The Last Time I Lied Flatiron Books

Craig Beck was a successful and functioning professional man in spite of a 'two bottles of wine a night' drinking habit. For 20 years, he struggled with problem drinking, all the time refusing to label himself an alcoholic because he did not think he met the stereotypical image that the word portrayed. Discover why all 'will-power' based attempts to stop drinking will fail (exactly as they are destined to do). Slowly Craig discovered the truth about alcohol addiction, and one by one, all the lies he had previously believed started to fall apart. For the first time, he noticed that he genuinely did not want to drink anymore. In this book, he will lead you through the same remarkable process. No need to declare yourself an alcoholic. A permanent cure, not a lifetime struggle. No group meetings or expensive rehab. No humiliation, no pain and 100% no 'will-power' required. Treats the source of the problem, not the symptoms.

The Crucible Penguin

A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

The Lying King Youcanprint

#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME
The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. "The kind of book that can be life-changing." —The New York Times "Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank." —USA Today
DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.

How the Republican Party Became Donald Trump Little, Brown

Can warthogs fly? Do tigers eat broccoli? For answers, follow along as Warthog lies his way to the throne in this timeless, yet most timely, Tale from the Watering Hole. Will the Truth catch up with the king? Find out as Alex Beard's whimsical animals come to life to illuminate real world truths for children of all ages. The Lying Life of Adults Simon and Schuster

Three former CIA officers share their techniques for lie detection, outlining methods for identifying deceptiveness as revealed by verbal and non-verbal behaviors from facial expressions and grooming gestures to invoking religion and using qualifying language.

Breakthrough Strategies to Quickly End Any Conflict, Feud, or Estrangement Greenleaf Book Group
Malcolm Gladwell, host of the podcast Revisionist History and author of the #1 New York Times bestseller *Outliers*, offers a powerful examination of our interactions with strangers and why they often go wrong—now with a new afterword by the author. A Best Book of the Year: The Financial Times, Bloomberg, Chicago Tribune, and Detroit Free Press How did Fidel Castro fool the CIA for a generation? Why did Neville Chamberlain think he could trust Adolf Hitler? Why are campus sexual assaults on the rise? Do television sitcoms teach us something about the way we relate to one

another that isn't true? Talking to Strangers is a classically Gladwellian intellectual adventure, a challenging and controversial excursion through history, psychology, and scandals taken straight from the news. He revisits the deceptions of Bernie Madoff, the trial of Amanda Knox, the suicide of Sylvia Plath, the Jerry Sandusky pedophilia scandal at Penn State University, and the death of Sandra Bland—throwing our understanding of these and other stories into doubt. Something is very wrong, Gladwell argues, with the tools and strategies we use to make sense of people we don't know. And because we don't know how to talk to strangers, we are inviting conflict and misunderstanding in ways that have a profound effect on our lives and our world. In his first book since his #1 bestseller *David and Goliath*, Malcolm Gladwell has written a gripping guidebook for troubled times.

Where the Heart Is W. W. Norton & Company

It seemed like a dream. The world had exploded... Summer's ending, Evie's step-father is finally home from the Second World War, and Evie is sick of her glamorous mother treating her like a little girl. Then a mysterious stranger appears: a handsome ex-GI who served in combat with Evie's step-father. Slowly, Evie realizes that she is falling in love with him. But he has dark secrets, and a strange control over her parents. When he is found dead, Evie's world is shattered. Torn between her family and the man she loved, Evie must betray someone. But who? "Gripping ... beautifully paced and told" *The Times* "You'll be holding your breath as you turn every page" *News of the World* *Proven Techniques to Reshape Anyone's Attitude, Behavior, Feelings, Or Beliefs* Grand Central Publishing

I Never Lied to You (well, almost) is a feel-good romantic comedy about one nerdy misfit and his creative sister who are trying to find love, sense and each other using their own peculiar ways. With unexpected twists and lots of laughs, this story is a truly hilarious joyride. One confused adult nerd His cheeky zany sister Their toxic grandma The pushy ex-girlfriend A mysterious woman that cannot be found . . . and their totally hilarious story about love, astrology, cheating and one tiny box placed under a coconut tree. Peter is a highly intelligent man who knows his priorities and has plans for everything. Or how his sister Barbara would put it "a nerdy skeptical control freak with android tendencies". When his girlfriend leaves him accusing him of being too stiff and dull, Peter accepts Barbara's challenge - to be guided for 30 days by her astrologer's "cosmic wisdom". Determined to prove each other wrong, no matter how crazy the things will get, they discover that not everything is what it seems, including themselves and their close ones. Reviews for *I Never Lied to You* (well, almost): "I loved it! It's modern, fun, naughty, poignant, and a magnificent snapshot of real life. It's zany, fast-paced yet gentle and emotional when it's needed. Absolutely fantastic!" "I truly enjoyed it. A surprising jewel that made me laugh out loud through the whole book!" "Brilliant! Quirky, warm, and really hilarious. I certainly didn't guess the twists in the story before they happened! Loved it!" A novel *I Never Lied to You* (Well almost) was previously published as : *Behind the Stars*

Never Be Lied To Again Macmillan

Pinocchio, the Tale of a Puppet Red Wheel Weiser

Soon to be an original series on Hulu! "A twisted modern love story" (*Parade*), *Tell Me Lies* is a sexy, thrilling novel about that one person who still haunts you—the other one. The wrong one. The one you couldn't let go of. The one you'll never forget. Lucy Albright is far from her Long Island upbringing when she arrives on the campus of her small California college and happy to be hundreds of miles from her mother—whom she's never forgiven for an act of betrayal in her early teen years. Quickly grasping at her fresh start, Lucy embraces college life and all it has to offer. And then she meets Stephen DeMarco. Charming. Attractive. Complicated. Devastating. Confident and cocksure, Stephen sees something in Lucy that no one else has, and she's quickly seduced by this vision of herself, and the sense of possibility that his attention brings her. Meanwhile, Stephen is determined to forget an incident buried in his past that, if exposed, could ruin him, and his single-minded drive for success extends to winning, and keeping, Lucy's heart. Lucy knows there's something about Stephen that isn't to be trusted. Stephen knows Lucy can't tear herself away. And their addicting entanglement will have consequences they never could have imagined. Alternating between Lucy's and Stephen's voices, *Tell Me Lies* follows their connection through college and post-college life in New York City. "Readers will be enraptured" (*Booklist*) by the "unforgettable beauties in this very sexy story" (*Kirkus Review*). With the psychological insight and biting wit of *Luckiest Girl Alive*, and the yearning ambitions and desires of *Sweetbitter*, this keenly intelligent and supremely resonant novel chronicles the exhilaration and dilemmas of young adulthood and the difficulty of letting go—even when you know you should.

A Novel Henry Holt and Company

Never Get Angry Again is New York Times and internationally bestselling author David J. Lieberman's comprehensive, holistic look at the underlying emotional, physical, and spiritual causes of anger, and a practical guide to what the reader can do to gain perspective. David J. Lieberman understands that a change in perspective is all that is needed to help keep from flying off the handle. In *Never Get Angry Again*, he reveals how to see anger through a comprehensive, holistic lens, illuminates the underlying emotional, spiritual, and physical components of anger, and gives the readers simple, practical tools to snuff out anger before it even occurs. Take a deep breath and count to ten. Meditate. Visualize your happy place. You've probably heard all of these anger management techniques and more from friends, family, and experts, but somehow they miss the mark when it comes to coping with the complex emotion of anger. Let's face it: if anger-management techniques were effective, you wouldn't be reading this book. These clumsy attempts to maintain calmness are usually futile and sometimes emotionally draining. The fact is, either something bothers us (causing anxiety, frustration, or anger), or it doesn't. A state of calm is better accomplished by not becoming agitated in the first place. When we fight the urge to blow up or melt down, we fight against our own nature.

I Never Lied to You (Well, Almost) Scholastic UK

Gudenkauf proves herself the master of the smart, suspenseful small-town thriller that gets right under your skin." —Gilly Macmillan, New York Times bestselling author of *The Nanny* Everyone has a secret they'll do anything to hide... Twenty-five years ago, the body of sixteen-year-old Eve Knox was found in the caves near her home in small-town Grotto, Iowa—discovered by her best friend, Maggie, and her sister, Nola. There were a handful of suspects, including her boyfriend, Nick, but

without sufficient evidence the case ultimately went cold. For decades Maggie was haunted by Eve's death and that horrible night. Now a detective in Grotto, and seven months pregnant, she is thrust back into the past when a new piece of evidence surfaces and the case is reopened. As Maggie investigates and reexamines the clues, secrets about what really happened begin to emerge. But someone in town knows more than they're letting on, and they'll stop at nothing to keep the truth buried deep. And don't miss Heather's latest book, AN OVERNIGHT GUEST! You'll be chilled and riveted from start to finish with this story of an unexpected visitor and a deadly snowstorm! Check out these other riveting novels of suspense by bestselling author Heather Gudenkauf: The Weight of Silence These Things Hidden One Breath Away Little Mercies Missing Pieces Not a Sound Before She Was Found

Get Anyone to Do Anything St. Martin's Press

"I speak the truth, not so much as I would, but as much as I dare...."-- Montaigne "All cruel people describe themselves as paragons of frankness." -- Tennessee Williams Truth and deception--like good and evil--have long been viewed as diametrically opposed and unreconcilable. Yet, few people can honestly claim they never lie. In fact, deception is practiced habitually in day-to-day life--from the polite compliment that doesn't accurately relay one's true feelings, to self-deception about one's own motivations. What fuels the need for people to intricately construct lies and illusions about their own lives? If deceptions are unconscious, does it mean that we are not responsible for their consequences? Why does self-deception or the need for illusion make us feel uncomfortable? Taking into account the sheer ubiquity and ordinariness of deception, this interdisciplinary work moves away from the cut-and-dried notion of duplicity as evil and illuminates the ways in which deception can also be understood as a adaptive response to the demands of living with others. The book articulates the boundaries between unethical and adaptive deception demonstrating how some lies serve socially approved goals, while others provoke distrust and condemnation. Throughout, the volume focuses on the range of emotions--from feelings of shame, fear, or envy, to those of concern and compassion--that motivate our desire to deceive ourselves and others. Providing an interdisciplinary exploration of the widespread phenomenon of lying and deception, this volume promotes a more fully integrated understanding of how people function in their everyday lives. Case illustrations, humor and wit, concrete examples, and even a mock television sitcom script bring the ideas to life for clinical practitioners, behavioral scientists, and philosophers, and for students in these realms.

A Novel Penguin

Never Simple Knopf Books for Young Readers

Talk about unlucky sevens. An hour ago, seventeen-year-old, seven months pregnant Novalee Nation was heading for California with her boyfriend. Now she finds herself stranded at a Wal-Mart in Sequoyah, Oklahoma, with just \$7.77 in change. But Novalee is about to discover hidden treasures in this small Southwest town--a group of down-to-earth, deeply caring people willing to help a homeless, jobless girl living secretly in a Wal-Mart. From Bible-thumping blue-haired Sister Thelma Husband to eccentric librarian Forney Hull who loves Novalee more than she loves herself, they are about to take her--and you, too--on a moving, funny, and unforgettable journey to . . . Where the Heart Is.

A Novel St. Martin's Press

Al Franken, one of America's savviest satirists has been studying the rhetoric of the Right. He has listened to their cries of 'slander', 'bias' and even 'treason'. He has examined the Bush administration's policies of squandering our surplus, ravaging the environment, and alienating the rest of the world. He's even watched Fox News. A lot. And in this fair and balanced report, Al bravely exposes them all for what they are: liars. Lying, lying, liars.

Make Peace With Anyone Delacorte Press

A bestselling modern classic—both poignant and funny—about a boy with autism who sets out to solve the murder of a neighbor's dog and discovers unexpected truths about himself and the world. Nominated as one of America's best-loved novels by PBS's The Great American Read Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. He relates well to animals but has no understanding of human emotions. He cannot stand to be touched. And he detests the color yellow. This improbable story of Christopher's quest to investigate the suspicious death of a neighborhood dog makes for one of the most captivating, unusual, and widely heralded novels in recent years.

Never Be Lied to Again Guilford Press

Tet, 1968. That was the Vietnam War's D Day, Battle of the Bulge, Iwo Jima, Crossing of the Rhine. In a series of battles in all parts of the country, condensed mostly in a three day span - although a few fights (Khe Sanh, Hue City) lasted longer - the Viet Cong were effectively destroyed as a fighting entity, and the North Vietnamese Army was severely damaged. Tet, 1968 was also when the United States lost the Vietnam War. In THE SQUAD one fourteen man US Marine Corps rifle squad led by Sergeant George Bingham is in a routine ambush outside a remote fire base in northern I Corps, close to the Demilitarized Zone between North and South Vietnam. This is the night before a scheduled cease fire for the Tet holiday; they don't expect any problems. When their fire base is unexpectedly hit by a superior force of North Vietnamese, the squad loses communication, and the Marines on the fire base are driven back. Unfortunately, the loss of communications means the squad doesn't get the word to pull out of their ambush and rejoin the rest of their company for the withdrawal. Their failure to rejoin their company leaves the other Marines thinking they were found and wiped out by the North Vietnamese. Morning finds the fourteen Marines not dead or even wounded, but alone deep behind North Vietnamese lines. Without knowing what's going on, or where friendly units are, Sergeant Bingham and his Marines must find a way to evade contact with

the thousands of enemy soldiers, and reconnect with other Marines. Complicating matters, they started out with only enough supplies on the ambush to last overnight. Who are these Marines? How do they relate to each other? In order to tell their story properly, LtCol R. W. Thoreau, the fictional narrator whose After Action Reports and historical analysis are spread throughout the novel, begins

the story on March 9, 1965, the day Bingham learns of the Marine landing at Da Nang, which was the beginning of the American ground war in Vietnam. Bingham drops out of college at the end of the term and enlists in the Marines. The members of this squad, as is the case in all squads, have strong friendships - as well as conflicts among the Marines.
