SHAYLEE DONNA

Painless Grammar Barron's Educational Series, Incorporated Remediation in medical education is the act of facilitating a correction for trainees who started out on the journey toward becoming excellent physicians but have moved off course. This book offers an evidence-based and practical approach to the identification and remediation of medical trainees who are unable to perform to standards. As assessment of clinical competence and professionalism has become more sophisticated and ubiquitous, medical educators increasingly face the challenge of implementing effective and respectful means to work with trainees who do not yet meet expectations of the profession and society. Remediation in Medical Education: A Mid-Course Correction describes practical stepwise approaches to remediate struggling learners in fundamental medical competencies;

discusses methods used to define competencies and the science underlying the fundamental shift in the delivery and assessment of medical education; explores themes that provide context for remediation, including professional identity formation and moral reasoning, verbal and nonverbal learning disabilities, attention deficit disorders in high-functioning individuals, diversity, and educational and psychiatric topics; and reviews system issues involved in remediation, including policy and leadership challenges and faculty development.

With Barron's, learning vocabulary becomes fun. In *Painless Vocabulary*, students learn the meanings of new words by seeing them used in amusing contexts, find examples of vocabulary for modern technology, learn Greek and Latin word roots, track progress with challenging games, and more. Geared toward middle school- and high school-level learners, *Painless Vocabulary* takes a lighthearted, humorous approach to learning vocab and is ideal for students who find it confusing, or who just

need a little extra help. Students can test their learning progress with quizzes and “Brain Ticklers”, plus additional games online to challenge students, including Beat the Clock, a line match game, and a word scramble. The authors' main goal is to clear up confusion and pique interest by emphasizing the intriguing and often exciting ways in which students can put each subject to practical use.

Painless Writing Simon and Schuster

Titles in Barron's extensive Painless Series cover a wide range of subjects as they are taught on middle school and high school levels. These books are written for students who find the subjects unusually difficult and confusing--or in many cases, just plain boring. Barron's Painless Series authors' main goal is to clear up students' confusion and perk up their interest by emphasizing the intriguing and often exciting ways in which they can put each subject to practical use. Most of these books take a light-hearted approach to their subjects, often employing humor, and always presenting fun-learning exercises that include puzzles, games, and challenging "Brain Tickler" problems to solve. Both ESL students and teachers of ESL courses have found this book extremely helpful, especially in the way it anticipates and answers students' most frequently asked questions about correct American English usage. This edition is better than ever.

The Cambridge Companion to Early Greek Philosophy Paw Prints
Here's a very approachable textbook for both children and adults who speak English as their second language. It acquaints students with correct English sentence construction, parts of speech, capitalization, punctuation, and spelling, and offers extra tips on how to expand one's English-language vocabulary. After

laying out these fundamentals, the authors proceed with solid instruction on writing a paragraph in English, and then with instruction on writing a multi-paragraph story. Advice includes choosing a topic to write about, sketching out a rough draft, and finally revising and editing the finished piece. Students once daunted by what they perceived as the intricacies of English will be attracted by the authors' student-friendly approach to proficiency.

Discover everything you'll need to know in order to write well for the IELTS test, whether you are planning to take the Academic or the General Training version. This book will help IELTS test takers learn several essential skills, including: Task Achievement: follow a three-step model to plan, write, and revise your essays
Coherence and Cohesion: practice organizing your writing and connecting ideas
Lexical Resource: build your vocabulary and use it correctly
Grammatical Range and Accuracy: review rules and practice applying them to your writing
Each section leads you step-by-step through the process of writing an essay in response to a particular task. Learn how to apply what you've learned, familiarize yourself with the types of questions you'll have to respond to on the test, complete your responses within the time limits, and more. An Appendix also includes a More Writing Practice section with a selection of essays written in response to IELTS writing tasks.

Painless Grammar Simon and Schuster

The book illuminates the political process that over the course of six generations brought about the personalization of authority in Liberia; and it links that system of personal rule to the highly centralized structures of the postcolonial state. The book concludes by exploring the future of self-governance in Liberia and all of postcolonial Africa. The author became president of the Republic of Liberia after the civil war 1989-90.

They add an extra element of fun to the teaching of each subject.

SUMMARY Of Disloyal: A Memoir Simon and Schuster

Teachers and students in third and fourth grades will value this instructive and entertaining journey to Grammar World, where kids have fun while they develop their facility in correct English usage. Grammar World is a make-believe amusement park where boys and girls are introduced in chapter one to the animals who teach them about different kinds of sentences: statements and questions, commands and exclamations, subjects and predicates, combining sentences, and how to avoid fragments and run-on sentences. Chapter two takes kids to Grammar World's rides, where they learn about nouns, pronouns, adjectives, and several other parts of speech. Chapter three takes them to the Water Park, where they learn how to use verbs. Chapter four is a dolphin show, and explanation of prepositions, prepositional phrases, conjunctions, and interjections. The fifth and final chapter is a fireworks display, in which kids learn punctuation, capitalization, abbreviations, and other details that will help them write clearly and correctly.

Painless Earth Science Simon and Schuster

Here are understandable explanations of subjects related to business law and the legal environment. Separate chapters discuss the origin and nature of law, contracts in their many forms, negotiable instruments, banking procedures, types of

business organization, legal definitions of crimes and torts, the concept of property, environmental law, labor-management relations law, intellectual property and computer law, and more. Business Review books are designed for classroom use, but are also valuable as self-teaching volumes for businesspersons engaged in various fields. When used in college business courses, these titles make fine supplements to main textbooks. Instructors in adult education and brush-up programs often choose these books as their main classroom text. Each title includes review questions with answers.

Contains over two hundred lesson plans that introduce students to new vocabulary words, each with a list of words with pronunciation keys, a paragraph that uses the words in context, sample sentences, definitions, and a daily idiom.

Painless Biology Simon and Schuster

On Writing Well, which grew out of a course that William Zinsser taught at Yale, has been praised for its sound advice, its clarity, and for the warmth of its style. It is a book for anybody who wants to learn how to write or who needs to do some writing to get through the day, as almost everybody does. Whether you want to write about people or places, science and technology, business, sports, the arts, or about yourself in the increasingly popular memoir genre, *On Writing Well* offers you both fundamental principles as well as the insights of a distinguished practitioner. *How to Write a Memoir* tells you how to write the story of your life. Everyone has a story - whether you're a professional writer or just want to validate your personal and family reminiscences, William Zinsser explains how to do it, and do it well.

Painless American Government Macmillan

Mastering the American Accent is an easy-to-follow approach for reducing the accent of non-native speakers of English. Well-

sequenced lessons in the book correspond over eight hours of audio files covering the entire text. The audio program provides clear models (both male and female) to help coach a standard American accent. The program is designed to help users speak Standard American English with clarity, confidence, and accuracy. The many exercises in the book concentrate on topics such as vowel sounds, problematic consonants such as V, W, TH, the American R and T and others. Correct lip and tongue positions for all sounds are discussed in detail. Beyond the production of sounds, the program provides detailed instruction in prosodic elements such as syllable stress, emphasis, intonation, linking words for smoother speech flow, common word contractions, and much more. Additional topics that often confuse ESL students are also discussed and explained. They include distinguishing between casual and formal speech, homophones (e.g., they're and there), recognizing words with silent letters (e.g., comb, receipt), and avoiding embarrassing pronunciation mistakes, such as mixing up "pull" and "pool." Students are familiarized with many irregular English spelling rules and exceptions, and are shown how such irregularities can contribute to pronunciation errors. A native language guide references problematic accent issues for 13 different language backgrounds. Publisher's Note: Products purchased from Third Party sellers are not guaranteed by the publisher for quality, authenticity, or access to any online entitlements included with the product.
