Elementary Modern Standard Arabic: Volume 1, Pronunciation and Writing; Lessons 1-30 Prabhat Prakashan

Bine ați venit! è un corso di lingua romena rivolto a italofoni, corrispondente ai livelli A1-B1+ del Quadro Comune Europeo di Riferimento per le Lingue. L'opera può essere utilizzata sia da studenti universitari sia da autodidatti interessati ad avvicinarsi allo studio del romeno e a esplorarne le potenzialità espressive. Il volume si apre con una presentazione del sistema fonologico romeno, seguita da 12 unità didattiche volte a sviluppare competenze linguistiche sia orali che scritte. Il manuale ha un'impostazione di tipo contrastivo che mette in risalto le simmetrie e le divergenze esistenti tra il romeno e l'italiano, due lingue genealogicamente imparentate. Ciascuna unità didattica è articolata in sei sezioni dedicate all'ascolto, alla lettura, al lessico, alla grammatica e alla produzione scritta e orale, sezioni che si combinano e si alternano in modo tale da guidare proficuamente lo studente nel processo di apprendimento. Nel testo sono presenti anche alcune unità di revisione e approfondimento degli argomenti trattati, seguite da un test di autovalutazione. Chiudono l'opera un glossario romeno-italiano e una sezione contenente le chiavi degli esercizi. Infine alla pagina web www.hoeplieditore.it/9076-1 sono scaricabili le tracce Mp3 contenenti i dialoghi e i testi delle lezioni.

This 1983 course is the premier introduction for the English-speaking student, to the active written language of the contemporary Arab world.

Bilingual for Speakers of English A2 Elementary B1 Pre-intermediate Delta

Moroccan Arabic was written by a dogged student of the language (and a natural teacher) and it was edited by a native speaker and equally wonderful teacher. Finally, a straight-forward and easy to use primer for learning Moroccan Arabic - and now, new and improved in this 2nd edition. It incorporates reader suggestions and features more details on the transliteration system, additional words, new word lists, and the text has been completely revised and re-edited. Practical and witty, it's basically the equivalent of a VCR repair manual, just a bare-bones list of how to do the important things:

here's the present tense, here's the future tense, etc, etc. In other words, it's a reference book with simple examples, none of the filler, and a few youthful surprises. It's just the kind of cheat-sheet everyone craves. Best of all, and unlike the others, everything is provided side-by-side in English, transliteration, and Arabic. And it uses a simple real-word transliteration system that is simply written the way things sound without the use of exotic linguistic symbols. It's the perfect book for everyone with an interest in contemporary Morocco: travelers, tourists, students, diplomats, business people, academics, artists, Peace Corp volunteers, Fulbright Scholars and student grantees, etc. Praise for Moroccan Arabic from students, scholars and travelers on both side of the Atlantic: "Fills a gaping hole in Moroccan Arabic instruction. Based on the first-hand immersion experiences of a native English-speaker who navigated Moroccan culture and language for a year... and as a researcher in Morocco myself, I found it handy." --Nabil Khan, Fulbright Student Grantee "I love the sense of humor woven throughout - it's an enjoyable read. A great example of collaboration." -- Edwin Bodensiek, Dir. of Outreach and Public Relation, CIES - Fulbright, Washington, DC "A great resource. I wish had this book when I was traveling and researching in Morocco." --Dr Jennifer A Roberson, Professor of Islamic Art, Sonoma State University, California "Written by a born teacher. This book enhances effective language instruction and builds a collection of everyday conversation resources for Anglo-American students and scholars." --Dr Khalid Amine, Universite Abdelmalek Essaadi and President, ICPS - Tangier Many people contributed to making this book a reality - and by agreement of all those involved, the proceeds from the sale of this book go to support the publishing program at the International Centre for Performance Studies (ICPS) - Tangier, Morocco. Initial research for the book was conducted during a Fulbright graduate student grant. The ongoing project (encourage more people to learn Darija, provide improved study materials, and provide a funding stream for ICPS-Tangier) is sustained by the generosity of numerous all-volunteer partners - kindly lend your assistance by sending an email to collaborative.media@ymail.com

PLEASE NOTE - this is a replica of the print book and you will need a pen and paper to complete the exercises. The perfect introduction to English vocabulary for children aged 6-9 as they take the first steps toward learning English as a foreign language. This beautifully illustrated vocabulary ebook for younger children introduces your child to the essentials of English vocabulary. Each day from Monday to Thursday, English for Everyone Junior: 5 Words a Day presents your child with five new words to learn and practice, using the English for Everyone visual methodology. Over the course of a year, your child will build up a vocabulary of 1,000 of the most commonly used English words. All the vocabulary is sorted into themes that reflect children's everyday lives (such as toys, clothes, and food), and each set of words is accompanied by a beautiful illustration that helps your child commit those words to memory. The daily "test yourself" exercises utilize cleverly designed flaps which hide the words your child has just learned. English for Everyone Junior: 5 Words a Day provides the necessary foundation for children who are about to start studying English at school, as well as solid support for those who are already learning the language. English for Everyone Junior: 5 Words a Day covers all the vocabulary used in the Cambridge Young Learners Exams and more, and corresponds to bands pre-A1 through to A2 on the Common European Framework of Reference for Languages (CEFR).

Discover the worldwide phenomenon of ThetaHealing® and how it can help you to achieve transformational healing in this revised and updated edition of Vianna Stibal's definitive guide. In 1995, Vianna Stibal was diagnosed with a serious health condition. When conventional and alternative medicine failed her, she discovered a simple technique that cured her illness and sparked a worldwide phenomenon. ThetaHealing® is essentially applied quantum physics. Using a theta brain wave, which until now was believed to be accessible only in deep sleep or yogi-level meditation, the practitioner is able to connect with the energy of All That Is - the energy in everything - to identify issues with and witness healings on the physical body, and to identify and change limiting beliefs. In this revised and updated edition, you will discover: - the belief and feeling work that can instantly change the thinking within you that creates illness - the 7 Planes of Existence, a concept that allows you to connect to the highest level of love and energy of All That Is - how to develop the ability to change on all levels: physically, mentally, emotionally and spiritually, using the Creator of All That Is.

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

The Most Basic Arabic teaches all the language you need to survive, enabling you to learn everything you need as simply and effortlessly as possible. Arabic can seem a little daunting for most people, but this is mainly because we are unfamiliar with it, and the language sounds very different from English. However, by learning certain parts of speech and a few rules, it is possible to converse quite a lot and to get by in Arabic-speaking countries for an extended period of time. While Arabic is somewhat different to English, the basics can be mastered language quite simply and you can easily learn all that you will need if you are intending to live, work or travel in the Arab world. This book gives you that language and is presented in a simple way. It can be studied over a relatively short space of time, and will enable you to get by in Arabic on arrival. Once you have mastered this small amount of Basic Arabic, you will be able to get around and converse a bit with locals. The book begins with the very simple (10 most useful phrases for a newcomer), then builds on this in stages to break down the building blocks of Arabic, such as Pronouns, Verbs and Nouns, giving you the language and knowledge to speak basic Arabic by yourself. With this book, you will have picked up a great deal of the language and grammar, be able to get around speaking Arabic, as well as impress your hosts with a little bit of their own language. The Most Basic Arabic also includes Basic Conversation and you will find it an invaluable tool to keep with you for its simple presentation of the Language and Phrases needed for various situations: - In a Taxi - In a Restaurant - In a Bar or Coffee Shop - In a Shop.
