RANDALL CHANEL

Random House

Private papers, letters, and journals shed new light on Kennedy family relationships and underlie an account of Robert Kennedy's private and public lives, the forces that shaped him, and his impact on the United States.

Robert F. Kennedy, James Baldwin, and Our Unfinished Conversation About Race in America Macmillan

The landmark New York Times bestselling biography of Richard M. Nixon, a political savant whose gaping character flaws would drive him from the presidency and forever taint his legacy. "A biography of eloquence and breadth . . . No single volume about Nixon's long and interesting life could be so

comprehensive."—Chicago Tribune One of Time's Top 10 Nonfiction Books of the Year In this revelatory biography, Evan Thomas delivers a radical, unique portrait of America's thirty-seventh president, Richard Nixon, a contradictory figure who was both determinedly optimistic and tragically flawed. One of the principal architects of the modern Republican Party and its "silent majority" of disaffected whites and conservative ex-Dixiecrats, Nixon was also deemed a liberal in some quarters for his efforts to desegregate Southern schools, create the Environmental Protection Agency, and end the draft. The son of devout Quakers, Richard Nixon (not unlike his rival John F. Kennedy) grew up in the shadow of an older, favored brother and thrived on conflict and opposition. Through high school and college, in the navy and in politics, Nixon was constantly leading crusades and fighting off enemies real and imagined. He possessed the plainspoken

eloquence to reduce American television audiences to tears with his career-saving “Checkers” speech; meanwhile, Nixon’s darker half hatched schemes designed to take down his political foes, earning him the notorious nickname “Tricky Dick.” Drawing on a wide range of historical accounts, Thomas’s biography reveals the contradictions of a leader whose vision and foresight led him to achieve détente with the Soviet Union and reestablish relations with communist China, but whose underhanded political tactics tainted his reputation long before the Watergate scandal. A deeply insightful character study as well as a brilliant political biography, *Being Nixon* offers a surprising look at a man capable of great bravery and extraordinary deviousness—a balanced portrait of a president too often reduced to caricature. Praise for *Being Nixon* “Terrifically engaging . . . a fair, insightful and highly entertaining portrait.”—*The Wall Street Journal* “Thomas has a fine eye for the telling quote and the funny vignette, and his style is eminently readable.”—*The New York Times Book Review*

[Sea of Thunder](#) Random House Trade Paperbacks

In Chris Matthews’s New York Times bestselling portrait of Robert F. Kennedy, “Readers witness the evolution of Kennedy’s soul. Through tragedy after tragedy we find the man humanized” (Associated Press). With his bestselling biography *Jack Kennedy*, Chris Matthews profiled one of America’s most beloved Presidents and the patriotic spirit that defined him. Now, with *Bobby Kennedy*, Matthews provides “insight into [Bobby’s] spirit and what drove him to greatness” (New York Journal of Books) in his gripping, in-depth, behind-the-scenes look at one of the great figures of the American twentieth century. Overlooked by his father, and overshadowed by his war-hero brother, Bobby

Kennedy was a perpetual underdog. When he had the chance to become a naval officer like his older brother, Bobby turned it down, choosing instead to join the Navy as a common sailor. It was a life-changing experience that led him to connect with voters from all walks of life: young and old, black and white, rich and poor. They were the people who turned out for him in his 1968 campaign. RFK would prove himself to be the rarest of politicians—both a pragmatist who knew how to get the job done and an unwavering idealist who could inspire millions. Drawing on extensive research and interviews, Matthews pulls back the curtain on the private world of Robert Francis Kennedy. Matthew illuminates the important moments of his life: from his early years and his start in politics, to his crucial role as attorney general in his brother’s administration and, finally, his tragic run for president. This definitive book brings Bobby Kennedy to life like never before.

Working Simon and Schuster

Snapshot of America at a crucial moment of transition.

[Coming of Age in the American Century, 1917-1956](#) Little, Brown
In this “revelation” of a biography (USA TODAY), a Pulitzer Prize-winning journalist examines the life and times of Eunice Kennedy Shriver, arguing she left behind the Kennedy family’s most profound political legacy. While Joe Kennedy was grooming his sons for the White House and the Senate, his Stanford-educated daughter, Eunice, was hijacking her father’s fortune and her brothers’ political power to engineer one of the great civil rights movements of our time on behalf of millions of children and adults with intellectual disabilities. Her compassion was born of rage: at the medical establishment that had no answers for her

sister Rosemary, at her revered but dismissive father, whose vision for his family did not extend beyond his sons, and at a government that failed to deliver on America's promise of equality. Now, in this "fascinating" (the Today show), "nuanced" (The Boston Globe) biography, "ace reporter and artful storyteller" (Pulitzer Prize-winning author Megan Marshall) Eileen McNamara finally brings Eunice Kennedy Shriver out from her brothers' shadow. Granted access to never-before-seen private papers, including the scrapbooks Eunice kept as a schoolgirl in prewar London, McNamara paints an extraordinary portrait of a woman both ahead of her time and out of step with it: the visionary founder of Special Olympics, a devout Catholic in a secular age, and an officious, cigar-smoking, indefatigable woman whose impact on American society was longer lasting than that of any of the Kennedy men.

A Man Divided Plume

A portrait of Robert F. Kennedy which assesses his character and political actions between 1963 and 1968

What Truth Sounds Like Penguin

From an author who resigned from the Clinton administration:

"Part memoir and part manifesto . . . a beautifully written call to renew the fight against poverty."?Jonathan Kozol, New York Times bestselling author of *Savage Inequalities* Peter Edelman has worked as an aide to Robert F. Kennedy, a lawyer, a children's advocate, and a policymaker. He has devoted his life to the cause of justice and to ending inequality. But in 1996, while serving in the Clinton administration as an expert on welfare policy and children, he found himself in an untenable position. The president signed a new welfare bill that ended a sixty-year

federal commitment to poor children, and as justification invoked the words of RFK. For Edelman, Clinton's twisting of Kennedy's vision was deeply cynical, so in a rare gesture that sparked front-page headlines, he resigned. The nation, he believed, had been harmed. In this book, he shows that in an age of unprecedented prosperity, Americans have in many respects forsaken their fellow citizens, leaving behind a devastatingly large number of poor and near-poor, many of them children. Edelman shines a bright light on these forgotten Americans. Based in part on a firsthand look at community efforts across the country, he also proposes a bold and practical program for addressing the difficult issues of entrenched poverty, focusing on novel ways of braiding together national and local civic activism, reinvigorating our commitment to children, and building hope in our most shattered communities—creating a vision true to the legacy of Robert F. Kennedy. "Moving and insightful." —Atlanta Journal-Constitution "I have read a lot of books on inequality, but none offers a more thoughtful vision of poverty and welfare in America . . . compelling."?William Julius Wilson, author of *When Work Disappears*

Robert Kennedy Simon and Schuster

In April 1967, a year before his run for president, Senator Robert F. Kennedy knelt in a crumbling shack in Mississippi trying to coax a response from a listless child. The toddler sat picking at dried rice and beans spilled over the dirt floor as Kennedy, former US attorney general and brother to a president, touched the boy's distended stomach and stroked his face and hair. After several minutes with little response, the senator walked out the back door, wiping away tears. In *Delta Epiphany: Robert F. Kennedy in*

Mississippi, Ellen B. Meacham tells the story of Kennedy's visit to the Delta, while also examining the forces of history, economics, and politics that shaped the lives of the children he met in Mississippi in 1967 and the decades that followed. The book includes thirty-seven powerful photographs, a dozen published here for the first time. Kennedy's visit to the Mississippi Delta as part of a Senate subcommittee investigation of poverty programs lasted only a few hours, but Kennedy, the people he encountered, Mississippi, and the nation felt the impact of that journey for much longer. His visit and its aftermath crystallized many of the domestic issues that later moved Kennedy toward his candidacy for the presidency. Upon his return to Washington, Kennedy immediately began seeking ways to help the children he met on his visit; however, his efforts were frustrated by institutional obstacles and blocked by powerful men who were indifferent and, at times, hostile to the plight of poor black children. Sadly, we know what happened to Kennedy, but this book also introduces us to three of the children he met on his visit, including the baby on the floor, and finishes their stories. Kennedy talked about what he had seen in Mississippi for the remaining fourteen months of his life. His vision for America was shaped by the plight of the hungry children he encountered there.

Ike's Bluff St. Martin's Press

He was a man of seeming contradictions. Born to great wealth, Bobby Kennedy made common cause with the least fortunate. Initially viewed as ruthless over time he became deeply concerned with the plight of others -- and he struggled to find realistic political solutions to their problems. He loved a crusade, and in his early years in public life, he opposed communism,

corrupt labor-union leaders and organized crime. Later, he found larger, more complex targets to address: racism, poverty, institutional indifference. Most important, he challenged all of us to join him, not simply in imagining a better world for all, but in doing the difficult, everyday work of making those visions reality. Fifty years after Bobby Kennedy's assassination, celebrate his legacy with this special edition TIME Robert F. Kennedy.

Robert F. Kennedy and the 1968 Indiana Primary Robert KennedyHis Life

Eppridge followed Kennedy for Life magazine during his early campaign days in 1966, up to his untimely death. Dynamic images of the public Kennedy are combined with rare glimpses of private moments.

Sailor, Hero, Father of the American Navy Vintage

NEW YORK TIMES BESTSELLER • "This is one of those books that will go down as the seminal work—the determinative work—in this field. . . . Terrifying."—Rachel Maddow The first definitive account of the rise and fall of the Secret Service, from the Kennedy assassination to the alarming mismanagement of the Obama and Trump years, right up to the insurrection at the Capitol on January 6—by the Pulitzer Prize winner and #1 New York Times bestselling co-author of *A Very Stable Genius* and *I Alone Can Fix It* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST Carol Leonnig has been reporting on the Secret Service for The Washington Post for most of the last

decade, bringing to light the secrets, scandals, and shortcomings that plague the agency today—from a toxic work culture to dangerously outdated equipment to the deep resentment within the ranks at key agency leaders, who put protecting the agency's once-hallowed image before fixing its flaws. But the Secret Service wasn't always so troubled. The Secret Service was born in 1865, in the wake of the assassination of Abraham Lincoln, but its story begins in earnest in 1963, with the death of John F. Kennedy. Shocked into reform by its failure to protect the president on that fateful day in Dallas, this once-sleepy agency was radically transformed into an elite, highly trained unit that would redeem itself several times, most famously in 1981 by thwarting an assassination attempt against Ronald Reagan. But this reputation for courage and excellence would not last forever. By Barack Obama's presidency, the once-proud Secret Service was running on fumes and beset by mistakes and alarming lapses in judgment: break-ins at the White House, an armed gunman firing into the windows of the residence while confused agents stood by, and a massive prostitution scandal among agents in Cartagena, to name just a few. With Donald Trump's arrival, a series of promised reforms were cast aside, as a president disdainful of public service instead abused the Secret Service to rack up political and personal gains. To explore these problems in the ranks, Leonnig interviewed dozens of current and former agents, government officials, and whistleblowers who put their jobs on the line to speak out about a hobbled agency that's in desperate need of reform. "I will be forever grateful to them for risking their careers," she writes, "not because they wanted to share tantalizing gossip about presidents and their families, but

because they know that the Service is broken and needs fixing. By telling their story, they hope to revive the Service they love."

Delta Epiphany Houghton Mifflin Harcourt

A wide-ranging, well-researched biography of Robert Kennedy delves deeply into the life of this shy, crusading, and sometimes ruthless politician, uncovering his use of "back channels" in politics, his involvement with Marilyn Monroe, and the campaign that ended with his assassination. Reprint. 50,000 first printing.

His Life HarperCollins

A powerful portrait of the lives of four boarding school graduates who died too young, John F. Kennedy, Jr. among them, by their fellow Andover classmate, New York Times bestselling author William D. Cohan. In his masterful pieces for *Vanity Fair* and in his bestselling books, William D. Cohan has proven to be one of the most meticulous and intrepid journalists covering the world of Wall Street and high finance. In his utterly original new book, *Four Friends*, he brings all of his brilliant reportorial skills to a subject much closer to home: four friends of his who died young. All four attended Andover, the most elite of American boarding schools, before spinning out into very different orbits. Indelibly, using copious interviews from wives, girlfriends, colleagues, and friends, Cohan brings these men to life on the page. Jack Berman, the child of impoverished Holocaust survivors, uses his unlikely Andover pedigree to achieve the American dream, only to be cut

down in an unimaginable act of violence. Will Daniel, Harry Truman's grandson and the son of the managing editor of The New York Times, does everything possible to escape the burdens of a family legacy he's ultimately trapped by. Harry Bull builds the life of a careful, successful Chicago lawyer and heir to his family's fortune...before taking an inexplicable and devastating risk on a beautiful summer day. And the life and death of John F. Kennedy, Jr.—a story we think we know—is told here with surprising new details that cast it in an entirely different light. *Four Friends* is an immersive, wide-ranging, tragic, and ultimately inspiring account of promising lives cut short, written with compassion, honesty, and insight. It not only captures the fragility of life but also its poignant, magisterial, and pivotal moments.

The Daring Early Years of the CIA Vintage

Robert Kennedy His Life Simon and Schuster

His Life Capital Books

A captivating blend of personal biography and public drama, *The Wise Men* introduces the original best and brightest, leaders whose outsized personalities and actions brought order to postwar chaos: Averell Harriman, the freewheeling diplomat and Roosevelt's special envoy to Churchill and Stalin; Dean Acheson, the secretary of state who was more responsible for the Truman Doctrine than Truman and for the Marshall Plan than General Marshall; George Kennan, self-cast outsider and intellectual darling of the Washington elite; Robert Lovett, assistant secretary of war, undersecretary of state, and secretary of defense throughout the formative years of the Cold War; John McCloy, one of the nation's most influential private citizens; and Charles

Bohlen, adroit diplomat and ambassador to the Soviet Union.

The Very Best Men Simon & Schuster

He was "Good Bobby," who, as his brother Ted eulogized him, "saw wrong and tried to right it . . . saw suffering and tried to heal it." And "Bad Bobby," the ruthless and manipulative bully of countless conspiracy theories. Thomas's unvarnished but sympathetic and fair-minded portrayal is packed with new details about Kennedy's early life and his behind-the-scenes machinations, including new revelations about the 1960 and 1968 presidential campaigns, the Cuban Missile Crisis, and his long struggles with J. Edgar Hoover and Lyndon Johnson.

The Last Campaign Simon and Schuster

In honor of the fiftieth anniversary of Robert Francis Kennedy's death, an inspiring collection of his most famous speeches accompanied by commentary from notable historians and public figures. Twenty-five years after Bobby Kennedy was assassinated, *RFK: His Words for Our Times*, a celebration of Kennedy's life and legacy, was published to enormous acclaim. Now, a quarter century later, this classic volume has been thoroughly edited and updated. Through his own words we get a direct and intimate perspective on Kennedy's views on civil rights, social justice, the war in Vietnam, foreign policy, the desirability of peace, the need to eliminate poverty, and the role of hope in American politics. Here, too, is evidence of the impact of those he knew and worked with, including his brother John F. Kennedy, Lyndon Johnson, Martin Luther King, Jr., and Cesar Chavez, among others. The tightly curated collection also includes commentary about RFK's legacy from major historians and public figures, among them Barack Obama, Bill Clinton, Eric

Garcetti, William Manchester, Elie Wiesel, and Desmond Tutu. Assembled with the full cooperation of the Kennedy family, *RFK: His Words for Our Times* is a potent reminder of Robert Kennedy's ability to imagine a greater America—a faith and vision we could use today.

First Umbrage Editions

Based on in-depth reporting by a special team of Newsweek reporters and written by bestselling author Evan Thomas, *A Long Time Coming* tells the inside story of Barack Obama's triumph

over Senator John McCain to become the first African-American U.S. president. In juicy detail, it chronicles the long siege between Obama and Hillary Clinton, the wild ride of John McCain, and the explosive arrival of Sarah Palin. Finally, it shows how Obama overcame times of vexation and self-doubt to transform himself from the consummate outsider to the confident leader of an unstoppable political movement—one that brought hope and the possibility of redemption to the United States.
