Little, Brown Books for
Young Readers
In this hero story from the
Bible, read how God
empowered Joshua to lead
his people and conquer a
city.

Year 1 Random House
Everyone's favorite Dirty
Old Man returns with a
new volume of
uncollected work. Charles
Bukowski (1920-1994),
one of the most
outrageous figures of
twentieth-century

American literature, was
so prolific that many
significant pieces never
found their way into his
books. Absence of the
Hero contains much of his
earliest fiction, unseen in
decades, as well as a
number of previously
unpublished stories and
essays. The classic
Bukowskian obsessions
are here: sex, booze, and
gambling, along with
trenchant analysis of what
he calls "Playing and
Being the Pet." Among the
book's highlights are tales
of his infamous public
readings ("The Big Dope
Reading," "I Just Write
Poetry So I Can Go to Bed
with Girls"); a review of
his own first book;
hilarious installments of
his newspaper column,
Notes of a Dirty Old Man,
including meditations on
neo-Nazis and driving in
Los Angeles; and an
uncharacteristic tale of

getting lost in the Utah woods ("Bukowski Takes a Trip"). Yet the book also showcases the other Bukowski—an astute if offbeat literary critic. From his own "Manifesto" to his account of poetry in Los Angeles ("A Foreword to These Poets") to idiosyncratic evaluations of Allen Ginsberg, Robert Creeley, LeRoi Jones, and Louis Zukofsky, *Absence of the Hero* reveals the intellectual hidden beneath the gruff exterior. Our second volume of his uncollected prose, *Absence of the Hero* is a major addition to the Bukowski canon, essential for fans, yet suitable for new readers as an introduction to the wide range of his work. "He loads his head full of coal and diamonds shoot out of his finger tips. What a trick. The mole genius has left us with another digest. It's a full house--read 'em and weep."—Tom Waits "This second volume of Bukowski's uncollected stories and essays offers all that Bukowski is known for—wry obscenity, smutty wisdom, seeming ramblings whose hidden smarts catch you unaware--but in addition there are moments here in which he takes off the mask and strips away the

bravado to show himself at his most vulnerable and human. A must for Bukowski aficionados."—Brian Evenson, author of *Last Days and The Open Curtain* "Like a brass-rail Existentialist or a skid-row Transcendentalist, [Bukowski] is candid, unblinking, leaving it to his readers to cast their own judgment about his mishaps, his drinking, his sexual appetite or his own pessimism. He is Ralph Waldo Emerson as a Dirty Old Man, not lounging in the grape-arbor of Concord, Massachusetts, but bent-over a table in an L.A. flophouse scribbling in pencil to the strains of Sibelius."—Paul Maher Jr., *Phawker* "[Bukowski] could be generous and mean-spirited, heroic and defensive, spot-on and slanted, but he became the world-class writer he had set out to be; he has joined the permanent anti-canon or shadow-canon whose denizens had shown him the way. Today the frequent allusions to him in both popular and mainstream culture tend more to respect than mockery. If scholarship has lagged, this book would indicate that this situation is changing."—Gerald

Locklin, *Resources for American Literary Study* "The pieces range over nearly half a century, and include a story about a baseball player seized by a sudden bout of existential paralysis, along with early, graphically sexual (and masterfully comic) stories published in such smut mags as *Candid Press*."—*Penthouse* "An absolute must for fans of Charles Bukowski's work, *Absence of a Hero* is also a welcome addition to public and college library literary studies shelves."—*Midwest Book Review*

Notes From The Midnight Driver Little, Brown Books for Young Readers
When the four Stanley children meet Amanda, their new stepsister, they're amazed to learn that she studies witchcraft. They're stunned to see her dressed in a strange costume, carrying a pet crow and surrounded by a pile of books about the supernatural. It's not long before Amanda promises to give witchcraft lessons to David, Jamie, and the twins. But that's when strange things start happening in their old house. David suspects Amanda of causing mischief, until they learn that the house really was haunted long ago. Legend

has it that a ghost cut the head off of a wooden cupid on the stairway. Has the ghost returned to strike again?

South Callaway Missouri
Random House

This time-honored text/casebook explores civil liberty problems through a study of leading judicial decisions drawn mostly from the U.S. Supreme Court. *Civil Liberties and the Constitution: Cases and Commentaries, Seventh Edition*, provides readers with an overall assessment of the political-social context in which the formulation and implementation of civil liberties policies take place. In addition, the authors work to promote a general rather than technically legal understanding of the issues involved in an effort to make the material accessible to everyone, especially those with limited knowledge of the legal system. **Content Highlights:** allows readers to examine significant portions of court opinions, including major arguments from majority, concurring, and dissenting opinions; expands the introductory chapter to paint a fuller picture of various factors and

forums that constitute the overall contextual framework in which ongoing battles over civil rights and liberties are fought; includes a new section on the nature and operation of the Supreme Court, with particular emphasis on the nature and dynamics of judicial election and judicial decision making; and introduces groups of featured cases with in-depth commentaries that set specific historical-legal contexts and demonstrate clearly the changes and continuity in legal doctrines, particularly judicial policies.

Explore the powers of DC Comics' greatest characters like never before through stunning anatomical cutaways and in-depth commentary from the Dark Knight. Concerned about the threat that so-called "metahumans" may pose to the world, Batman has begun compiling a detailed dossier on their incredible physiology and abilities. From villains like Killer Croc, Bane, and Brainiac, to Batman's own comrades, including Superman and Cyborg, the file brings together the Dark Knight's fascinating personal theories on the unique

anatomical composition of these formidable individuals. This stunning and unique book delves into the incredible abilities of DC Comics characters like never before. Using beautifully illustrated anatomical cross sections depicting twelve different DC characters, the book, told from Batman's unique perspective, will explore how these "metahumans" physical makeup differs significantly from that of the average person. From detailed theories on how Superman's eyes shoot heat rays to an in-depth exploration of how Aquaman is able to breathe under water, the book delves into the deepest secrets of these classic characters. Also featuring chapters on the anatomy and abilities of Doomsday, Aquaman, Swamp Thing, Darkseid, Martian Manhunter, and more, this one-of-a-kind book will change the way you look at metahumans forever.

Junior Hero Blues

Diversion Books
For Dutton Caliber's American War Heroes series, the gripping and action-packed combat story of America's most celebrated tank commander, Staff Sergeant Lafayette "War

Daddy" Pool. Lafayette Pool provided inspiration for Brad Pitt's character "War Daddy" Collier in the movie *Fury*, but his true story is less known. Here, acclaimed author Stephen L. Moore writes the first full-length narrative to honor the valiant Texan tanker. A champion Golden Gloves boxer turned U.S. Army legend, Pool was known as the "ace of tankers" for destroying more than five enemy tanks in head-to-head combat. Sporting a pair of cowboy boots and a confident smile, Pool and his tank, *In the Mood*, fearlessly led the charge into at least twenty-one different engagements across France, Belgium, and Germany in World War II. His 3rd Armored superiors credit Pool's crew with destroying at least 275 enemy vehicles, capturing 250 or more enemy soldiers, and killing or wounding more than a thousand opponents. In one three-day period alone, they knocked out four German tanks, three anti-tank guns, and fifty armored vehicles, creating "of overwhelming number" of enemy casualties. Drawing on official military documents, the memoirs of Pool's crewmen, and personal

interviews with the family of Pool and his comrades, *Blood and Fury* is full of heated battles, suspenseful near-death experiences, and indomitable bravery. At the heart of it all is an undeniable American hero: Lafayette Pool. Hero Harper Collins Knowledge is power. That would be the motto of Lander University, had it not been snatched up and used to death by others long before the school was founded. For while Lander offers a full range of courses to nearly all students, it also offers a small number of specialty classes to a very select few. Lander is home to the Hero Certification Program, a curriculum designed to develop student with superhuman capabilities, commonly known as Supers, into official Heroes. Five of this year's freshmen are extra special. They have a secret aside from their abilities, one that they must guard from even their classmates. Because for every one person in the world with abilities they can control, there are three who lack such skill. These lesser super beings, Powered as they are called, have always been treated as burdens and second class citizens.

Though there has been ample research in the area, no one has ever succeeded in turning a Powered into a regular human, let alone a Super. That is, until now...

Shine Hyperion

Just when you thought you had it all figured out . . . "Alex Peter Gregory, you are a moron!" Laurie slammed her palms down on my desk and stomped her foot. I get a lot of that. One car crash. One measly little car crash. And suddenly, I'm some kind of convicted felon. My parents are getting divorced, my dad is shacking up with my third-grade teacher, I might be in love with a girl who could kill me with one finger, and now I'm sentenced to babysit some insane old guy. What else could possibly go wrong? This is the story of Alex Gregory, his guitar, his best gal pal Laurie, and the friendship of a lifetime that he never would have expected.

The Unsung Hero of Birdsong, USA Tor Books

Last year, Javier Medina was your average socially awkward gay high schooler with a chip on his shoulder. This year, he's...well, pretty much the same, but with bonus superpowers, a costume with an ab window to

show off his new goods, and a secret identity as the high-flying, wise-cracking superhero Blue Spark. But being a Junior Hero means that Javier gets all the responsibility and none of the cool gadgets. It's hard enough working for the Legion of Liberty and fighting against the evil Organization, all while trying to keep on top of school work and suspicious parents. Add in a hunky boyfriend who's way out of Javier's league, and an even hunkier villain who keeps appearing every time said boyfriend mysteriously disappears, and Blue Spark is in for one big dollop of teenage angst. All while engaging in some epic superhero action and, oh yeah, an all-out battle to protect Liberty City from the forces of evil. Welcome to the 100% true and totally unbiased account of life as a teenage superhero.

Conan the Indomitable Kensington Publishing Corp.

When Sara finds a flying carpet, it takes her and her new friend Amesh to the Island of the Djinn where she faces terrible creatures and an impossible decision-- whether to save mankind, herself, or the boy she is

coming to love.

Carmen Browne Series CreateSpace

This set includes all five books of the Carmen Browne series: True Friends, Sweet Honesty, Golden Spirit, Perfect Joy, and Happy Princess. In True Friends, Carmen Browne is a ten-year-old African-American girl beginning fifth grade. With her family moving to a new city, Carmen is anguished to give up her friends and comfortable home. As her family adapts to a new location, Carmen learns that finding new friends and fitting in is not easy. Part of her doesn't even want to try. Family issues become complicated when Carmen's brother learns he is adopted. Dealing with unpopularity, fitting in, and cultural differences are Carmen's issues in the first book of the Carmen Browne series. In Sweet Honesty, ten-year-old Carmen settles into her new home in Ettrick, Virginia. It's Christmas and Carmen has a problem: she's bored and conspires against her parents to have a 'free day' at the mall without them. A subplot in the story involves adopted brother, Clay, as he continues to wonder about his real

parents, and Carmen decides to help him dig into his past. Will her parents find out about their schemes? In *Golden Spirit*, Carmen meets new challenges and faces serious issues such as domestic violence and her own tendency toward bossiness. This series focuses on issues faced by many preteen girls and teaches inspiring lessons about dealing with gossip, self-esteem, and body image. In *Perfect Joy*, the path to joy is paved with adversity as Carmen Browne discovers in the fourth book in the series from best-selling author, Stephanie Perry Moore. *Perfect Joy* captures the tumultuous changes every sixth-grade girl faces--new friendships, fickle popularity, and adolescent jealousy--with the added fears of waiting as her mother is tested for breast cancer. Carmen truly is an inspiring heroine, rising above her mistakes and her trials, using her trademark spunk and admirable conviction--she finds the perfect joy that comes only from God. In *Happy Princess*, Carmen Browne, growing up in a family of five as an energetic preteen, is determined to live her life to please God. So far we followed

Carmen as she began to face both major and minor life issues such as an unexpected family move, her big brother's search for his birth family, and the tragedy of domestic violence. As she learns to trust God to work all things out for good, Carmen learns a lot about herself, too: being popular doesn't guarantee you true friends, being honest up front saves a lot of hurt, and sometimes self-confidence is just bossiness in disguise. Now in this fifth and final volume of the popular series, Carmen begins to face the uncharted waters of adolescence. She discovers that her changing moods and growing body bring a brand new set of challenges to her life. [Just a Servant](#) Simon and Schuster
When Perry attends a Christian sports camp in Hilton Head, South Carolina, he comes face-to-face with racism and jealousy as the police accuse him of a crime he did not commit and his new teammates resent his skills on the football field. Original.
An Alpha Billionaire Romance Open Road Media
The best time to kill a superhero is before he

becomes one. Scrawny seventeen-year-old Theodore Conley shocks himself and everyone else by tossing three big bullies around like they are wads of paper and Theo is aiming for the trash can. Now that he has superpowers, suddenly everyone expects Theo to do great things. He doesn't want to do anything great, however. It's too much work and too dangerous. Unless it's safe and involves Theo finally getting a girlfriend, he's not interested. Theo gets more danger than he can handle when a supervillain attacks. In self-defense, Theo is forced to pursue a hero's cape in superhero school, a frightening place of grueling humiliation, intense combat training, and deadly tests. Theo soon finds that even just a potential superhero gets an archenemy. The problem is Theo's doesn't want to just defeat him. His archenemy wants to kill him.
