The perfect way to begin your students school day! Cross-curricular daily practice gets your second grade students focused and engaged and ready to learn. The daily lessons provide practice of language, math, and reading skills that support your core curriculum. The meaningful 10 to 15 minutes of daily practice helps sharpen students skills and helps you see where your students need to improve. With a detailed scope and sequence, you will always know the skills that your students are practicing. Daily Fundamentals lessons are ideal for morning work, bell ringers, homework, and informal assessment. The daily practice and review prepares students for success on assessments and state testing.

Daily Math Practice, Grade 5 Math Fundamentals

Completely revised in 2019 to reflect grade-level standards, Daily Word Problems is the perfect resource to improve students problem-solving skills. The all-NEW word problems are written to support current math standards and expectations and provide consistent spiral review of math concepts. Students problem-solving skills improve as they participate in meaningful, real-life math practice.
