The reasons why are still unknown, but Zeke will do everything in his power to find out the truth, especially when he discovers Mary was one of their experiments. Even before the end of the month Mary becomes all he can think about, and he's determined to keep his toy safe. Then a twist of fate lets him know she's more than a toy. Mary is his

mate. Can he overcome her fear of him and convince her to stay when her month is up? ALPHA BAIT There is a law that binds an Alpha to his wolf and stops him from hurting others of his pack. He sends out the one woman he wants but cannot have, Victoria. She will be his Alpha Bait, luring another Alpha to his death, thus freeing Chain from the control of his wolf. For most of her adult life Victoria has been at the mercy of Chain. He scares her more than anything else. Doing as she's told, Victoria sets the trap in order to gain Scorch's attention. Scorch is a good leader and strong Alpha. He will not hurt anyone. When a beautiful red-head ends up in his care, he cannot turn away from the attraction she inspires. Their wolves are mates, and they're destined to be together. However, what will Scorch do when he realizes Victoria is with him to lure him to his death? Can she really send the man she loves to his grave?

He is feared throughout all 13 packs for his reputation of stealing young women out of their beds. And tonight he has come to steal Mara to make her a player in his wicked game. But when Mara discovers the truth behind his sadistic mind games everything changes and she finds herself questioning what is real, and what is not. Then Moon Base Alpha’s top scientist turns up dead. Dash senses there’s foul play afoot, but no one believes him. Everyone agrees Dr. Holtz went onto the lunar surface without his helmet properly affixed, simple as that. But Dr. Holtz was on the verge of an important new discovery, Dash finds out, and it’s a secret that could change everything for the Moonies—a secret someone just might kill to keep...

The night it happened, it seemed like an impossible nightmare. There was no name on the note. No hint of identity or reason or anything. A single word, on the notes line: "She." Just those three letters. The next day, I received another note. It too contained a single word: "belongs." A third note, the next day. This time, two words. Four letters. "To me." Ten million dollars, or our daughter would die. And then, there was a knock on my door. A sleek black limousine sat on the curb in front of my house. A driver stood in front of me, and he spoke six words: "It's time to pay your debt." Would you have gotten in? I did. It turns out there is no happily ever after for us.

SIX-PACK SERIES BOOK TWO * While this book can be read as a standalone, I highly recommend reading book one (Alpha Gray) for context before starting in on this one. * This book is very different from book one- it's a slow burn, and it's a very bumpy ride. You've been warned! THEO: I'm next in line to be the alpha of my pack, but my father doesn't think I'm ready. In his eyes, I'll never be he wants me to grow up, straighten up, to be someone I'm just... not. At least I've got the security squad in the meantime, and I'm taking on more responsibility by working with the squad's IT unit. I assumed working with a bunch of computer geeks would be boring as hell, but the new girl on the unit has me intrigued. I'm used to getting any girl I want, yet she's rebuffed all of my advances. She's a goody-goody, thinks she's too good for me- and hell, she probably is, but that won't stop me from trying to get in her pants. Underneath every good girl persona is a bad girl just dying to get out. Challenge accepted. BROOKE: All I wanted to do when I came to work for the IT unit at the security squad was keep my head down and do my job. I was doing it pretty well, too, until Theo got assigned as the liaison between the IT unit and squad leadership. I had a crush on him as a kid, but now that he's grown he's a foul-mouthed, womanizing hothead; a total alpha-hole. Other girls may fall for this good looks and his devil-may-care attitude, but I'm smarter than that. He's hanging around the IT unit to observe and report, but he's zeroed in on me for some reason; keeps trying to get under my skin. And just when I think I can escape him, fate delivers the cruelest

twist yet. ~ The Six-Pack Series is a collection of werewolf shifter romance novels. These books contain mature content (steamy scenes!) and themes that may not be suitable for younger readers. If frequent use of profanity and f-words offend, then these books may not be for you. While this book ends with a HEA for the main characters and no major cliffhangers, there are some overarching storylines that may not be resolved at the conclusion of this book because they run throughout the series. *Alpha Girls Series Boxed Set* Mahogany Publications
