MCGEE STOKES

The Definitive History of Costume and Style Penguin

In a volume originally intended just for friends, the author reflects on her fortunes and misfortunes through the clothes she has worn, clothes that have expressed her hopes and dreams—from her Brownie uniform to her first maternity dress. Reprint.

A People's History of British Style Abrams

Tracing the evolution of fashion—from the early draped fabrics of ancient times to the catwalk couture of today, *Fashion: The Definitive History of Costume and Style* is a stunningly illustrated guide to more than three thousand years of shifting trends and innovative developments in the world of clothing. With a wealth of breathtaking spreads—from ancient Egyptian dress to Space Age Fashion and Grunge—and information on icons like Marie Antoinette, Clara Bow, Jacqueline Kennedy, and Alexander McQueen, *Fashion* will captivate anyone interested in style—whether it's the fashion-mad teen in Tokyo, the wannabe designer in college, or the fashionista intrigued by the violent origins of the stiletto and the birth of bling.

What People Wore What People Wore When A Complete Illustrated History of Costume from Ancient Times to the Nineteenth Century for Every Level of Society

From the creator of the popular blog *Advanced Style*, photographer Ari Seth Cohen's *Advanced Love* collects affectionate portraits of subjects who prove that love is bound by neither the constraints of age or time. The book includes 40 profiles of inspiring couples from around the world, and more than 200 photos. The profiles explore themes of love and companionship through firsthand insight from the subjects; they share their stories of falling in love, what they have learned after decades of partnership, and valuable relationship advice. *Advanced Love* is a touching look at the often-ignored partnerships of the senior set. Filled with couples who have built their lives together, it's an indispensable trove of wisdom on love and the lessons they have learned along the way.

What Your Clothes Reveal About You Penguin UK

A historical sourcebook Combining the works of the classic nineteenth-century illustrators Auguste Racinet and Friedrich Hottenroth with an authoritative modern text, this book is a study of the rich vocabulary of style through the ages. Subjects are presented first by chronology and then by subject, so that illustrators, historians and students alike can choose to follow the development of fashion through the centuries, or study individual styles, items and accessories. A comprehensive visual study of the rich vocabulary of clothing and style through the ages, *Fashion Details* is an essential resource for costume designers, historians, actors, directors – anyone with an interest in fashion. This invaluable sourcebook includes authoritative narrative from leading experts in the history of costume, contemporary quotes that reveal the impact of styles in their day, detailed annotation and an extensive glossary. From the Ancient World through to nineteenth century Europe, by way of Asia, Africa, Oceania and the Americas, this journey through historical costume is elegantly illustrated with images drawn from a variety of sources.

50 Iconic Fashion Moments Prestel Pub

A Financial Times Book of the Year 'The first time I opened *What Artists Wear*, I gasped with pleasure. Imagine it as a kind of punk cousin to John Berger's *Ways of Seeing*, liberally illustrated with the most astonishing images of artists, decked out in finery or rags ... It transported me to somewhere glamorous, exciting, even revolutionary' Olivia Laing, *Guardian* Most of us live our lives in our clothes without realizing their power. But in the hands of artists, garments reveal themselves. They are pure tools of expression, storytelling, resistance and creativity: canvases on which to show who we really are. In *What Artists Wear*, style luminary Charlie Porter takes us on an invigorating, eye-opening journey through the iconic outfits worn by artists, in the studio, on stage, at work, at home and at play. From Yves Klein's spotless tailoring to the kaleidoscopic costumes of Yayoi Kusama and Cindy Sherman; from Andy Warhol's signature denim to Charlotte Prodger's casualwear, Porter's roving eye picks out the magical, revealing details in the clothes he encounters, weaving together a new way of understanding artists, and of dressing ourselves. Part

love letter, part guide to chic, and featuring generous photographic spreads, *What Artists Wear* is both a manual and a manifesto, a radical, gleeful, inspiration to see the world anew—and find greater pleasure and possibility in the clothes we all wear.

A Visual History of Dress Oxford University Press

A sweeping and captivatingly told history of clothing and the stuff it is made of—an unparalleled deep-dive into how everyday garments have transformed our lives, our societies, and our planet "Thanhauser . . . examines the effect of clothes on our environment, politics and even our ethics . . . admirable, meticulously researched . . . [and] makes us pay attention." —The Wall Street Journal In this panoramic social history, Sofi Thanhauser brilliantly tells five stories—Linen, Cotton, Silk, Synthetics, Wool—about the clothes we wear and where they come from, illuminating our world in unexpected ways. She takes us from the opulent court of Louis XIV to the labor camps in modern-day Chinese-occupied Xinjiang. We see how textiles were once dyed with lichen, shells, bark, saffron, and beetles, displaying distinctive regional weaves and knits, and how the modern Western garment industry has refashioned our attire into the homogenous and disposable uniforms popularized by fast-fashion brands. Thanhauser makes clear how the clothing industry has become one of the planet's worst polluters and how it relies on chronically underpaid and exploited laborers. But she also shows us how micro-communities, textile companies, and clothing makers in every corner of the world are rediscovering ancestral and ethical methods for making what we wear. Drawn from years of intensive research and reporting from around the world, and brimming with fascinating stories, *Worn* reveals to us that our clothing comes not just from the countries listed on the tags or ready-made from our factories. It comes, as well, from deep in our histories.

The Home Edit HarperCollins

From the creator of the bestselling *Bad Girls Throughout History!* Celebrated illustrator and author Ann Shen shares her striking study of history's most iconic styles, and the women who changed the world while wearing them. From the revolutionary bikini to the presidential pantsuit, this book explores 50 fashions through bold paintings and insightful anecdotes that empower readers to make their own fashion statements. • Demonstrates the power of fashion as a political and cultural tool for making change • Brilliantly illustrated with Ann's signature art style • Filled with radical clothing choices that defined their time Looks include the Flapper Dress, the unofficial outfit of women's independence in the 1920s; the Afro, worn as a symbol of black beauty, power, and pride; the Cone Bra, donned by Madonna in her 1989 power anthem "Express Yourself"; and the Dissent Collar, Ruth Bader Ginsburg's famous signifier for when she disagrees with the majority. With stunning and vibrant illustrations, this is a treasure for anyone who wants to defy style norms and rewrite the rules. • An insightful look at the intersection of fashion statements and historical female power • Perfect for fans of Ann Shen, as well as anyone who loves fashion, feminism, and political consciousness • You'll love this book if you love books like *Women In Science: 50 Fearless Pioneers Who Changed The World* by Rachel Ignotofsky; *Strong Is the New Pretty: A Celebration Of Girls Being Themselves* by Kate T. Parker; and *Women Who Dared: 52 Stories Of Fearless Daredevils, Adventurers, And Rebels* by Linda Skeers.

Fancy Dresses Described Penguin

Revised and updated "One of today's most respected journalists, David Rohde takes on one of the country's most toxic conspiracy theories," presenting a "scrupulously reported and even-handed" account of how power and intelligence are exploited in Washington that "goes deep indeed inside America's security state, telling a story that will surprise readers of all political persuasions" (Jane Mayer, author of *Dark Money*). Donald Trump blamed his 2020 defeat on Democrats and the "deep state"—a supposed secret cabal of Washington insiders that relentlessly encroaches on the individual rights of Americans—for stealing the election and undermining his presidency. Most Americans who supported him agreed. Americans on the left increasingly fear the "military-industrial complex," a faction of generals and defense contractors who they believe routinely push the country into endless wars. But does the American "deep state" really exist? This question is fundamental to preserving the legitimacy of American democracy, as frustration with and distrust for the

government continue to grow. In *Deep* seeks to dispel these pernicious myths through an examination of the FBI, CIA, and Justice Department scandals of the past fifty years from the Church Committee's exposure of Cold War abuses to the claims and counterclaims of the Trump era and the relentless spread of conspiracy theories online and on air. It exposes the misconduct of Attorney General William Barr; how distrust of the "deep state" undermined the US government response to the COVID-19 pandemic; and the growing discord sowed by the explosion of false information online. It investigates Trump's quest to discredit government experts, the legislative and judicial branches, and the results of the 2020 election and assume authoritarian power for himself. "The idea of the deep state, Rohde writes, is inextricably linked to a particular view of presidential power" (Dina Temple-Raston, *Washington Post*). Based on dozens of interviews with career CIA operatives and FBI agents, "In *Deep* is a wholly satisfying read and a necessary one for anyone wanting to understand the forces at play in our government today" (Andrea Bernstein, Peabody Award-winning cohost of the Trump, Inc. podcast and author of *American Oligarchs*).

Cult of Glory Algonquin Books

"One of the most celebrated painters of the eighteenth century, Jan van Huysum (Dutch, 1682-1749) gained immense fame and fortune for his meticulously rendered bouquets of flowers and fruit. With their precise botanical depictions, brilliant colors, and technical virtuosity, Van Huysum's elegant compositions were avidly collected by the elite connoisseurs throughout Europe."-- Publisher description.

What People Wore National Geographic Children's Books A basic text for those who want an overview and chronology of western costume, it discusses the dress of each era within its historical, cultural and economic contexts.

Who Wore What? Chronicle Books

An innovative recasting of US legal and economic history through the power of clothing for those who lacked power and status in American society. What can dresses, bedlinens, waistcoats, pantaloons, shoes, and kerchiefs tell us about the legal status of the least powerful members of American society? In the hands of eminent historian Laura F. Edwards, these textiles tell a revealing story of ordinary people and how they made use of their material goods' economic and legal value in the period between the

Revolution and the Civil War. *Only the Clothes on Her Back* uncovers practices, commonly known then, but now long forgotten, which made textiles--clothing, cloth, bedding, and accessories, such as shoes and hats--a unique form of property that people without rights could own and exchange. The value of textiles depended on law, and it was law that turned these goods into a secure form of property for marginalized people, who not only used these textiles as currency, credit, and capital, but also as entree into the new republic's economy and governing institutions. Edwards grounds the laws relating to textiles in engaging stories from the lives of everyday Americans. Wives wove linen and kept the proceeds, enslaved people traded coats and shoes, and poor people invested in fabrics, which they carefully preserved in trunks. Edwards shows that these stories are about far more than cloth and clothing; they reshape our understanding of law and the economy in America. Based on painstaking archival research from fifteen states, *Only the Clothes on Her Back* reconstructs this hidden history of power, tracing it from the governing order of the early republic in which textiles' legal principles flourished to the textiles' legal downfall in the mid-nineteenth century when they were crowded out by the rising power of rights.

1,800 Illustrations from Ancient Times to the Early

Twentieth Century The Rosen Publishing Group, Inc
Is fashion your passion? Unlock the language of clothes with this ultimate fashion show that traces people's dresses over the past 3000 years. A practical reference to trends and changes in the history of fashion up to the Fitzgerald era

Cambridge University Press

In this multi-award-winning, bestselling novel, Margaret Atwood has created a stunning Orwellian vision of the near future. This is the story of Offred, one of the unfortunate "Handmaids" under the

new social order who have only one purpose: to breed. In Gilead, where women are prohibited from holding jobs, reading, and forming friendships, Offred's persistent memories of life in the "time before" and her will to survive are acts of rebellion. Provocative, startling, prophetic, and with Margaret Atwood's devastating irony, wit, and acute perceptive powers in full force, "The Handmaid's Tale" is at once a mordant satire and a dire warning. "From the Hardcover edition."
