A little boy tells the story of what his dad does in his long day of driving a truck. Startlingly vivid graphic images of a big rig, rendered in vibrant colors and compelling compositions, make life on the road seem exotic and beautiful even as they bring the father and son together at the end of the day. A terrific bedtime read.

The Books of Samuel the Seer, and Nathan the Prophet, and Gad the Seer Vintage

Written by Gad, seer of King David, about 1000 BC, this book of prophecy is recommended reading by the Bible, but was never included in the Canon. It was thought to have been lost over three millennia ago. The books of Gad, Nathan, Ahijah, Shemaiah and Iddo are referred to as "The Lost Five." This long-lost book includes two revealing sermons given by King David. We have a prophecy that outlines the end times beginning with the Rapture, the seven-year tribulation and the establishment of Christ's millennial reign. More intriguing than that, it actually reveals who Mystery Babylon is and how it tries to destroy the Jews though a union with Islam, both groups having different replacement theology religions. There are also two discussions on how the Law of Moses views Gentiles. Do they keep the whole Law or not? This book is a real eye-opener for those who

are interested in Bible prophecy and Messianic Judaism. Brought to you by Bible Facts Ministries, biblefacts.org

1 and 2 Kings as a Work of Political Historiography Simon and Schuster

Following his explosive New York Times bestseller Red Notice, Bill Browder returns with another gripping thriller chronicling how he became Vladimir Putin's number one enemy by exposing Putin's campaign to steal and launder hundreds of billions of dollars and kill anyone who stands in his way. When Bill Browder's young Russian lawyer, Sergei Magnitsky, was beaten to death in a Moscow jail, Browder made it his life's mission to go after his killers and make sure they faced justice. The first step of that mission was to uncover who was behind the \$230 million tax refund scheme that Magnitsky was killed over. As Browder and his team tracked the money as it flowed out of Russia through the Baltics and Cyprus and on to Western Europe and the Americas, they were shocked to discover that Vladimir Putin himself was a beneficiary of the crime.

As law enforcement agencies began freezing the money, Putin retaliated. He and his cronies set up honey traps, hired process servers to chase Browder through cities, murdered more of his Russian allies, and enlisted some of the top lawyers and politicians in America to bring him down. Putin will stop at nothing to protect his money. As Freezing Order reveals, it was Browder's campaign to expose Putin's corruption that prompted Russia's intervention in the 2016 US presidential election. At once a financial caper, an international adventure, and a passionate plea for justice, Freezing Order is a stirring morality tale about how one man can take on one of the most ruthless villains in the world—and win.

 Tied together now into One Book are The Book of Nathan The Prophet, and The Book of Gad The Seer. They are referred to in 1 Chronicles 29:29 which is given as follows:

Now the acts of David the King first and last, behold, they are written in the book of Samuel the Seer, and in the book of Nathan the Prophet, and in the book of Gad the Seer, 1 Chronicles 21:11, 12. 11 So Gad came to David, and said vnto him, Thus saith the Lord, Choose thee 12 Either three yeeres famine, or three moneths to bee destroyed before thy foes (while that the sword of thine enemies ouertaketh thee) or else three dayes the sword of the Lord, euen the pestilence in the land, and the Angel of the Lord destroying throughout all the coasts of Israel. Now therefore advise thy selfe, what word I shall bring againe to him that sent me. First power of the two witnesses in Revelation 11:6 compared to the first power of Gad the seer in 1 Chronicles 21:12. In Revelation 11:6 a lack of rain is the first power that the two witnesses were given. In 1 Chronicles 21:12 Gad can cause a famine to fall upon David's kingdom. A lack of rain would cause a famine. So being able to make it not rain is the same thing as being able to cause a famine. So here we See that the first power in Revelations 11:6 which the two witnesses

possess, is the same first power that Gad possesses in 1 Chronicles 21:12. Second power of the two witnesses in Revelation 11:6 compared to the second power of Gad the seer in 1 Chronicles 21:12. This is a matter of comparing the power to turn water into blood, or let us paraphrase this for the sake of understanding it, the second power in Revelation 11:6 to turn water into blood can be better translated as the power to make puddles of blood, pools of blood, ponds of blood, rivers of blood, streams of blood, oceans of blood, lakes of blood, to spill so much blood that there would literally be a FLOOD of BLOOD. Now comparing that second power the two witnesses have in Revelation 11:6 to the second power that Gad had in 1 Chronicles 21:12 which was three moneths to bee destroyed before thy foes (while that the sword of thine enemies ouertaketh thee) we can See that if the enemies of David's kingdom had pursued to overtake David's kingdom for three months long by the sword of it's enemies, so much blood would have been shed constantly for three months that there would have literally been a

BLOOD FLOOD. We can see here again that the second power of the two witnesses in Revelation 11:6 is the same power as the second power Gad had in 1 Chronicles 21:12. And the Third power of the two witnesses in Revelation 11:6 compared to the third power of Gad the seer in 1 Chronicles 21:12 are also exactly the same power. The third power of the two witnesses in Revelation 11:6 is the power to cause plagues. The third power of Gad the seer in 1 Chronicles 21:12 is the power to cause a pestilence. A plague and a pestilence are the same thing. Now many of the secret sins which king David committed were sins of sodomy. See 2 Samuel 1:26 which is given as follows: I am distressed for thee, my brother Jonathan, very pleasant hast thou been unto mee: thy love to mee was wonderfull, passing the love of women. That was king David speaking of the love that he had between him and Jonathan. Note that even the type of love a man might have for his brother-man is not ever compared to the type of love that men have for women. In other words, a strait man, would not say

that the love another man has for him is wonderful, passing the love of women. Only an effeminate one might say it that way. Note: We are not bashing a man of the past. We are exposing a spirit that is here among us right now in our time. This is why Nathan the prophet and Gad the seer were killed by king David. It is because they exposed king David for committing Sodomy. And this is why Revelation 11:8 states that the two witnesses were killed in a city which spiritually is called Sodom. Sodom symbolizing Sod The Book of Nathan the Prophet CreateSpace Protagonist Kit Biddle is a rising prep school senior who finds himself tangled in a web of spiritual quandaries and intellectual absurdities. Kit's angst is compounded by a unique psychological burden he is forced to carry: his intelligent but unstable Uncle Nat has committed an unspeakable act on what, according to the Uncle's deranged account, were direct orders from God. The tragedy haunting his family follows Kit like a dark and foreboding cloud, exacerbating his already compulsive struggle with existential

questions about the meaning of his life. When the brilliant, perhaps phantasmic, Anna dismisses him, Kit quickly spirals into despair and self-destruction. But when his irrational decision to steal a maintenance truck and speed aimlessly down the highway ends in a horrific accident and months of both physical and emotional convalescence, Kit is forced to examine his perceptions of his life and his version of reality. In this exquisite bildungsroman, calamity leads to fresh perspectives and new perceptions: it focuses Kit's mind and forces him to confront the issues that plague him. Readers will empathize—and celebrate—as the darkness lifts and Kit comes to terms with the necessity of engagement with life's pain, pleasure . . . and absurdity. An intelligent, clever, and captivating tale, The Essence of Nathan Biddle soars in the spaces that exist between despair and hope, darkness and light, love and loss. Beautifully written, profoundly moving, and resplendent with characters destined to remain with you long after the last page is turned, The Essence of

Nathan Biddle is unforgettable.

A timely manifesto on freedom from Hong Kong's leading pro-democracy activist Nathan Law, a Nobel Prize

nominee Activist Nathan Law experienced firsthand the speed with which our freedom can be taken away. When sovereignty over Hong Kong was handed to China in 1997, Hong Kong was guaranteed freedom of the press, expression, and assembly. However, the Chinese Communist Party (CCP) has been chipping away at these rights and, since 2014, restricting free and fair elections. Law writes, "When governments control access to information and are able to define the narrative and dictate what we know, we lose more than our freedoms. We lose the ability to see the world for what it is. We lose our humanity." In 2016, Law became the youngest-ever elected legislator in Hong Kong on a pro-democracy platform and was subsequently imprisoned for his role as a leader of the Umbrella Movement. He now lives in exile. An urgent rallying cry, Freedom warns of the dangers of authoritarianism and inspires us to protect democracy and freedom—or face losing them forever.

A novel Welbeck Publishing Group
Barbara Kingsolver's acclaimed international

bestseller tells the story of an American missionary family in the Congo during a poignant chapter in African history. It spins the tale of the fierce evangelical Baptist, Nathan Price, who takes his wife and four daughters on a missionary journey into the heart of darkness of the Belgian Congo in 1959. They carry with them to Africa all they believe they will need from home, but soon find that all of it - from garden seeds to the King James Bible - is calamitously transformed on African soil. Told from the perspective of the five women, this is a compelling exploration of African history, religion, family, and the many paths to redemption. The *Poisonwood Bible* was nominated for the Pulitzer Prize in 1999 and was chosen as the best reading group novel ever at the Penguin/Orange Awards. It continues to be read and adored by millions worldwide.

Nathan Lovell proposes that 1 and 2 Kings might be read as a work of written history, produced with the explicit purpose of shaping the communal identity of its first readers in the Babylonian exile.

By drawing on sociological approaches to the role historiography plays in the construction of political identity, Lovell argues the book of Kings is intended to reconstruct a sense of Israelite identity in the context of these losses, and that the book of Kings moves beyond providing a reason for the exile in Israel's history, and beyond even connecting its exilic audience to that history. The book recalls the past in order to demonstrate what it means to be Israel in the (exilic) present, and to encourage hope for the Israelite nation in the future. After developing a reading strategy for 1-2 Kings that treats the book as a coherent narrative, Lovell examines the construction of Israelite identity within Kings under the headings of covenant, nationhood, land, and rule. In each case he suggests that the narrative of the book creates room for a genuine but temporary expression of Israelite identity in exile: genuine to show that it remains possible for Israel to be Yahweh's people during the exile, but temporary to encourage hope for a future restoration.

Instant Wall Street Journal Bestseller! You don't need to be Ivy League educated, have money, be creative, or even have an idea to get rich. You just need to be willing to break the rules. At nineteen, I founded a software company with \$119 in my bank account. Five years later, it was valued at \$10.5 million. I don't consider myself exceptionally brilliant. I just realized something few people know: You don't need lots of money or an original idea to get really rich. Now, I make more than \$100,000 in passive income every month, while also running my own private equity firm and hosting The Top Entrepreneurs podcast, which has more than 10 million downloads. This book will show you how I went from college dropout to member of the New Rich. And I'm holding nothing back. You'll see my tax returns, my profit and loss statements, my email negotiations when buying and selling companies. It's time to forget your grandfather's advice. I'll teach you how to be a modern opportunist--investor, entrepreneur, or side hustler--by breaking these four golden rules of the

old guard: 1.Focus on one skill: Wrong. Don't cultivate one great skill to get ahead. In today's business world, success goes to the multitaskers. 2.Be unique: Wrong. The way to get rich is not by launching a new idea but by aggressively copying others and then adding your own twist. 3.Focus

on one goal: Wrong. Focus instead on creating a system to produce the outcome you want, not just once, but over and over again. 4.Appeal to the masses: Wrong. The masses are broke (\$4k average net worth in America?). Let others cut a trail through the jungle so you can peacefully

walk in and capitalize on their hard work. By rejecting these defunct rules and following my unconventional path, you can copy other people's ideas shamelessly, bootstrap a start-up with almost no funding, invest in small local businesses for huge payoffs, and reap all the benefits.
