CALLAHAN SELINA

Collywobbles Berrett-Koehler Publishers
Better Together FDR and Eleanor. Mick and Keith. Jobs and Woz. There are countless examples of introvert-extrovert partnerships who make brilliant products, create great works of art, and even change history together. But these partnerships don't just happen. They demand wise nurturing. The key, says bestselling author Jennifer Kahnweiler, is for opposites to stop emphasizing their differences and use approaches that focus them both on moving toward results. Kahnweiler's first-of-its-kind practical five-step process helps introverts and extroverts understand and appreciate each other's wiring, use conflicts to spur creativity, enrich their own skills by learning from the other, and see and act on things neither would have separately. Kahnweiler shows how to perform the delicate balancing act required to create a whole that is exponentially greater than the sum of its parts.

Blind Spots Penguin

A member of the world renowned Program on Negotiation at Harvard Law School introduces the powerful next-generation approach to negotiation. A member of the world-renowned Program on Negotiation at Harvard Law School introduces the powerful next-generation approach to negotiation. For many years, two approaches to negotiation have prevailed: the "win-win" method exemplified in *Getting to Yes* by Roger Fisher, William Ury, and Bruce Patton; and the hard-bargaining style of Herb Cohen's *You Can Negotiate Anything*. Now award-winning Harvard Business School professor Michael Wheeler provides a dynamic alternative to one-size-fits-all strategies that don't match real world realities. *The Art of Negotiation* shows how master negotiators thrive in the face of chaos and uncertainty. They don't trap themselves with rigid plans. Instead they understand negotiation as a process of exploration that demands ongoing learning, adapting, and influencing. Their agility enables them to reach agreement when others would be stalemated. Michael Wheeler illuminates the improvisational nature of negotiation, drawing on his own research and his work with Program on Negotiation colleagues. He explains how the best practices of diplomats such as George J. Mitchell, dealmaker Bruce Wasserstein, and Hollywood producer Jerry Weintraub apply to everyday transactions like selling a house, buying a car, or landing a new contract. Wheeler also draws lessons on agility and creativity from fields like jazz, sports, theater, and even military science.

HBR's 10 Must Reads on Negotiation (with bonus article "15 Rules for Negotiating a Job Offer" by Deepak Malhotra) Harvard University Press

Negotiation GeniusBantam

Negotiation Genius Harvard Business Press

When discussing being stuck in a "win-win vs. win-lose" debate, most negotiation books focus on face-to-face tactics. Yet, table

tactics are only the "first dimension" of David A. Lax and James K. Sebenius' pathbreaking 3-D Negotiation (TM) approach, developed from their decades of doing deals and analyzing great dealmakers. Moves in their "second dimension"—deal design—systematically unlock economic and noneconomic value by creatively structuring agreements. But what sets the 3-D approach apart is its "third dimension": setup. Before showing up at a bargaining session, 3-D Negotiators ensure that the right parties have been approached, in the right sequence, to address the right interests, under the right expectations, and facing the right consequences of walking away if there is no deal. This new arsenal of moves away from the table often has the greatest impact on the negotiated outcome. Packed with practical steps and cases, 3-D Negotiation demonstrates how superior setup moves plus insightful deal designs can enable you to reach remarkable agreements at the table, unattainable by standard tactics.

The Truth about Negotiations Must Read Summaries

Everybody negotiates at various points every day, be it in life or business, and it's important to get it right. On average, people leave about 20% of potential mutual gains untapped in any negotiation. This is akin to taking 20% of the value in any deal and dumping it into a garbage canister. Finding that hidden 20%, the "sweet spot," is a skill that takes practice but is also one that anybody can learn. Leigh Thompson offers best practices and tools within this book to use in daily negotiations and conflict situations. She calls these strategies "hacks" because they work but don't require a lot of investment, training, expense, and time. You don't have to be a CEO, senior VP, or regional brand manager to learn how to find the sweet spot in life's negotiations. In *Negotiating the Sweet Spot*, benefits include learning the following: Understanding where the sweet spot is in the deals you negotiate Adopting a big-picture mind-set when approaching any negotiation Seeing negotiations less as win-lose battles and more as opportunities to use problem-solving skills Utilizing a tool kit of "hacks" that will work in any negotiation and have been proven effective by a top expert in the field *Negotiating the Sweet Spot* walks people of all skill and experience levels through simple and proven techniques that are sure to result in better outcomes for all parties and that uncover the hidden value that exists in any negotiation.

Better, Not Perfect Bantam

Real world negotiation examples and strategies from one of the most highly respected authorities in the field This unique book can help you change your approach to negotiation by learning key strategies and techniques from actual cases. Through hard to find real world examples you will learn exactly how to effectively and productively negotiate. *The Book of Real World Negotiations: Successful Strategies from Business, Government and Daily Life* shines a light on real world negotiation examples and cases, rather than discussing hypothetical scenarios. It reveals what is possible through preparation, persistence, creativity, and taking a strategic approach to your negotiations. Many of us enter negotiations with skepticism and without understanding how to truly negotiate well. Because we lack knowledge and confidence, we may abandon the negotiating process prematurely or agree to deals that leave value on the table. *The Book of Real World Negotiations* will change that once and for all by immersing you in these real world scenarios. As a result, you'll be better able to grasp the true power of negotiation to deal with some of the most difficult problems you face or to put together the best deals possible. This book also shares critical insights and lessons for instructors and students of negotiation, especially since negotiation is now being taught in virtually all law schools, many business schools, and in the field of conflict resolution. Whether

you're a student, instructor, or anyone who wants to negotiate successfully, you'll be able to carefully examine real world negotiation situations that will show you how to achieve your objectives in the most challenging of circumstances. The cases are organized by realms—domestic business cases, international business cases, governmental cases and cases that occur in daily life. From these cases you will learn more about: Exactly how to achieve Win-Win outcomes The critical role of underlying interests The kind of thinking that goes into generating creative options How to consider your and the other negotiator's Best Alternative to a Negotiated Agreement (BATNA) Negotiating successfully in the face of power Achieving success when negotiating cross-culturally Once you come to understand through these cases that negotiation is the art of the possible, you'll stop saying "a solution is impossible." With the knowledge and self-assurance you gain from this book, you'll roll up your sleeves and keep negotiating until you reach a mutually satisfactory outcome!

The Kremlin School of Negotiation HarperCollins

From the authors of *Women Don't Ask*, the groundbreaking book that revealed just how much women lose when they avoid negotiation, here is the action plan that women all over the country requested—a guide to negotiating anything effectively using strategies that feel comfortable to you as a woman. Whether it's a raise, that overdue promotion, an exciting new assignment, or even extra help around the house, this four-phase program, backed by years of research and practical success, will show you how to recognize how much more you really deserve, maximize your bargaining power, develop the best strategy for your situation, and manage the reactions and emotions that may arise—on both sides. Guided step-by-step, you'll learn how to draw on your special strengths to reach agreements that benefit everyone involved. This collaborative, problem-solving approach will propel you to new places both professionally and personally—and open doors you thought were closed.

Everything is Negotiable HarperCollins

Negotiations are challenging and sometimes scary. You prepare and know what you want, but then things go terribly wrong. Your emotions get in the way. Sometimes you don't even try, or lose your way and fail to achieve your objectives. This book helps you get out of your own way, manage your emotions, and negotiate effectively.

Beyond Reason Bantam

"Written in the same remarkable vein as *Getting to Yes*, this book is a masterpiece." —Dr. Steven R. Covey, author of *The 7 Habits of Highly Effective People* • Winner of the Outstanding Book Award for Excellence in Conflict Resolution from the International Institute for Conflict Prevention and Resolution • In *Getting to Yes*, renowned educator and negotiator Roger Fisher presented a universally applicable method for effectively negotiating personal and professional disputes. Building on his work as director of the Harvard Negotiation Project, Fisher now teams with Harvard psychologist Daniel Shapiro, an expert on the emotional dimension of negotiation and author of *Negotiating the Nonnegotiable: How to Resolve Your Most Emotionally Charged Conflicts*. In *Beyond Reason*, Fisher and Shapiro show readers how to use emotions to turn a disagreement—big or small, professional or personal—into an opportunity for mutual gain. *Bargaining for Advantage* Random House (UK)

In *Negotiating Rationally*, Max Bazerman and Margaret Neale explain how to avoid the pitfalls of irrationality and gain the upper hand in negotiations. For example, managers tend to be overconfident, to recklessly escalate previous commitments, and fail to consider the tactics of the other party. Drawing on their research, the authors show how we are prisoners of our own

assumptions. They identify strategies to avoid these pitfalls in negotiating by concentrating on opponents' behavior and developing the ability to recognize individual limitations and biases. They explain how to think rationally about the choice of reaching an agreement versus reaching an impasse. A must read for business professionals.

Negotiating Rationally Berrett-Koehler Publishers

Negotiating is something that we all do, whether at work or at home. But what if we come across someone who just won't give in? How can we defend ourselves against manipulation? And how do we say 'no' without compromising a deal? Legend has it that the Kremlin school of negotiation was born in Russia in the 1920s, under the rule of Joseph Stalin, and it still has its followers and advocates to this day. Using the official Kremlin method and years of business experience, Igor Ryzov guides us through the most effective techniques in negotiating terms that satisfy both parties. From knowing how to get the most information about a potential deal, to how to read your counterpart, and advice on defusing tension, this comprehensive handbook ensures a mutually acceptable resolution that leaves you walking away successful. With practical examples, and exercises to hone your negotiating skills, The Kremlin School of Negotiation will offer the tools you need to master any deal.

Summary: Negotiation Genius John Wiley & Sons

Learn to be a better negotiator--and achieve the outcomes you want. If you read nothing else on how to negotiate successfully, read these 10 articles. We've combed through hundreds of Harvard Business Review articles and selected the most important ones to help you avoid common mistakes, find hidden opportunities, and win the best deals possible. This book will inspire you to: Control the negotiation before you enter the room Persuade others to do what you want--for their own reasons Manage emotions on both sides of the table Understand the rules of negotiating across cultures Set the stage for a healthy relationship long after the ink has dried Identify what you can live with and when to walk away This collection of articles includes: "Six Habits of Merely Effective Negotiators" by James K. Sebenius; "Control the Negotiation Before It Begins" by Deepak Malhotra; "Emotion and the Art of Negotiation" by Alison Wood Brooks; "Breakthrough Bargaining" by Deborah M. Kolb and Judith Williams; "15 Rules for Negotiating a Job Offer" by Deepak Malhotra; "Getting to Si, Ja, Oui, Hai, and Da" by Erin Meyer; "Negotiating Without a Net: A Conversation with the NYPD's Dominick J. Misino" by Diane L. Coutu; "Deal Making 2.0: A Guide to Complex Negotiations" by David A. Lax and James K. Sebenius; "How to Make the Other Side Play Fair" by Max H. Bazerman and Daniel Kahneman; "Getting Past Yes: Negotiating as if Implementation Mattered" by Danny Ertel; "When to Walk Away from a Deal" by Geoffrey Cullinan, Jean-Marc Le Roux, and Rolf-Magnus Weddigen.

Getting Past No Currency

Negotiation without fear, for everyone, everywhere Nicknamed "the negotiator" as a child, Fotini Iconomopoulos has been honing her skills her entire life. As a sought-after expert, for more than a decade she's been empowering Fortune 500 executives and their teams to achieve their objectives, guiding them through high-stakes scenarios in industries such as consumer packaged goods, retail, professional services, energy, telecommunications, tech and finance. Now for the first time, Iconomopoulos shares her simple and innovative strategies, debunks common negotiation myths and explains why effective negotiation does not follow a one-size fits all/art of the deal approach. In *Say Less, Get More* you'll find out how to: Assess where your situation falls on the negotiation spectrum so you can adjust your tactics accordingly Understand who you are negotiating with, their background and

their goals, in order to develop your approach Determine your starting position, your final outcome and a strategy to get there Manage the negotiation process, overcome obstacles and find common ground Communicate effectively in any scenario, including learning what to say and when to say it if you can't reach a deal Develop and foster excellent client relationships and networks Once you are armed with Iconomopoulos's sensible strategies and proven advice, you'll be able to confidently get what you want in business and in life.

The Art and Science of Negotiation Penguin

Navigating the Impossible Penguin

From two leaders in executive education at Harvard Business School, here are the mental habits and proven strategies you need to achieve outstanding results in any negotiation. Whether you've "seen it all" or are just starting out, Negotiation Genius will dramatically improve your negotiating skills and confidence. Drawing on decades of behavioral research plus the experience of thousands of business clients, the authors take the mystery out of preparing for and executing negotiations—whether they involve multimillion-dollar deals or improving your next salary offer. What sets negotiation geniuses apart? They are the men and women who know how to: •Identify negotiation opportunities where others see no room for discussion •Discover the truth even when the other side wants to conceal it •Negotiate successfully from a position of weakness •Defuse threats, ultimatums, lies, and other hardball tactics •Overcome resistance and "sell" proposals using proven influence tactics •Negotiate ethically and create trusting relationships—along with great deals •Recognize when the best move is to walk away •And much, much more This book gets "down and dirty." It gives you detailed strategies—including talking points—that work in the real world even when the other side is hostile, unethical, or more powerful. When you finish it, you will already have an action plan for your next negotiation. You will know what to do and why. You will also begin building your own reputation as a negotiation genius.

The Negotiation Book Princeton University Press

The author of *Negotiating the Impossible* "tackles our assumptions about business and life with humor, zest, and wisdom in this delightful fable" (Daniel H. Pink, New York Times bestselling author). If you were a mouse trapped in a maze and someone kept moving the cheese, what would you do? In a world where most mice dutifully accept their circumstances, ask no questions, and keep chasing the cheese, Deepak Malhotra tells an inspiring story about three unique and adventurous mice—Max, Big, and Zed—who refuse to accept their reality as given. *I Moved Your Cheese* reveals what is possible when we finally discard long-held and widely accepted assumptions about how we should live our lives. After all, achieving extraordinary success, personal or professional, has always depended on the ability to challenge assumptions, reshape the environment, and

play by a different set of rules—our own. But rejecting deeply ingrained beliefs is not easy. As Zed explains, “You see, Max, the problem is not that the mouse is in the maze, but that the maze is in the mouse.” “Deepak Malhotra allows you to glimpse a world of your own making without the limits and barriers that others create.” —Stephen R. Covey, New York Times bestselling author of *The 7 Habits of Highly Effective People* “A magnificent story with a powerful message. As someone who has encouraged scores of professionals into breaking through the maze and defining their own pursuits, I find this to be a gem of a book.” —Vinod Khosla, cofounder, former CEO and Chairman, Sun Microsystems, and founder, Khosla Ventures “This book’s message is both profound and durable. Malhotra has left the maze, and so can we.” —Foreword Reviews

Negotiating at Work Canongate Books

BRAND NEW FOR 2019: A fully revised and updated edition of the quintessential guide to learning to negotiate effectively in every part of your life “A must read for everyone seeking to master negotiation. This newly updated classic just got even better.”—Robert Cialdini, bestselling author of *Influence* and *Persuasion* As director of the world-renowned Wharton Executive Negotiation Workshop, Professor G.
