How Boston radio station WBCN became the hub of the rock-and-roll, antiwar, psychedelic solar system. While San Francisco was celebrating a psychedelic Summer of Love in 1967, Boston stayed buttoned up and battened down. But that changed the following year, when a Harvard Law School graduate student named Ray Riepen founded a radio station that played music that young people, including the hundreds of thousands at Boston-area colleges, actually wanted to hear. WBCN-FM featured album cuts by such artists as the Mothers of Invention, Aretha Franklin, and Cream, played by announcers who felt free to express their opinions on subjects that ranged from recreational drugs to the war in Vietnam. In this engaging and generously illustrated

chronicle, Peabody Award-winning journalist and one-time WBCN announcer Bill Lichtenstein tells the story of how a radio station became part of a revolution in youth culture. At WBCN, creativity and countercultural politics ruled: there were no set playlists; news segments anticipated the satire of The Daily Show; on-air interviewees ranged from John and Yoko to Noam Chomsky; a telephone "Listener Line" fielded questions on any subject, day and night. From 1968 to Watergate, Boston's WBCN was the hub of the rock-and-roll, antiwar, psychedelic solar system. A cornucopia of images in color and black and white includes concert posters, news clippings, photographs of performers in action, and scenes of joyousness on Boston Common. Interwoven through the narrative are excerpts from interviews with WBCN pioneers, including Charles Laquidara, the "news dissector" Danny Schechter, Marsha Steinberg, and Mitchell Kertzman. Lichtenstein's documentary WBCN and the American Revolution is available as a DVD sold separately.

Secret Garden -- Winter Poem Samuel French, Inc.

Henrik Ibsen is known as one of the four great Norwegian writers, and his poem "Terje Vigen" ranks among his notable works. The poem is believed to have been

inspired by verbal accounts that Ibsen got during the time he lived in Grimstad in his youth. Verbal accounts about the hardships the people in the area had to suffer during the Napoleonic wars, when British ships sieged Norwegian ports. The blockade lasted from 1807 to 1814, and brought poverty to Norway. A poverty which caused people to start dying from starvation. The dire circumstances even compelled many impoverished Norwegians to row over to Denmark to get food, in order to save themselves and their families from starvation. Many of whom were captured and imprisoned. This forms well-known historical facts. The poem revolves around these historical facts. It tells a tale about how the common and poor Norwegians were impacted by these events. In the poem, Terje Vigen must row to Denmark in order to provide the life-saving food his family needs. But as he is about to arrive home in Norway on his way back, he is captured by a patrolling ship, and taken prisoner in England. Terje Vigen spends five years in prison, and when he gets back to Norway afterwards, he learns what has happened to his family while he was in prison. Later in the poem, Terje Vigen encounters the captain of the ship that took him captive, and Terje gets a chance to take revenge for the losses and grievances the imprisonment imposed on him. Though this poem is based on real life events, there exists no solid proof that a man named Terje Vigen ever existed who did all the things accounted for in the poem. The poem must therefore, even if it is based on knowledge of real-life events, be categorized as a fictional work of literature. But even if this work of literature remains a fictional one, it nonetheless provides an opportunity to imagine how life was for some of the people impacted by this event in history. And if we further keep in mind that life in Norway, for the majority of the population, throughout centuries has been a life of mere subsistence, we can let ourselves be persuaded that this poem not only provides an artistic rendition of the life and events of the possibly fictitious Terje Vigen and those taking place in the poem in particular, but paints a picture of life as it historically has been for many Norwegians in general.

Fabulous piece of writing. It is really quite astounding that Machen is largely forgotten as a writer. In *The Secret Glory*, I particularly loved Machen's satirical social comments about the class system, Christian hypocrisy and the sadistic puritanism of English Public Schools. This

isn't always an easy book to read but it is very rewarding, and after reading, like the best literary works, carves out a place for itself in one's psyche. (M.J. Johnson)

Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1931. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. John Berendt's sharply observed, suspenseful, and witty narrative reads like a thoroughly engrossing novel, and yet it is a work of nonfiction. Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young redneck gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny black drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young blacks dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience. Brilliantly conceived and masterfully written, this enormously engaging portrait of a most beguiling Southern city has become a modern classic.
