A Room with a View - When Lucy Honeychurch embarks on a journey of a lifetime to Italy, little does she know that she would fall for the reckless man George, with whom she and co-traveller had exchanged the room with in Florence. In spite of her self-denial about her growing attraction to George Lucy knows in her heart that she cannot marry another man, let alone Cecil Vyse, who is not only downright obnoxious but also overbearing. This book is a classic romance which has also been adapted into a highly successful movie featuring Helena Bonham Carter, Julian Sands, Maggie Smith and Daniel Day-Lewis. *Howards End* - The story revolves around three families in England at the beginning of the 20th century: the Wilcoxes, rich capitalists with a fortune made in the colonies; the half-German Schlegel siblings (Margaret, Helen, and Tibby), whose cultural pursuits have much in common with the Bloomsbury Group; and the Basts, an impoverished young couple from a lower-class background. As fate would have it, their lives are going to be intertwined in such a manner that the secret passions and flying tempers would bring each of the family to the verge of ruin. Can they survive this vortex or will they be ruined forever?

'The leading character is the deftly drawn Persis Wadia, the country's first female detective. She's a wonderful creation and this is a hugely enjoyable book' ANN CLEEVES 'This is historical crime fiction at its best - a compelling mix of social insight and complex plotting with a thoroughly engaging heroine. A highly promising new series' Mail on Sunday Bombay, New Year's Eve, 1949 As India celebrates the arrival of a momentous new decade, Inspector Persis Wadia stands vigil in the basement of Malabar House, home to the city's most unwanted unit of police officers. Six months after joining the force she remains India's first female police detective, mistrusted, sidelined and now consigned to the midnight shift. And so, when the phone rings to report the murder of prominent English diplomat Sir James Herriot, the country's most sensational case falls into her lap. As 1950 dawns and India prepares to become the world's largest republic, Persis, accompanied by Scotland Yard criminalist Archie Blackfinch, finds herself investigating a case that is becoming more political by the second. Navigating a country and society in turmoil, Persis, smart, stubborn and untested in the crucible of male hostility that surrounds her, must find a way to solve the murder - whatever the cost.

In this Readers' Guide, Betty Jay considers the establishment of Forster's reputation and the various attempts of critics to decipher the complex codes that are a feature of his novel. Successive chapters focus on debates around Forster's liberal-humanism, with essays from F. R. Leavis, Lionel Trilling and Malcolm Bradbury; on the indeterminacy and ambiguity of the text, with extracts from essays by Gillian Beer, Robert Barratt, Wendy Moffat and Jo-Ann Hoepfner Moran; and on the sexual politics of Forster's work, with writings

from Elaine Showalter, Frances L. Restuccia and Eve Dawkins Poll. The Guide concludes with essays from Jeffrey Meyers and Jenny Sharpe, who read *A Passage to India* in terms of its engagement with British imperialism.

The Arabian Nights Andrew Lang - One Thousand and One Nights is a collection of stories collected over many centuries by various authors, translators and scholars in various countries across the Middle East and South Asia. These collections of tales trace their roots back to ancient Arabia and Yemen, ancient Indian literature and Persian literature, ancient Egyptian literature and Mesopotamian mythology, ancient Syria and Asia Minor, and medieval Arabic folk stories from the Caliphate era. Though the oldest Arabic manuscript dates from the fourteenth century, scholarship generally dates the collection's genesis to somewhere between AD 800-900.

Forster, 13 entries in the bibliography, language: English, comment: This paper examines Forster's depiction of the friendship between Dr. Aziz and Dr. Fielding in "A Passage to India" and the influence of British colonialism on personal relationships in general., abstract: 1 Introduction E.M. Forster's last novel *A Passage to India* has been widely appreciated as his most brilliant, most successful, and most valuable work of art. It has received a high reputation as one of the greatest, but also "most puzzling," (Allen, 934) modern masterpieces ever written. After its publication in 1924 "it was accorded instant recognition, as a fine novel and as a perceptive and sympathetic treatment of the problem of 'Anglo-India'" (White, 641). In the novel Forster examines racial tensions between the British colonizers and the Indian people at the time of the British Raj and also the philosophical question about the nature of human relationships in general. Despite its great acclaim, it has also been highly criticized and its release gave rise to a political controversy about British imperialism because it was perceived as a

clear offensive against the British imperialists. Some literary critics doubt the novel's credibility since it allegedly depicts British officials behaving too cruelly and the relations between British and Indians as unrealistic (Macaulay, 188). Although most criticism focused on its political assumptions, and Forster himself intended to express his scepticism about British imperialism in India and its destroying impact on human personal relationships, it was not predominantly intended to be a political novel. However, "as a political novel it has had a notable success" (Rutherford, 2). Forster's central purpose i

It's the Roaring Twenties, and New York City is the place to be. Everything can be purchased, everyone can be bought. But, can you make money erase your past? It's the Roaring Twenties, and it is the time of over-indulgence. As far as the eyes can see and the mind can perceive, there are ostentatious displays of wealth and even more lavish displays of decadency. Unapologetic decadency. But, does it ever stop? It's the Roaring Twenties, and the great American Dream has been perverted. It no longer stands for anything profound that resonates with people. But, does the Idealism even attempt to stop the Materialism? As more and more people lose themselves to the lure of money, ironically the only person who remains unaffected is Jay Gatsby, the enigmatic host of the most extravagant parties... In this definitive tale on American culture, Fitzgerald pits a chaste dream against the corrupting influences of wealth and comes up with an epic story that can only be defined as 'A Great American novel'.
