Stolen A Letter To My Stolen: A Letter to My Captor by Lucy Christopher is a young adult contemporary novel. This one is, as the subtitle alludes to, written in the form of one long letter. Sixteen year old Gemma is basically telling her entire kidnapping experience afterwards and as one might guess the story is one that deals with Stockholm Syndrome, or the development of feelings for one's captor. Stolen: A Letter to My Captor by Lucy Christopher Stolen: A Letter to My Captor is a poignant read. It's not meant to be a love story. It's not a story of classic Stockholm Syndrome either. It's a bit of both and also neither. It's well worth the read and I highly recommend it! Somethings are just wrong, even if we want them to be right. Stolen: A Letter to My Captor
