Fun with Grammar  
Penguin Longman  
Fully updated to help teachers deal with the new 2016 Grammar Tests, this second edition presents a collection of simple to use, multi-sensory games and activities that will jumpstart pupils' understanding of grammar in action It includes coverage of the subjunctive and past progressive, selecting which tense is the most definite, identifying when a word is used as a subordinating conjunction/preposition, explaining how a comma

can change meaning, and an increased emphasis on the passive. Jumpstart! Grammar will prepare children for any grammar tests on the horizon in an engaging way so that they love playing with words and spinning sentences to make ideas dance. And, of course, they will be able to name the parts if that is what is required. Fun games will focus first on helping children hear the difference various types of grammar can make followed by activities to help them understand what different effects you can create with grammar. Technical terms will only be introduced once the children have established what the various features can do, with a particular focus on those terms that

really help children discuss what makes language coherent and effective. This indispensable, practical book celebrates the joys of language and coherent expression; of finding just the right words or phrases to express what you want to say.

Longman

This second edition updates a course which has proven to be a perfect fit for classes the world over. The Teacher's Resource Book contains the content for Combos 1A and 1B in one volume. All unit numbers and page references correspond to the Combos. It contains extra photocopiable grammar and communication activities and full pages of teaching

tips and ideas specially written by methodology expert, Mario Rinvolucri. A Combo Testmaker Audio CD/CD-ROM which allows teachers to create and edit their own tests is also available separately, as is Classware for the full edition which integrates the Student's Book, class audio and video.

**Elementary Grammar Games** Allyn & Bacon English Grammar Guide and Practice covers all the essential grammatical concepts for a learner in English. Each unit is carefully planned and arranged for systematic learning for both native and non-native speakers of the English Language. The notes and explanations are precise and detailed, giving students a solid guidance in usage and understanding of the English Grammar. The exercises that follow the notes are comprehensive and useful for application and improvement.

**American English in Mind Level 1 Teacher's Edition** Cambridge University Press  
PLEASE NOTE - this is a replica of the print book and you will need paper and a pencil to complete the exercises. Puzzled by past tenses? Confused by comparatives? This clearly

structured and beautifully presented workbook includes grammar practice activities that make learning English grammar incredibly easy. The English for Everyone English Grammar Guide Practice Book is an essential companion to the English for Everyone English Grammar Guide, a comprehensive reference book that makes even the trickiest grammar rules clear and simple. The Practice Book mirrors the unit-by-unit structure of the Grammar Guide. Each Practice Book unit is full of carefully graded grammar exercises to drill and reinforce the grammar you have learned in the corresponding English Grammar Guide unit. These exercises will help you build up your confidence and become more fluent, giving you the chance to practise using the most important English grammar constructions again and again. Ideal for learners at all levels, and covering CEFR levels A1 to C1, the English for Everyone English Grammar Guide Practice Book presents basic (beginner), intermediate, and advanced English grammar in one easy-to-navigate book. Like all books in the innovative

English for Everyone series, it uses a visual learning method: many of the exercises are accompanied by attractive illustrations that put grammar practice points into context and give you visual cues to help you understand the exercises. Whether you want to improve your grammar for work, study, travel, or exams, the English for Everyone Grammar Guide Practice Book offers you a simple way to learn English grammar, remember it, and use it with confidence.

*Teaching and Learning English Grammar* Litres

Oral and Written English  
 OXFORD University Press  
 New York Times Bestseller  
 Named a Best Book of the Year by NPR, Wall Street Journal, Publishers Weekly, Kirkus Reviews, and Library Journal  
 "Hilarious...This book charmed my socks off."  
 —Patricia O’Conner, New York Times Book Review  
 Mary Norris has spent more than three decades working in The New Yorker’s renowned copy department, helping to maintain its celebrated high standards. In *Between You & Me*, she

brings her vast experience with grammar and usage, her good cheer and irreverence, and her finely sharpened pencils to help the rest of us in a boisterous language book as full of life as it is of practical advice.

*Get Going with Grammar*  
 Cambridge University Press

If you are a teacher of grades K-6, you might be asking, "Should I teach grammar in my class on a daily basis? How would I go about doing this? And how can I teach grammar so it isn't boring to my kids?" In *Grammar Matters*, Lynne Dofman and Diane Dougherty answer these questions and more. Using mentor texts as the cornerstone for how best to teach grammar, this book provides teachers with almost everything they need to get kids not only engaged but excited about learning grammar. Divided into four parts-- Narrative Writing, Informational Writing, Opinion Writing, and Grammar Conversations-- this hand reference provides practical teaching tips, assessment ideas, grammar definitions, and specific mentor texts to help students learn about parts

of speech, idioms, usage issues, and punctuation. Through "Your Turn Lessons," conversations, conferences, and drafting, revising, and editing exercises, students will learn not only specific concepts but also how to reflect upon and transfer what they have learned to other writing tasks, no matter the subject. The "Treasure Chest of Children's Books" provides an extensive list of both fiction and nonfiction books that fit naturally into grammar instruction. Eight appendices provide even more resources, including information on homophones, using mentor texts to teach grammar and conventions, checklists, comma rules, help for ELL students, and a glossary of grammar terms. Grammar Matters links instruction to the Common Core State Standards and features quality, classroom-tested tools that help teachers provide their students with the gifts of grammar and literacy.

**English for Everyone English Grammar Guide Practice Book** W. W. Norton & Company  
 "Unexpected emotional depth. . . . A thought-provoking read-aloud." —

Publishers Weekly (starred review) Nothing makes Sierra happy like soccer. Her shoes have flames as she spins the ball down the spread-out sea of grass. But nothing makes her sad like soccer, too, because the restaurant where her auntie works is busy on game days and she can't take time off to watch Sierra play. With honesty and subtlety, author Maribeth Boelts and illustrator Lauren Castillo portray an endearing character in a moving, uplifting story that touches on the divides children navigate every day — and remind us that everyone needs someone to cheer them on from the sidelines.

#### **Resources in Education**

Cambridge University Press  
 Before the days of Schoolhouse Rock's jingles like "Conjunction Junction," there was the playful primer "Grammar-Land," which has been teaching children (and adults in need of a refresher) the basic rules of English grammar since its first publication in 1878. In the allegorical world of Grammar-Land, the nine parts of speech—rich Mr. Noun, his useful friend Pronoun, little ragged Article,

talkative Adjective, busy Dr. Verb and Adverb, perky Preposition, convenient Conjunction, and irksome Interjection—are brought to trial by Judge Grammar to settle disputes over the rules of language. Each part of speech is called in turn to take the stand, where they are questioned by Doctor Syntax and Sergeant Parsing. In the course of the amusing trial, the reader, perhaps without even realizing it, is exposed to the most important rules of grammar.

#### Between You & Me: Confessions of a Comma Queen Random House

This book is intended to help you, as a teacher of English as a Foreign language (EFL), to teach common verb tenses and patterns more efficiently and clearly. Some of the material in the book may surprise you. To begin with, the explanations and commentary may seem self-evident, or the phonetic realisations may seem unnecessary. If this is so, please try to bear with me. The material in the book is designed to be of help to several groups: the experienced native speaker seeking a possible new approach to add to his armoury, the

novice teacher, who speaks English with native speaker intuition, but has not yet fully analysed what it is that she does know, or why she says what she says, and also the non-native E F L teacher abroad, who speaks English excellently, and yet wishes to understand the subtler differences in usage and idiom which the native speaker takes for granted. Rosemary Aitken

### **ESL GAMES. FOR TEACHING ONLINE**

Routledge

American English in Mind is an integrated, four-skills course for beginner to advanced teenage learners of American English. Practical quizzes and answers—Prepare students for real-world grammar usage with helpful quizzes and an easy-to-navigate answer key. Make learning the fundamental concepts of grammar easy and

organized.

English Grammar: Common Mistakes to Avoid Volume I McGraw Hill Professional

A few years ago, a magazine sponsored a contest for the comment most likely to end a conversation. The winning entry? "I teach English grammar." Just throw that line out at a party; everyone around you will clam up or start saying "whom." Why does grammar make everyone so nervous? Probably because English teachers, for decades - no, for centuries - have been making a big deal out of grammar in classrooms, diagramming sentences and drilling the parts of speech, clauses, and verbals into students until they beg for mercy. Happily, you don't have to learn all those technical terms of English grammar - and you certainly don't have to diagram sentences - in order to speak and write correct English. So rest assured - English Grammar For Dummies will probably never make your English teacher's top-ten list of must-read books, because you won't have to diagram a single sentence. What you will discover are fun and easy strategies that can help

you when you're faced with such grammatical dilemmas as the choice between "I" and "me," "had gone" and "went," and "who" and "whom." With *English Grammar For Dummies*, you won't have to memorize a long list of meaningless rules (well, maybe a couple in the punctuation chapter!), because when you understand the reason for a particular word choice, you'll pick the correct word automatically. *English Grammar For Dummies* covers many other topics as well, such as the following: Verbs, adjectives, and adverbs – oh my! Preposition propositions and pronoun pronouncements Punctuation: The lowdown on periods, commas, colons, and all those other squiggly marks Possession: It's nine-tenths of grammatical law Avoiding those double negative vibes How to spice up really boring sentences (like this one) Top Ten lists on improving your proofreading skills and ways to learn better grammar Just think how improving your speaking and writing skills will help you in everyday situations, such as writing a paper for school, giving a presentation to your company's big wigs, or

communicating effectively with your family. You will not only gain the confidence in knowing you're speaking or writing well, but you'll also make a good impression on those around you!

**ESL MAGIC GAMES. FOR KINDERGARTEN** Intrinsic Books Ltd
