Murder mystery, family saga, love story, and financial intrigue combine into one satisfyingly complex and entertainingly atmospheric novel, the first in Stieg Larsson's thrilling Millenium series featuring Lisbeth Salander. "Combine the chilly Swedish backdrop and moody psychodrama of a Bergman movie with the grisly pyrotechnics of a serial-killer thriller, then add an angry punk heroine and a down-on-his-luck investigative journalist, and you have the ingredients of Stieg Larsson's first novel." —The New York Times Harriet Vanger, a scion of one of Sweden's wealthiest families disappeared over forty years ago. All these years later, her aged uncle continues to seek the truth. He hires Mikael Blomkvist, a crusading journalist recently trapped by a libel conviction, to investigate. He is aided by the pierced and tattooed punk prodigy Lisbeth Salander. Together they tap into a vein of unfathomable iniquity and astonishing corruption.

Barcelona, 1945: A city slowly heals in the aftermath of the Spanish Civil War. Daniel, an antiquarian book dealer's son who mourns the loss of his mother, finds solace in what he finds in the "cemetery of lost books," a mysterious book entitled The Shadow of the Wind, by one Julián Carax. But when he sets out to find the author's other works, he makes a shocking discovery: someone has been systematically destroying every copy of every book Carax has written. In fact, Daniel may have the last of Carax's books in existence. Soon Daniel's seemingly innocent quest opens a door into one of Barcelona's darkest secrets—an epic story of murder, madness, and doomed love.*

*Kingdom Man* Courier Corporation  
THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two

years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

*Victory in Spiritual Warfare* Penguin  
Los hombres admiran a quienes reciben golpes y siguen adelante. Respetamos al boxeador que se levanta de la lona tras un golpe demoledor, y aguanta hasta el último asalto. La resistencia física es admirable, pero para ser los hombres que Dios quiere que seamos hace falta algo más que valor, sobre todo cuando nos enfrentamos a luchas personales que nos tocan de cerca. El sufrimiento emocional y los fracasos espirituales son muy distintos a los problemas físicos. Muchos de nosotros, varones, no nos sentimos cómodos con ellos, o no estamos preparados para afrontarlos. Tony Evans nos ofrece el consejo y la inspiración que necesitamos para seguir avanzando en medio de las circunstancias más difíciles. Basándose en las vidas de Moisés, David, José, Jonás y otros hombres de la Biblia que se enfrentaron a lo peor, Evans arranca a los hombres de su fracaso y declara "¡Basta ya!". Basta ya de no ser el

hombre que Dios quiere que sea. No hay excusa que valga. Evans nos demuestra que las luchas a las que nos enfrentamos ayer y hoy son precisamente los instrumentos que Dios emplea para hacernos mejores hombres para el mañana. Men look up to the guys who can take a hit and keep going. We respect the fighter who picks himself up off the canvas after a knock-out punch and hangs in until the final bell. The quarterback who gets blindsided but doesn't fumble the ball earns our approval. Physical toughness like this is admirable, but it takes more than guts to become the men God made us to be, especially when the struggles we face are personal and close to the heart. The difficulty of emotional pain and spiritual setbacks is of a much different sort than any physical challenge. Many of us men are not comfortable or well-equipped to grapple with them. Tony Evans gives us the kind of advice and inspiration we need to battle on through the most difficult circumstances. Drawing from the lives of Moses, David, Joseph, Jonah, and other biblical men who faced the worst, Evans pulls men out of their brokenness and declares, "No more!" No more falling short of being the man God desires you to be for any reason. Evans shows that the struggles faced yesterday and today are the very same tools God is using to make us better men for tomorrow.

The first rule about fight club is you don't talk about fight club. Chuck Palahniuk showed himself to be his generation's most visionary satirist in this, his first book. Fight Club's estranged narrator leaves his lackluster job when he comes under the thrall of Tyler Durden, an enigmatic young man who holds secret after-hours boxing matches in the basements of bars. There, two men fight "as long as they have to." This is a gloriously original work that exposes the darkness at the core of our modern world.

Eighteen-year-old, Bronwyn Littleton is in love with a stranger she met on a summer night a year ago. A stranger who was tall and broad in a way that made her feel safe. He had dark blue eyes that she can't stop drawing in her sketch book. And he had a deep, soothing voice that she can't stop hearing in her dreams. That's all she knows about him though. Until she runs into him again. At St. Mary's School for Troubled Teenagers – an all girls reform school – where she's trapped because of a little crime she committed in the name of

her art. Now she knows that her dream man has a name: Conrad Thorne. She knows that his eyes are way bluer and way more beautiful than she thought. And that his face is an artist's wonderland. But she also knows that Conrad is her best friend's older brother. Which means he's completely off-limits. Not to mention, he's the new soccer coach, which makes him off-limits times two. What makes him off-limits times three however, and this whole scenario an epic tragedy, is that, Conrad, Wyn's dream man, has a dream girl of his own. And he's as much in love with his dream girl as Wyn is in love with him...

This celebrated masterpiece is Oscar Wilde's only novel. A mesmerizing tale of horror and suspense, it has endured due to its artful prose and the philosophical questions it raises, as well as the scandal it caused upon its initial publication in 1890. Written in his distinctively dazzling manner and combining aspects of a Gothic horror novel and decadent French fiction, Wilde forges a devastating account of the effects of evil and depravity on a fashionable young man in late 19th century England who sells his soul in exchange for eternal youth and beauty. A concept that Wilde derived from the German legend of Faust, Gray is the subject of a portrait by painter Basil Hallward who deems his subject's beauty to be inconceivably great. Rather than

having to age himself, an egotistical Dorian wishes for the painting to age instead of him so that he can retain his youthful good looks. Gray plunges into a life of vice and debauchery with its sole aim being pleasure. His body retains perfect youth and vigor while the portrait changes day by day into a ghastly chronicle of evil, documenting each of his sins with its appearance, which he must keep hidden from the world. This spellbinding novel tale that warns its readers of the dangers that come with narcissism, self-indulgence, and ignorance still ranks as one of Wilde's most important works. Of Gray's relationship to him, Wilde noted "Basil Hallward is what I think I am: Lord Henry what the world thinks me: Dorian what I would like to be—in other ages, perhaps."

The story of David's "mighty men" (primarily found in 2 Samuel 23) drives this challenging and encouraging book for Christian men. The mighty men weren't drafted into David's army because of their impressive resumes. They were broken men who, given an opportunity to achieve greatness, responded like champions. In *Six Battles Every Man Must Win*, popular author and speaker Bill Perkins uses the story to illustrate the six battles David's men fought, and men today must win, to become powerful and effective warriors in God's kingdom.

"A kingdom man is the kind of man that when his feet hit the floor each morning the devil says, 'Oh crap, he's up!'" So begins this powerful volume from Dr. Tony Evans, now in softcover. Tony believes that God wants every man to be a world-changer. He skillfully takes readers along a journey through the principles of biblical manhood, exploring how those who live, work, and minister around a kingdom man benefit from his leadership and care. Men will be challenged to fully understand their

position under God as well as their position over what God has given them. Equipped with these concepts, they can actively pursue ways to maximize and develop the character qualities of biblical manhood in their lives. As Tony contends, the enemy doesn't want you to know it, but you're not the man you think you are. You're a whole lot more. Starting now, you can be a kingdom man.
