The Librarian of Auschwitz: The Graphic Novel Ember

For readers of *Unbroken* and *Flags of Our Fathers*, *The Mailbox* is a sympathetic portrayal of veterans and the burdens they carry throughout

their lives. Vernon Culligan had been dead to the town of Draydon, Virginia, so long that when the crusty Vietnam vet finally died, only one person noticed. Twelve-year-old Gabe grew up in the foster care system until a social worker located his Uncle Vernon two years before. When he comes home to discover that his uncle has died of a heart attack, he's terrified of going back into the system--so he tells no one. The next day, he discovers a strange note in his mailbox: I

HAVE A SECRET. DO NOT BE AFRAID. And his uncle's body is gone. Thus begins a unique correspondence destined to save the two people that depended on Vernon for everything. Through flashbacks, we learn about Gabe and Vernon's relationship, and how finding each other saved them both from lives of suffering. But eventually, Vernon's death will be discovered, and how will Gabe and the mystery note writer learn to move forward? *The Mailbox* is not a story about death--

though it begins with a death. It's also not a story about Vietnam vets, although the author works with Vietnam veterans and wrote this novel, in part, to illuminate their sacrifices and suffering. *The Mailbox* is a story about connections--about how two people in need can save each other. Praise for *The Mailbox*: Junior Library Guild Selection A Bank Street College Best Children's Books of the Year A Librarians' Choices Booklist Selection "Shafer's narrative is

Marlene loves three things: books, her cool Tía Ruby and hanging out with her best friend Camila. But according to her mother,

Paola, the only thing she needs to focus on is school and "growing up." That means straightening her hair every weekend so she could have "presentable", "good hair". But Marlene hates being in the salon and doesn't understand why her curls are not considered pretty by those around her. With a few hiccups, a dash of embarrassment, and the much-needed help of Camila and Tia Ruby—she slowly starts a journey to learn to appreciate and proudly wear her curly

hair.

[What My Mother Doesn't Know](#) Harper Collins

A bold and original graphic novelization of The Odyssey that is both a powerful story for our time—capturing its timeless lessons for returning veterans of Afghanistan and Iraq—as well as a vivid new way into Homer's classic for modern readers. Jack Brennan is a Marine Corps sergeant whose infantry squad has been cleared to return home from a grueling deployment to Afghanistan. A few years prior, Sergeant Brennan lost one of his closest friends—a young combat

veteran—to suicide and has vowed to do everything in his power to keep his Marines from a similar fate. On their last night in-country, Brennan shares his version of The Odyssey to help prepare his squad for the transition back to the home front. By retelling Homer's epic about Odysseus' difficult journey home after the Trojan War, and weaving in the stories of contemporary Marines, The Odyssey of Sergeant Jack Brennan powerfully conveys the profound challenges

today's veterans face upon returning from combat even as it tells "the oldest war story of all time."

In this riveting, action-packed novel from award-winning author Will Hobbs, a teenage boy hoping to help his loved ones must fight for his life as he makes the dangerous journey across the Mexican border into the United States. old Victor Flores heads north in an attempt to "cross the wire" from Mexico into America so he can find work and help ease the finances at home. Victor's passage is fraught with freezing cold, scorching heat, hunger, and dead ends. It's a gauntlet run by many

attempting to cross the border, but few make it. Frizzy Feiwei & Friends Pancho Rabbit and the Coyote is an allegorical picture book about the hardships and struggles of immigration from award-winning children's book author and illustrator Duncan Tonatiuh. A Pura Belpré Author and Illustrator Honor Book! An ALA/ALSC Notable Children's Book! Papa Rabbit left two years ago to travel far away north to

find work in the great carrot and lettuce fields to earn money for his family. When Papa does not return home on the designated day, Pancho sets out to find him. He packs Papa's favorite meal—mole, rice and beans, a heap of still-warm tortillas, and a jug full of fresh aguamiel—and heads north. Along the way, Pancho crosses a river, climbs a fence, and passes through a tunnel guarded by uniformed, bribe-taking snakes. He soon meets a coyote, who

offers to help Pancho in exchange for some of Papa's favorite foods. They travel together until the food is gone and the coyote decides he is still hungry . . . for Pancho! Tonatiuh enlivens Pancho's story with the spirit of regional folklore, and he adds cultural atmosphere in arresting, flat folk art filled with cultural references. Of course, "coyote" has two meanings here. With tenderness and honesty, he brings to light the trials and tribulations facing families who seek to make

better lives for themselves and their children by illegally crossing borders. "Incandescent, humane and terribly necessary." —Kirkus Reviews (Starred Review) "Pancho Rabbit's trip has the feel of a classic fable or fairy tale." —Publishers Weekly (Starred Review) **Runaway** Macmillan Widely praised, "A Neotropical Companion" is an extraordinarily readable introduction to the American tropics, the lands of Central and South America, their rainforests

and other ecosystems, and the creatures that live there. 177 color illustrations.

Smuggling has been a way of life in Galicia for millennia. The Romans considered its windswept coast the edge of the world. To the Greeks it was from where Charon ferried souls to the Underworld. Since the Middle Ages, its shoreline has scuppered thousands of pirate ships. But the

history of Cape Finisterre is no fiction and by the late twentieth century a new and exotic cargo flooded the cape's ports and fishing villages. In *Snow on the Atlantic*, the book the Spanish national court tried to ban, intrepid investigative journalist Nacho Carretero tells the incredible story of how a sleepy, unassuming corner of Spain became the cocaine gateway into Europe, exposing a new generation of criminals, cartels and corrupt officials, more efficient and ruthless than any who

came before.

What Philippa Gregory has done for Tudor England, Jeanne Kalogridis does for Renaissance Italy. Her latest irresistible historical novel is about a countess whose passion and willfulness knew no bounds—Caterina Sforza Daughter of the Duke of Milan and wife of the conniving Count Girolamo Riario, Caterina Sforza was the bravest warrior Renaissance Italy ever knew. She ruled her own lands, fought her own

battles, and openly took lovers whenever she pleased. Her remarkable tale is told by her lady-in-waiting, Dea, a woman knowledgeable in reading the "triumph cards," the predecessor of modern-day Tarot. As Dea tries to unravel the truth about her husband's murder, Caterina single-handedly holds off invaders who would steal her title and lands. However, Dea's reading of the cards reveals that Caterina cannot withstand a third and final invader—none other than Cesare Borgia,

son of the corrupt Pope Alexander VI, who has an old score to settle with Caterina. Trapped inside the Fortress at Ravaldino as Borgia's cannons pound the walls, Dea reviews Caterina's scandalous past and struggles to understand their joint destiny, while Caterina valiantly tries to fight off Borgia's unconquerable army.

Primates in Peril Wendy Lamb Books

From rediscovering an ancestral village in China to experiencing the realities of American life as a Nigerian, the search for belonging crosses borders and generations. Selected from the archives of *Catapult* magazine, the essays in *A Map Is Only One Story* highlight the human side of immigration policies and polarized rhetoric, as twenty writers share

provocative personal stories of existing between languages and cultures. Victoria Blanco relates how those with family in both El Paso and Ciudad Juárez experience life on the border. Nina Li Coomes recalls the heroines of Japanese animator Hayao Miyazaki and what they taught her about her bicultural identity. Nur Nasreen Ibrahim details her grandfather's crossing of the India-Pakistan border sixty years after Partition. Krystal A. Sital writes of how undocumented status

in the United States can impact love and relationships. Porochista Khakpour describes the challenges in writing (and rewriting) Iranian America. Through the power of personal narratives, as told by both emerging and established writers, *A Map Is Only One Story* offers a new definition of home in the twenty-first century. *Now Is the Time for Running* Scholastic Inc. Sofia comes from a family of storytellers. Here are her tales of growing up in the barrio in McAllen,

Texas, full of the magic and mystery of family traditions: making Easter cascarones, celebrating el Dia de los Muertos, preparing for quinceañera, rejoicing in the Christmas nacimiento, and curing homesickness by eating the tequila worm. When Sofia is singled out to receive a scholarship to boarding school, she longs to explore life beyond the barrio, even though it means leaving her family to navigate a strange world of rich, privileged kids. It's a different

mundo, but one where Sofia's traditions take on new meaning and illuminate her path.
