Short Stories from Rabindranath Tagore Center Street

There are the fabled urban myths of lesbians who fill up a U-Haul on the second date and lead sweetly romantic lives of cocoa and comfy slippers. Safe and sound. A lot of cozy and not much crazy. These are NOT those stories- these are wild women with dirty minds, untamed tongues, and even the occasional cuff or clamp. A lotta crazy and no cozy slippers to be seen. These Wild Girls tell stories of their own Wild Nights (and days,) memories too hot to keep undercover. Real women with real needs and overwhelming desires find the courage to

reveal intimate, unrestrained details of their sex lives, the need to share their stories second only to the urgent impulses that drove the action in the first place. There are first times, life-long commitments, and fleeting encounters to savor for a lifetime. Tenderness merges with edge-play; scenes shift from Caribbean islands to desert battlefields to the ultimate privacy of home; and the writers range from well-known names to newcomers driven to share fresh memories they'll never forget. In Evan Mora's "The Insatiable Travel Itch," repression in public drives her wild. "Transported, transplanted, we are transgressors. And it makes me fucking wet." Angel Propps struggles to face her deepest desires. "The word Daddy had a familiar shape on my tongue, but not in

my head, and for one second I was sure I was going to Hell—and then I came." She'd found, of course, "The Daddy I Didn't Know I Needed." Anna Watson, in "Tamago," gives a poignant and sizzling view of being a lesbian femme who loves butches. "I know being femme is what makes the breath blow out of me when she calls and says, 'Babe, I just wanted you to know that I was driving along here, thinking about your breasts.'" Reality doesn't have to be prosaic. Real sex can be wet, messy, frenzied, sometimes even awkward, but never boring. With these writers and seventeen more, "Wild Girls, Wild Nights: True Lesbian Sex Stories" is the proof of that.

author. There are many rumors about the bay off Guadalcanal in the Solomon Islands. Some say it was the site of the lost empire of the Solomon king and that great treasure lies beneath the waters. Which is exactly what attracts the attention of husband-and-wife treasure-hunting team Sam and Remi Fargo. How could they resist? Clues and whispers lead them on a hunt from the Solomons to Australia to Japan, and what they find at the end of the trail is both wonderful and monstrous--and like nothing they have ever seen before.

"Satyacharan is a young graduate in 1920s Calcutta, who, unable to find a job in the city, takes up the post of a 'manager' of a vast tract of forested land in neighboring Bihar. As he is increasingly enchanted and hypnotized by the exquisite beauty of nature, he is burdened with the painful task of clearing this land for cultivation. As ancient trees fall to the

cultivator's axe, indigenous tribes—to whom the forest had been home for millennia—lose their ancient way of life. The promise of 'progress' and 'development' brings in streams of landless laborers, impoverished schoolmasters and starving boys from around the region, and the narrator chronicles in visionary prose the tale of destruction and dispossession that is the universal saga of man's struggle to bend nature to his will."--Page [4] of cover. *The Handmaid's Tale* John Wiley & Sons Winner of the Sahitya Akademi Award An award-winning novel that uses both vast panoramic views and lovingly reconstructed detail to provide an unforgettable picture of nineteenth-century Bengal. The Bengal Renaissance and the 1857 uprising form the backdrop to *Those Days*, a saga of human frailties and strength. The story revolves around the immensely wealthy Singha and Mukherjee families, and the intimacy that grows between them. Ganganarayan Singha's love for Bindubasini, the widowed daughter of the Mukherjees, flounders on the rocks of orthodoxy even as his zamindar father, Ramkamal, finds

happiness in the arms of the courtesan, Kamala Sundari. Bimbabati, Ramkamal's wife, is left to cope with her loneliness. A central theme of the novel is the manner in which the feudal aristocracy, sunk in ritual and pleasure, slowly awakens to its social obligations. Historical personae interact with fictional protagonists to enrich the narrative. Ishwar Chandra Vidyasagar, the reformer; Michael Madhusudan Dutt, the poet; the father and son duo of Dwarkanath and Debendranath Tagore; Harish Mukherjee, the journalist; Keshab Chandra Sen, the Brahmo Samaj radical; David Hare and John Bethune, the English educationists—these and a host of others walk the streets of Calcutta again, to bring alive a momentous time.

The sixteen short stories collected here were written between 1891 and 1917 by the Bengali poet, writer, painter, musician and mystic, Sir Rabindranath Tagore (1861-1941). Throughout these stories, Tagore's main interest is people and the kaleidoscope of human emotions, as men and women struggle with the restrictions and prohibitions of contemporary Hindu society.

Rabindranath Tagore, also written Rabindranatha Thakura, (7 May 1861 - 7 August 1941), sobriquet Gurudev, was a Bengali polymath who reshaped Bengali literature and music, as well as Indian art with Contextual Modernism in the late 19th and early 20th centuries. Author of Gitanjali and its "profoundly sensitive, fresh and beautiful verse", he became the first non-European to win the Nobel Prize in Literature in 1913. In translation his poetry was viewed as spiritual and mercurial; however, his "elegant prose and magical poetry remain largely unknown outside Bengal. Tagore introduced new prose and verse forms and the use of colloquial language into Bengali literature, thereby freeing it from traditional models based on classical Sanskrit. He was highly influential in introducing the best of Indian culture to the West and vice versa, and he is generally regarded as the outstanding creative artist of the modern Indian subcontinent, being highly commemorated in India and Bangladesh, as well as in Sri Lanka, Nepal and Pakistan.

"The 2012 report recognized that expanding women's agency - their ability to make decisions and take advantage of opportunities is key to improving their lives as well as the world. This report represents a major advance in global knowledge on this critical front. The vast data and thousands of surveys distilled in

this report cast important light on the nature of constraints women and girls continue to face globally. This report identifies promising opportunities and entry points for lasting transformation, such as interventions that reach across sectors and include life-skills training, sexual and reproductive health education, conditional cash transfers, and mentoring. It finds that addressing what the World Health Organization has identified as an epidemic of violence against women means sharply scaling up engagement with men and boys. The report also underlines the vital role information and communication technologies can play in amplifying women's voices, expanding their economic and learning opportunities, and broadening their views and aspirations. The World Bank Group's twin goals of ending extreme poverty and boosting shared prosperity demand no less than the full and equal participation of women and men, girls and boys, around the world." -- Publisher's description.

Of Human Bondage (1915) is a novel by W. Somerset Maugham. Inspired by his experiences as an orphan and young

student, Maugham composed his masterpiece. Adapted several times for film, *Of Human Bondage* is a story of tragedy, perseverance, and the eternal search for happiness which drives us as much as it haunts our every move. Orphaned as a boy, Philip Carey is raised in an affectionless household by his aunt and uncle. Although his Aunt Louisa tries to make him feel welcome, William proves an uncaring, vindictive man. Left to fend for himself most days, Philip finds solace in the family's substantial collection of books, which serve as an escape for the imaginative boy. Sent to study at a prestigious boarding school, Philip struggles to fit in with his peers, who abuse him for his intelligence and club foot. Despite his struggles, he perseveres in his studies and chooses his own path in life, moving to Heidelberg, Germany and denying his uncle's wish that he attend Oxford. As he struggles to become a professional artist, Philip learns that one's dreams are often unsubstantiated in the world of the living. *Of Human Bondage* is a tale of desire, disappointment, and romance by a master stylist with a keen sense of the complications inherent to

human nature. With a beautifully designed cover and professionally typeset manuscript, this edition of W. Somerset Maugham's *Of Human Bondage* is a classic work of British literature reimagined for modern readers.

This book examines diverse literary writings in Bangla related to crime in late nineteenth and early twentieth century colonial Bengal, with a timely focus on gender. It analyses crime-centred fiction and non-fiction in the region to see how actual or imagined crimes related to women were shaped and fashioned into images and narratives for contemporary genteel readers. The writings have been examined within a social-historical context where gender was a fiercely contested terrain for publicly fought debates on law, sexual relations, reform, and identity as moulded by culture, class, and caste. Both canonized literary writings (like those of Bankim Chatterji) as well as non-canonical, popular writings (of writers who have not received sufficient critical attention) are scrutinised in order to examine how criminal offences featuring women (as both victims and offenders) have been narrated in early manifestations of the genre of crime writing in Bangla. An empowered and thought-provoking study, this book will be of special interest to scholars of criminology and social justice,

literature, and gender.
