CHANCE DUNCAN

Language and Social Practice in Fiction Dark Horse Comics
Published in 1911, *Suffragette Sally* is one of the best-known popular novels promoting the cause of women's suffrage in Britain at the beginning of the twentieth century. The novel details the militant campaign of the suffragist Women's Social and Political Union against the political establishment of the time. Through its three female protagonists, each from a different class, the novel recounts the challenges faced by women who dared to flout social convention by agitating for the vote. The Sally of the title is Sally

Simmonds, a maid-of-all-work in a household where she has to deal with her employer's advances along with her daily tasks. The novel follows Sally's conversion to the suffrage movement and details the consequences she must face as a working-class woman who risks her job, her relationships, and eventually her life for the cause. The novel weaves together the fictional stories of the three main characters with documentary material drawn from contemporary suffrage and mainstream newspapers, and raises the hope that female alliances might someday transcend class boundaries. This Broadview edition also includes fascinating historical materials on the suffrage movement,

including contemporary accounts of imprisonment, hunger strikes, and battles with police.

From acclaimed writer/historian Mary M Talbot and graphic-novel pioneer Bryan Talbot comes *Rain*, a chronicle of the growing relationship of two young women, one an environmental activist, set against the backdrop of the disastrous 2015 floods in northern England. The wild Brontë moorlands are being

criminally mismanaged as crops are being poisoned, and birds and animals are being slaughtered. While the characters are fictional, the tragedy is shockingly real. Rain is the fourth graphic-novel collaboration between Mary M Talbot and husband Bryan Talbot, a partnership that has produced the award winning *Dotter of Her Father's Eyes*, Sally Heathcote: *Suffragette* (with Kate Charlesworth), and *The Red Virgin and the Vision of Utopia*.

Media Discourse Courier Corporation
From National Book Award winner Masha Gessen, the heroic story of Pussy Riot, who resurrected the power of truth in a society built on lies. On February 21, 2012, five young women entered the Cathedral of Christ the Savior in Moscow. In neon-colored dresses, tights, and balaclavas, they performed a "punk prayer" beseeching the "Mother of God" to "get rid of Putin." They were quickly shut down by security, and in the weeks and months that followed, three of the women were arrested and tried, and two were sentenced to a remote prison colony. But the incident captured international headlines, and footage of it went viral. People across the globe recognized not only a fierce act of political confrontation but also an inspired work of art that, in a time and place saturated with lies, found a new way to speak the truth. Masha Gessen's riveting account tells how such a phenomenon came about. Drawing on her exclusive, extensive access to the members of Pussy Riot and their families and associates, she reconstructs the fascinating personal

journeys that transformed a group of young women into artists with a shared vision, gave them the courage and imagination to express it unforgettably, and endowed them with the strength to endure the devastating loneliness and isolation that have been the price of their triumph.

the Vision of Utopia. **Fred** Random House Since its first publication in 1998, Mary Talbot's Language and Gender has been a leading textbook, popular with students for its accessibility and with teachers for the range and depth it achieves in a single volume. This anticipated third edition has been thoroughly revised and updated for the era of #MeToo, genderqueer, Trump, and cyberhate. The book is organized into three parts. An introductory section provides grounding in early 'classic' studies in the field. In the second section, Talbot examines language used by women and men in a variety of speech situations and genres. The last section considers the construction and performance of gender in discourse, reflecting the interest in mass media and popular culture found in recent research, as well as the preoccupation with social change that is central to Critical Discourse Analysis. Maintaining an emphasis on recent research, Talbot covers a range of approaches at an introductory level, lucidly presenting sometimes difficult and complex issues. Each chapter

concludes with a list of recommended readings, enabling students to further their interests in various topics. Language and Gender will continue to be an essential textbook for undergraduates and postgraduates in linguistics, sociolinguistics, cultural and media studies, gender studies and communication studies.

A star of French comics imagines America--its movie stars, its history, its fashion--in these tantalizing graphic short stories about everything from love to, yes, the actor Robert Mitchum. Blutch is one of the most inventive storytellers in comics, and nothing reveals it like Mitchum. Serialized and collected in the mid-90s and never before available in English, this is Blutch at his most wide-ranging: from Puritan fever dreams to an encounter with a shape-shifting Robert Mitchum, Blutch builds stories out of his dreams, visions of America, and anything else he can get his hands on. Drawn in his unmistakable line that veers in a moment from crude to elegant, blotchy

to crisp, horrific to serene, these comics show Blutch searching for new artistic frontiers. What he finds is sometimes surprising, occasionally unsettling, and endlessly fascinating.

Dotter of Her Father's

Eyes Sally Heathcote, Suffragette

Freedom Bound, explores Scotland's uncomfortable connections with the history of slavery. We follow the interconnected stories of three enslaved people seeking freedom in Scotland in the decades before the legal case which decided that Scots Law could not tolerate slavery. Freedom Bound is the first book of its kind and we anticipate it becoming an invaluable teaching resource, encompassing art, literature, history and politics, as well as a gripping historical novel for popular release. The book aims to make this difficult subject matter accessible for young readers without sugar-coating the history of Scotland.

A stunning new graphic novel and rallying cry to protect the planet, from the Costa-award-winning authors of Dotter of Her Father's Eyes Set against

the backdrop of disastrous flooding in the North of England, *Rain* dramatically chronicles the developing relationship between two young women, one of whom is a committed environmental campaigner. Their wild Brontë moorland is being criminally mismanaged. Birds and animals are being slaughtered. Across the country, crops are being systematically poisoned, even the soil itself. *Rain* centres on one relatively small example of moorland ownership by an elite group that impacts catastrophically on the unlanded majority living in the valley below. But the campaigners know that 'a million other valleys need saving'. They need saving not just for the sake of their human inhabitants, but for the insects and plants, birds and mammals and all the other inhabitants large and small that we share this planet with - our non-human fellow earthlings. *Rain* is the first contemporary graphic novel from Bryan and Mary Talbot, dealing with the here and now of environmental degradation that threatens us all. The story follows the everyday experiences of ordinary

people, while engaging with pollution, climate change, moorland mismanagement and the disruption, misery and loss that these things bring. The characters are fictitious; what's happening around them is shockingly real.

Colder Volume 1 New York Review of Books
This book explores key areas of modern society in which language is used to form power and social relations. These are presented in five sections: Language and the Media, Language and Organisations, Language and Gender, Language and Youth, Multilingualism, Identity and Ethnicity. With a unique combination of selected readings and student-centred tasks in a single volume, the book covers contemporary issues in language and power, ranging from the global to the interpersonal. Each area - and each reading chosen to explore it - is substantially contextualised and discussed through a

detailed introduction and then followed up with related activities. Each section comprises: *a substantial, specific introduction which draws students' attention to key themes and issues relevant to its topic; *a set of four or five selected readings which encourages students to locate critically these issues in context; *a task, or set of tasks, obliging students to undertake 'hands-on' linguistic analysis of data and engage in more sophisticated discussion of pertinent issues. *In-depth exploration of a variety of approaches to the study of language and power *Unique combination of advanced readings, student-centred tasks and editorial guidance *Hands-on activities at the end of each chapter

The Adventures of Luther Arkwright, first serialised in 1978, is considered by many to be the first British graphic novel. Praised by many writers and artists, including Alan Moore, Neil Gaiman, Jean Giroud (Moebius) and Michael Moorcock, the ground-breaking, experimental adult SF story was a seminal work,

inspiring and influencing many comic creators. Its sequel, Heart Of Empire, was published in 2001. Both books have been continually in print since they were first published. Set fifty years later, The Legend of Luther Arkwright is another stand-alone story. While still maintaining total continuity with the Arkwright mythos, it is a different kind of adult adventure. Pursued across multiple historically divergent parallel worlds, both utopian and dystopian, and facing a far superior adversary, Arkwright battles to save humanity from mass destruction; his only edge is his experience and force of will. The Legend of Luther Arkwright, beautifully drawn by master storyteller and Eisner Award-winning comics creator Bryan Talbot, is a milestone in British comics history.

A graphic novel in collaboration with the Edinburgh International Book Festival to mark its 30th anniversary, IDP (short for 'internally displaced person or persons') imagines a Scotland 30 years in the future. Six teams of major

names in European comics and graphics novels collaborate on a single narrative. Celebrated French graphic novelist and illustrator Barroux, Costa Award short-listed Mary Talbot and artist Kate Charlesworth, 'grandfather of British comics' and co-creator of 2000AD Pat Mills and graphic novelist Hannah Berry, enfant terrible of Scottish letters and author of Trainspotting Irvine Welsh and graphic artist Dan McDaid, graphic novelists Adam Murphy and Will Morris, have been brought together by story editor, crime writer and graphic novelist, Denise Mina. The story follows the catastrophic effects of a small rise in sea levels on the county's heavily populated low lying areas and how society reimagines itself in the face of a huge population shift in a world of scarce resources.

 'Disobedient Objects' is about out-designing authority. It explores the material culture of radical change and protest - from objects familiar to many, such as banners or posters, to the more militant, cunning or technologically cutting-edge, including lock-ons, book-blocs and activist robots. Where previous social movement histories have focused on large-scale events, strategies or biographies, this book - and the exhibition it accompanies - shows how objects themselves can be revolutionary.
