EUGENE RHODES

If lies could kill Fantagraphics Books
Sydney seems like a normal 15-year-old freshman. She hangs out underneath the bleachers, listens to music in her friend's car, and gets into arguments with her annoying little brother — but she also has a few secrets she's only shared in her diary. Like how she's in love with her best friend Dina, the bizarreness of her father's death, and those painful telekinetic powers that keep popping up at the most inopportune times. In this collection of the

self-published minicomic series, Forsman expertly channels the teenage ethos in a style that evokes classic comic strips while telling a powerful story about the intense, and sometimes violent, tug of war between trauma and control.

No One Asked for This TurtleMe

"I didn't heed a single warning. I let my sickness, my love, both rule and ruin me. I played my part, eyes wide open, tempting fate until it delivered. There was never going to be an escape. All of us are to blame for what happened. All of us serving our own sentences. We were careless and reckless, thinking our youth made us indestructible, exempt from our sins, and

it cost us all. I'm done pretending I didn't leave the largest part of me between these hills and valleys, between the sea of trees that hold my secrets. It's the reason I'm back. To make peace with my fate." -- Amazon.com

A Novel Dramatists Play Service, Inc.

"Abbie Hoffman, Yippie non-leader, notorious dope addict and up-and-coming rock group (the WHAT), is currently on trial with seven others for conspiracy to incite riot during the Democratic Convention. When he returned from the Woodstock Festival he had five days before leaving for Chicago to prepare for the trial. Woodstock Nation, which the author wrote

in longhand while lying upside down, stoned, on the floor of an unused office of the publisher, is the product of those five days. Other works by Mr. Hoffman include *Revolution for the Hell of It* and *Fuck the System*, which he describes as a "tender love epic". -- Back cover.

Celebrated Summer Fantagraphics Books "[Jason Pargin] has updated the Lovecraft tradition and infused it with humor that rather than lessening the horror, increases it dramatically. Every time I set the book down down, I was wary that something really was afoot, that there were creatures I couldn't see, and that because I suspected this, I was next. Engaging, comic, and terrifying." —Joe Garden, Features Editor, *The Onion* "[Pargin] is like a mash-up of Douglass Adams and Stephen King... 'page-turner' is an understatement." —Don Coscarelli, director, *Phantasm I-V*, *Bubba Ho-tep* "That rarest of things--a genuinely scary story." —David Wellington, author of *Monster Island*, *Vampire Zero* "**JOHN DIES AT THE END** has a cult following for a reason: it's horrific, thought-provoking, and hilarious all at once. This is one of the most entertaining and addictive novels

I've ever read." —Jacob Kier, Publisher, *Permuted Press STOP*. You should not have touched this flyer with your bare hands. NO, don't put it down. It's too late. They're watching you. My name is David. My best friend is John. Those names are fake. You might want to change yours. You may not want to know about the things you'll read on these pages, about the sauce, about Korrok, about the invasion, and the future. But it's too late. You touched the book. You're in the game. You're under the eye. The only defense is knowledge. You need to read this book, to the end. Even the part with the bratwurst. Why? You just have to trust me. The important thing is this: The sauce is a drug, and it gives users a window into another dimension. John and I never had the chance to say no. You still do. I'm sorry to have involved you in this, I really am. But as you read about these terrible events and the very dark epoch the world is about to enter as a result, it is crucial you keep one thing in mind: None of this was my fault.

John Dies at the End Dorrance Publishing

Two disaffected teens take a spontaneous summer road trip after dropping acid. But

instead of escapism, the LSD exacerbates their ennui, fear, and doubts about the world. A funny and moving story of escalating humor and tension.

A Novel Delacorte Press

My name is Becky. I arrived home to find my husband, Chris, stabbed to death and a gang of men ransacking our house. Turns out that Chris had something that belonged to them. And if I want to stay alive, I have to find it and return it. They've given me seven days. And a beating. There is nowhere to hide and no time left to look. So I will stand my ground as the deadline approaches. All I have is a head full of lies and a very bad plan.

The End of the Fucking World (Novela Grafica) Voracious

Dark 'n Stormy is the truthful account of two best friends engulfed in a life of debauchery who spend a week on the Island of Bermuda coming to grips with their place in the world. By leaving their day-to-day struggle to subdue the horrors of the world that plague their physical and mental stability, they find on their trip the inspiration to accept their place in life and realize the power of the bond of friendship when nothing else makes sense. Set during the moment of life when the future is uncertain, Dark 'n Stormy shows that when life seems empty in purpose, there is

always a ray of sunshine behind the darkness of the unknown.

A Counterintuitive Approach to Living a Good Life The Ink Foundry

Somebody was watching her She had read about stalkers, but they belonged in a different, faraway world. She had no idea who it could be, who would want to harm her. She was trying desperately not to panic, but lately her sleep had been filled with nightmares, and she had awakened each morning with a feeling of impending doom. Thus begins Sidney Sheldon's chilling new novel, *Tell Me Your Dreams*. Three beautiful young women are suspected of committing a series of brutal murders. The police make an arrest that leads to one of the most bizarre murder trials of the century. Based on actual events, Sheldon's novel races from London to Rome to the city of Quebec to San Francisco, with a climax that will leave the reader stunned.

 BookRiot - E! News - Mental Floss - Paste "I
 devoured Daisy Jones & The Six in a day,

falling head over heels for it. Daisy and the band captured my heart." --Reese Witherspoon (Reese's Book Club x Hello Sunshine book pick) A gripping novel about the whirlwind rise of an iconic 1970s rock group and their beautiful lead singer, revealing the mystery behind their infamous breakup. Everyone knows Daisy Jones & The Six: The band's album Aurora came to define the rock 'n' roll era of the late seventies, and an entire generation of girls wanted to grow up to be Daisy. But no one knows the reason behind the group's split on the night of their final concert at Chicago Stadium on July 12, 1979 . . . until now. Daisy is a girl coming of age in L.A. in the late sixties, sneaking into clubs on the Sunset Strip, sleeping with rock stars, and dreaming of singing at the Whisky a Go Go. The sex and drugs are thrilling, but it's the rock 'n' roll she loves most. By the time she's twenty, her voice is getting noticed, and she has the kind of heedless beauty that makes people do crazy things. Also getting noticed is The Six, a band led by the brooding Billy Dunne. On the eve of their first tour, his girlfriend Camila finds out she's pregnant, and with the pressure of impending

fatherhood and fame, Billy goes a little wild on the road. Daisy and Billy cross paths when a producer realizes that the key to supercharged success is to put the two together. What happens next will become the stuff of legend. The making of that legend is chronicled in this riveting and unforgettable novel, written as an oral history of one of the biggest bands of the seventies. Taylor Jenkins Reid is a talented writer who takes her work to a new level with Daisy Jones & The Six, brilliantly capturing a place and time in an utterly distinctive voice.

Funny Password Tracker Journal to Organize Your Passwords Macmillan Fans of Girl, Interrupted, Thirteen Reasons Why, and All the Bright Places will love this New York Times bestseller. "A haunting, beautiful, and necessary book that will stay with you long after you've read the last page."—Nicola Yoon, #1 New York Times bestselling author of Everything, Everything and The Sun Is Also a Star Charlotte Davis is in pieces. At seventeen she's already lost more than most people do in a lifetime. But she's learned how to forget. The broken glass washes away the sorrow until there is nothing but calm. You

don't have to think about your father and the river. Your best friend, who is gone forever. Or your mother, who has nothing left to give you. Every new scar hardens Charlie's heart just a little more, yet it still hurts so much. It hurts enough to not care anymore, which is sometimes what has to happen before you can find your way back from the edge. A deeply moving portrait of a girl in a world that owes her nothing, and has taken so much, and the journey she undergoes to put herself back together. Kathleen Glasgow's debut is heartbreakingly real and unflinchingly honest. It's a story you won't be able to look away from. "Girl, Interrupted meets Speak."—Refinery29 "A dark yet powerful read."—Paste Magazine "One of the most affecting novels we have read."—Goop "Breathtaking and beautifully written."—Bustle "Intimate and gritty."—The Irish Times And don't miss Kathleen Glasgow's newest novel *How to Make Friends with the Dark*, which Karen M. McManus, the New York Times bestselling author of *One of Us Is Lying*, calls "rare and powerful." [Stupid Fucking Bird](#) Redhook Madison Kate is a new adult/college age

dark romance with enemies to lovers/hate to love themes. This is a reverse harem series, meaning the leading lady has several love interests and she doesn't have to choose between them for her happily ever after. If this isn't your cup of tea, then this isn't the series for you. ♥ KATE is book 4 of 4 in the MADISON KATE series. The blurb below may contain spoilers for previous books, and I urge you not to read it until you've finished HATE, LIAR and FAKE. ♦♦♦ "I never miss." Riot Night changed my life. Coming back to Shadow Grove turned it on its head. I've been hunted, stabbed, stalked, tormented, and used. Hate fueled me, lies tore me apart, and in the end everything I thought I knew turned out to be fake. Except... Riot Night also brought Archer, Kody, and Steele back into my life. No matter how much I've fought it, hated it, been lied to or discovered the deceptions-I want them in my life. No one owns me. No one is taking them away. This is my life, dammit, and these guys are mine to keep. If a war is what it takes, then a war is what they'll get. *A Cloudy Tale From Paradise* The End of the Fucking World

#1 NEW YORK TIMES BESTSELLER • Over two million copies sold! "Packed with incredible insight about what it means to be a woman today."—Reese Witherspoon (Reese's Book Club Pick) In her most revealing and powerful memoir yet, the activist, speaker, bestselling author, and "patron saint of female empowerment" (People) explores the joy and peace we discover when we stop striving to meet others' expectations and start trusting the voice deep within us. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY O: The Oprah Magazine • The Washington Post • Cosmopolitan • Marie Claire • Bloomberg • Parade • "Untamed will liberate women—emotionally, spiritually, and physically. It is phenomenal."—Elizabeth Gilbert, author of *City of Girls* and *Eat Pray Love* This is how you find yourself. There is a voice of longing inside each woman. We strive so mightily to be good: good partners, daughters, mothers, employees, and friends. We hope all this striving will make us feel alive. Instead, it leaves us feeling weary, stuck, overwhelmed, and underwhelmed. We look at our lives and wonder: Wasn't it all supposed to be more beautiful than this? We quickly silence that

question, telling ourselves to be grateful, hiding our discontent—even from ourselves. For many years, Glennon Doyle denied her own discontent. Then, while speaking at a conference, she looked at a woman across the room and fell instantly in love. Three words flooded her mind: *There She Is*. At first, Glennon assumed these words came to her from on high. But she soon realized they had come to her from within. This was her own voice—the one she had buried beneath decades of numbing addictions, cultural conditioning, and institutional allegiances. This was the voice of the girl she had been before the world told her who to be. Glennon decided to quit abandoning herself and to instead abandon the world’s expectations of her. She quit being good so she could be free. She quit pleasing and started living. Soulful and uproarious, forceful and tender, *Untamed* is both an intimate memoir and a galvanizing wake-up call. It is the story of how one woman learned that a responsible mother is not one who slowly dies for her children, but one who shows them how to fully live. It is the story of navigating divorce, forming a new blended family, and discovering that the

brokenness or wholeness of a family depends not on its structure but on each member’s ability to bring her full self to the table. And it is the story of how each of us can begin to trust ourselves enough to set boundaries, make peace with our bodies, honor our anger and heartbreak, and unleash our truest, wildest instincts so that we become women who can finally look at ourselves and say: *There She Is*. *Untamed* shows us how to be brave. As Glennon insists: The braver we are, the luckier we get.

Fantagraphics Books
Woodstock Nation Harper Collins
Fantagraphics is proud to publish this

edition of *TeotFW* in conjunction with the 2017 television drama on UK’s Channel 4 (with distribution via Netflix in the U.S.). Originally released to critical and public acclaim in 2013, Charles Forsman’s graphic novel debut follows James and Alyssa, two teenagers living a seemingly typical teen experience as they face the fear of coming adulthood. Forsman tells their story through each character’s perspective, jumping between points of view with each chapter. But quickly, this somewhat familiar teenage experience takes a more nihilistic turn as James’s character exhibits a rapidly forming sociopathy that threatens both of their futures. He harbors violent fantasies and begins to act on them, while Alyssa remains as willfully ignorant for as long as she can, blinded by young love.

Essays HarperCollins
Instant #1 New York Times and Wall Street Journal bestseller From the Washington Post journalists Yasmeen Abutaleb and Damian Paletta—the definitive account of the Trump administration’s tragic mismanagement of the COVID-19 pandemic, and the chaos, incompetence, and craven politicization that has led to

more than a half million American deaths and counting. Since the day Donald Trump was elected, his critics warned that an unexpected crisis would test the former reality-television host—and they predicted that the president would prove unable to meet the moment. In 2020, that crisis came to pass, with the outcomes more devastating and consequential than anyone dared to imagine. *Nightmare Scenario* is the complete story of Donald Trump's handling—and mishandling—of the COVID-19 catastrophe, during the period of January 2020 up to Election Day that year. Yasmeen Abutaleb and Damian Paletta take us deep inside the White House, from the Situation Room to the Oval Office, to show how the members of the administration launched an all-out war against the health agencies, doctors, and scientific communities, all in their futile attempts to wish away the worst global pandemic in a century. From the initial discovery of this new coronavirus, President Trump refused to take responsibility, disputed the recommendations of his own pandemic task force, claimed the virus would “just disappear,” mocked advocates for safe-

health practices, and encouraged his base and the entire GOP to ignore or rescind public health safety measures. Abutaleb and Paletta reveal the numerous times officials tried to dissuade Trump from following his worst impulses as he defied recommendations from the experts and even members of his own administration. And they show how the petty backstabbing and rivalries among cabinet members, staff, and aides created a toxic environment of blame, sycophancy, and political pressure that did profound damage to the public health institutions that Americans needed the most during this time. Even after an outbreak in the fall that swept through the White House and infected Trump himself, he remained defiant in his approach to the virus, very likely costing him his own reelection. Based on exhaustive reporting and hundreds of hours of interviews from inside the disaster zone at all levels of authority, *Nightmare Scenario* is a riveting account of how the United States government failed its people as never before, a tragedy whose devastating aftershocks will linger and be felt by generations to come.

The Beginning After The End

Canongate Books

I had to accept that I wasn't just Arthur Leywin anymore, and that I could no longer be limited by the circumstances of my birth. If I was going to escape, if I was going to go toe-to-toe with the most powerful beings in this world, I needed to push myself to my utmost limit...and then I needed to push even further. After nearly dying as a victim of his own strength, Arthur Leywin wakes to find himself far from the continent where he was born for the second time. Alone, broken, and with no way to tell his family he's alive, Arthur must rebuild his strength to survive. As he ascends through an ancient dungeon filled with hostile beasts and devious trials, he discovers an ancient, absolute power - a power that will either ruin him or take him to new heights. But the dungeon won't give up its knowledge easily. Before he can plunder its depths, Arthur must learn to untangle the threads of fate. He must band together with the unlikeliest of allies if he hopes to escape with his life.
