabernacle was constructed. Much of that information is found in dozens, maybe hundreds of other books about the Tabernacle. But there are details setting this book apart from every other book written about the Tabernacle. This book takes a verse by verse, story by story, chapter by chapter look at the Tabernacle. In other words, this book presents a picture of the Tabernacle from God's point of view. Which the beginning of this series pointed out, is much different than any human perspective.

Good stories capture us. Gripping stories inspire us. God's story changes us. In Garden to Garden, through the power of story, author Mark Yoder recounts the epic saga of God's work with man. It began with the first garden in Eden and wraps up with Revelation's last garden on the new Earth. One of the great tragedies of not knowing the Bible is not knowing the story in it. Let's correct that!
From the marvel of

creation, through the colossal collapse of the fall, and on through God's work to rescue it all, hear the plot twists and shocking acts of a heroic Savior. Written in a style loved by people who gravitate to stories, Yoder weaves the narrative of Scripture with tales of his own. Those who are unfamiliar with the general flow of the Biblical plot will learn the big picture alongside many of God's individual acts. Those who could tell much of this story themselves will step back and once again be in awe of how astonishing this narrative is. Gather 'round... it's story time. *The Continent* Canon Press & Book Service The escape from Egypt is the pivotal event in the Old Testament.

Through it God gave his people their freedom. For forty tumultuous years God and Moses and a chronically rebellious people suffered and fought and established the foundations of a legal system and a system of ethics that changed the world. The Old Testament reminds us that we must never forget the Exodus, or we will forget who we are. And as we learn about the Exodus, we learn who we are.

The focus of this book is how and why Christ is building His church. There are men building churches, and there is the church Christ is building. The church Christ is building is not natural; it's spiritual. It's the lampstand church. Jesus walked

among the lampstands in each of the seven churches in Revelation. The One who holds the seven stars in His right hand, the One who walks among the seven golden lampstands. Revelation 2:1. (NASB) Christ has been restoring truth lost after the early church ended with the persecution of Christians under Emperor Domitian (81-96 AD). God will fulfill His eternal purpose by restoring the priesthood of all believers and the lampstand church. You also, as living stones, are being built up as a spiritual house for a holy priesthood to offer up spiritual sacrifices acceptable to God through Jesus Christ, 1 Peter 2:5. (NASB) The priesthood is the preparation for

perfecting the bride of Christ who will rule and reign with Christ in eternity future. The eternal purpose of God for this present world and His creation and the church age is to prepare a Kingdom people to rule over the world yet to come. For He did not subject to angels the world to come, Hebrews 2:5. September 2013—August 2014 Society of Biblical Lit When God gave us the Holy Scriptures He concealed beneath the surface a vast wealth of spiritual truths for His people. In the tabernacle, it's furniture, and its service, God has hidden an inexhaustible mine of precious spiritual truths. For years many of us have passed over this hidden wealth,

unconscious of its existence. But all the time it has been there awaiting our discovery. Elder Jones has listed the significance of 17 Bible numbers and gives us the meanings of the materials of the tabernacle, such as gold, silver, brass, blue, purple, scarlet, fine linen, shittim wood, oil, salt, leaven and much more. Learn about the furniture of the tabernacle - the ark, the golden cherubim above the mercy seat, the table of shewbread, the candlestick, the altar of incense, and the duties of the priests. As we attempt to walk in the midst of the truths of this ancient sanctuary may the Spirit of our God open our eyes and hearts to see Christ revealed therein. May we behold His divine

perfection, His glorious attributes, His divine love, and the all-sufficiency of His matchless grace. From the author of: That Ye May Marvel or The Significance of Bible Numbers and A Verse by Verse Commentary on Revelation. *****
 "It was therefore necessary that the patterns of things in the heavens should be purified with these; but the heavenly things themselves with better sacrifices than these. For Christ is not entered into the holy places made with hands, which are the figures of the true; but into heaven itself, now to appear in the presence of God for us..." (Hebrews 9:23-24).

 Could it be that the

Tabernacle is a rough blueprint of Heaven? God's Master Plan is buried deep within the Tabernacle. The blueprint given to Moses from the finger of God all points to the Great I AM. After His people were set free from bondage, the LORD called them to build a Tabernacle, a House of Prayer so they could dwell in harmony with HIM, the Creator of the Universe. That assignment never changed. Through the Tabernacle the Lord gives us the right, as well as authority and power to become sons of God. (Galatians 4:6-7) So, where is the Tabernacle today? "Don't you know that you are God's Temple and the Holy Spirit resides inside you?" I Corinthians 3:16 This

book is a guide using the Biblical Tabernacle format to show you how to build a House of Prayer...a Tabernacle where the Spirit of God dwells...in you!

Over the past 20 years Audrey served in many leadership roles, both in local churches and across the New England region. It is Audrey's vision to see every believer know his authority in Christ through establishing a deeper intimate relationship with the Lord. A few years ago the Lord revealed His plan that Audrey is to

teach the people how to connect with the Lord using the ancient pattern of the Tabernacle, which was the original House of Prayer. Since then, Audrey has taught on the Tabernacle and Tabernacle Prayer in prayer retreats, Bible studies, Tabernacle Prayer encounters, and in Bible schools around the world.
