"DeLuca keeps readers guessing. Minette Walters fans will be pleased." —Publishers Weekly (starred review) Perfect for fans of Margaret Atwood's *Alias Grace* and Hannah Kent's *Burial Rites*, this taut psychological thriller offers a delicious take on deviant and defiant Victorian women in a time when marriage itself was its own prison. England, 1873. Clara Blackstone has just been released after one year in a private asylum for the insane. Clara has two goals: to reunite with her husband, Henry, and to never—ever—return to the asylum. As she enters Durham, Clara

finds her carriage surrounded by a mob gathered to witness the imprisonment of Mary Ann Cotton—England's first female serial killer—accused of poisoning nearly twenty people, including her husbands and children. Clara soon finds the oppressive confinement of her marriage no less terrifying than the white-tiled walls of Hoxton. And as she grows increasingly suspicious of Henry's intentions, her fascination with Cotton grows. Soon, Cotton is not just a notorious figure from the headlines, but an unlikely confidante, mentor—and perhaps accomplice—in Clara's struggle to protect her money, her freedom,

and her life.

From the Booker Prize-winning, bestselling author of *Midnight's Children* and *The Satanic Verses* comes nine stories that reveal the oceanic distances and the unexpected intimacies between East and West. Daring, extravagant, comical and humane, this book renews Rushdie's stature as a storyteller who can enthrall and instruct us with the same sentence. "Richly nuanced, full of humor, bitter anger, an embracing tenderness, and a buoyancy of language." —Boston Globe

A study guide for Salman Rushdie's "Haroun and the Sea of Stories" Catapult
The novel that set the stage for his modern

classic, *The Satanic Verses*, *Shame* is Salman Rushdie's phantasmagoric epic of an unnamed country that is "not quite Pakistan." In this dazzling tale of an ongoing duel between the families of two men—one a celebrated wager of war, the other a debauched lover of pleasure—Rushdie brilliantly portrays a world caught between honor and humiliation—"shamelessness, shame: the roots of violence." *Shame* is an astonishing story that grows more timely by the day.

Joining the ranks of such acclaimed accounts as *Manic*, *Brain on Fire*, and *Monkey Mind*, a deeply personal, funny, and

sometimes painful look at anxiety and its impact from writer and commentator Kat Kinsman. Feeling anxious? Can't sleep because your brain won't stop recycling thoughts? Unable to make a decision because you're too afraid you'll make the wrong one? You're not alone. In *Hi, Anxiety*, beloved food writer, editor, and commentator Kat Kinsman expands on the high profile pieces she wrote for CNN.com about depression, and its wicked cousin, anxiety. Taking us back to her adolescence, when she was diagnosed with depression at fourteen, Kat speaks eloquently with pathos and humor about her skin picking, hand flapping, "nervousness" that

made her the recipient of many a harsh taunt. With her mother also gripped by depression and health issues throughout her life, Kat came to live in a constant state of unease—that she would fail, that she would never find love . . . that she would end up just like her mother. Now, as a successful media personality, Kat still battles anxiety every day. That anxiety manifests in strange, and deeply personal ways. But as she found when she started to write about her struggles, Kat is not alone in feeling like the simple act of leaving the house, or getting a haircut can be crippling. And though periodic medication, counseling, a successful career and a

happy marriage have brought her relief, the illness, because that is what anxiety is, remains. Exploring how millions are affected anxiety, *Hi, Anxiety* is a clarion call for everyone—but especially women—struggling with this condition. Though she is a strong advocate for seeking medical intervention, Kinsman implores those suffering to come out of the shadows—to talk about their battle openly and honestly. With humor, bravery, and writing that brings bestsellers like Laurie Notaro and Jenny Lawson to mind, *Hi, Anxiety* tackles a difficult subject with amazing grace.

Haroun and the Sea of Stories Routledge
NAMED ONE OF THE
BEST BOOKS OF THE

YEAR BY San Francisco Chronicle • Newsweek/The Daily Beast • The Seattle Times • The Economist • Kansas City Star • BookPage On February 14, 1989, Valentine's Day, Salman Rushdie was telephoned by a BBC journalist and told that he had been "sentenced to death" by the Ayatollah Khomeini. For the first time he heard the word fatwa. His crime? To have written a novel called *The Satanic Verses*, which was accused of being "against Islam, the Prophet and the Quran." So begins the extraordinary story of how a writer was forced underground, moving from house to house, with the constant presence of an armed police protection team. He

was asked to choose an alias that the police could call him by. He thought of writers he loved and combinations of their names; then it came to him: Conrad and Chekhov—Joseph Anton. How do a writer and his family live with the threat of murder for more than nine years? How does he go on working? How does he fall in and out of love? How does despair shape his thoughts and actions, how and why does he stumble, how does he learn to fight back? In this remarkable memoir Rushdie tells that story for the first time; the story of one of the crucial battles, in our time, for freedom of speech. He talks about the sometimes grim, sometimes comic realities of living with

armed policemen, and of the close bonds he formed with his protectors; of his struggle for support and understanding from governments, intelligence chiefs, publishers, journalists, and fellow writers; and of how he regained his freedom. It is a book of exceptional frankness and honesty, compelling, provocative, moving, and of vital importance. Because what happened to Salman Rushdie was the first act of a drama that is still unfolding somewhere in the world every day. Praise for Joseph Anton “A harrowing, deeply felt and revealing document: an autobiographical mirror of the big, philosophical preoccupations that

have animated Mr. Rushdie's work throughout his career."—Michiko Kakutani, *The New York Times* "A splendid book, the finest . . . memoir to cross my desk in many a year."—Jonathan Yardley, *The Washington Post* "Thoughtful and astute . . . an important book."—USA Today "Compelling, affecting . . . demonstrates Mr. Rushdie's ability as a stylist and storyteller. . . . [He] reacted with great bravery and even heroism."—*The Wall Street Journal* "Gripping, moving and entertaining . . . nothing like it has ever been written."—*The Independent (UK)* "A thriller, an epic, a political essay, a love story, an ode to liberty."—*Le Point*

(France) "Action-packed . . . in a literary class by itself . . . Like Isherwood, Rushdie's eye is a camera lens—firmly placed in one perspective and never out of focus."—*Los Angeles Review of Books* "Unflinchingly honest . . . an engrossing, exciting, revealing and often shocking book."—*de Volkskrant (The Netherlands)* "One of the best memoirs you may ever read."—DNA (India) "Extraordinary . . . Joseph Anton beautifully modulates between . . . moments of accidental hilarity, and the higher purpose Rushdie saw in opposing—at all costs—any curtailment on a writer's freedom."—*The Boston Globe*

This prodigiously rich collection suggests that Raymond Carver was not only America's finest writer of short fiction, but also one of its most large-hearted and affecting poets. Like Carver's stories, the more than 300 poems in *All of Us* are marked by a keen attention to the physical world; an uncanny ability to compress vast feeling

into discreet moments; a voice of conversational intimacy, and an unstinting sympathy. This complete edition brings together all the poems of Carver's five previous books, from *Fires* to the posthumously published *No Heroics, Please*. It also contains bibliographical and textual notes on individual poems; a chronology of Carver's life and work; and a moving introduction by Carver's widow, the poet Tess Gallagher.

The Satanic Verses
Vintage

Salman Rushdie is perhaps the most important writer of the present time. His significant and controversial literary interventions in debates on post-colonial culture and contemporary South Asian Islam are matched by the contribution he has made to postmodern literature in the West (culminating in the award to him in 1993 of the twenty-fifth-anniversary Booker of Bookers prize). This collection of articles focuses on Rushdie's five novels. The context is set by the introduction, *The Politics of Salman Rushdie's Fiction*, which discusses the political stance of

Rushdie's fiction, the various influences on his work, and the textual strategies and techniques he employs, for political expression and cultural critique. The postmodern/post-colonial interface, the carnivalesque, and satire are major themes treated here and in the articles that follow, which also provide diverse other perspectives on Rushdie's thought and method. A number of essays have been commissioned specially for this volume. An appendix listing selected writings by Rushdie and articles on the Satanic Verses Affair is followed by a comprehensive bibliography annotating critical studies of Rushdie's work.

 Tim Supple's adaptations of Grimm Tales and More Grimm Tales have been universally acclaimed. With the help of David Tushingam, he has adapted Salman Rushdie's classic children's novel, *Haroun and the Sea of Stories* for the stage. Set in an exotic eastern landscape peopled by magicians and fantastic talking animals, Rushdie's novel inhabits the same imaginative space as *Gulliver's Travels*, *Alice in Wonderland* and *The Wizard of Oz*. Haroun sets out on an adventure to restore the poisoned source of the sea of stories. On the way he encounters many foes, intent on

draining the sea of all its storytelling powers. *Haroun and the Sea of Stories* Scholastic Inc. The publication in 1988 of Salman Rushdie's novel *The Satanic Verses* triggered a furor that pitted much of the Islamic world against the West over issues of blasphemy and freedom of expression. The controversy soon took on the aspect of a confrontation of civilizations, provoking powerful emotions on a global level. It involved censorship, protests, riots, a break in diplomatic relations, culminating in the notorious Iranian edict calling for the death of the novelist. In *The Rushdie Affair*, Daniel Pipes explains why the publication of *The Satanic Verses* became a cataclysmic event

with far-reaching political and social consequences. Pipes looks at the Rushdie affair in both its political and cultural aspects and shows in considerable detail what the fundamentalists perceived as so offensive in *The Satanic Verses* as against what Rushdie's novel actually said. Pipes explains how the book created a new crisis between Iran and the West at the time--disrupting international diplomacy, billions of dollars in trade, and prospects for the release of Western hostages in Lebanon. Pipes maps out the long-term implications of the crisis. If the Ayatollah so easily intimidated the West, can others do the same? Can

millions of fundamentalist Muslims now living in the United States and Europe possibly be assimilated into a culture so alien to them? Insightful and brilliantly written, this volume provides a full understanding of one of the most significant events in recent years. Koenraad Elst's postscript reviews the enduring impact of the Rushdie affair.

Saleem Peeradina is one of the most important Indian poets writing in the English language. In 'Final Cut',

his fifth collection, the poet's focus is turned towards the beauty that lies below the surface of the everyday; the extraordinary hiding in the ordinary. These poems are hymns of praise - to birds, to objects, to fruits and to our own human bodies, intently recounting the character and history of each. In time, items as mundane as a sparrow, a stapler or an orange take on the

appearance of wondrous gifts. These meditations are joined by monologues, the remarkable yet unremarkable stories of characters encountered by the poet in India, Michigan and beyond. This is the work of a master of language; a self-proclaimed 'participant-observer', set to delight a new generation of poetry readers with this enthralling collection.
