A talented Hollywood starlet and a reclusive A-lister enter into a fake relationship . . . and discover that their feelings might be more than a PR stunt in this sexy debut for fans of *Beach Read* and *The Unhoneymooners*. “A raw, character-driven, and heart-touching read . . . I absolutely loved

it.”—Elena Armas, New York Times bestselling author of *The Spanish Love Deception* Grey Brooks is on a mission to keep her career afloat now that the end of her long-running teen TV show has her (unsuccessfully) pounding the pavement again. With a life-changing role on the line, she’s finally desperate enough to agree to her publicist’s scheme: fake a love affair with a disgraced Hollywood heartthrob who needs the publicity, but for very different reasons.

Ethan Atkins just wants to be left alone. Between his high-profile divorce, struggles with drinking, and grief over the death of his longtime creative partner and best friend, Ethan has slowly let himself fade into the background. But if he ever wants to produce the last movie he and his partner wrote together, Ethan needs to clean up his reputation and step back into the spotlight. A gossip-inducing affair with a gorgeous actress might be just the ticket, even if it’s the last thing he wants

to do. Though their juicy public relationship is less than perfect behind the scenes, it doesn't take long before Grey and Ethan's sizzling chemistry starts to feel like more than just an act. But after decades in a ruthless industry that requires bulletproof emotional armor to survive, are they too used to faking it to open themselves up to the real thing?

A young woman inherits an Alaskan B&B that's a portal to an alternate universe in this sexy paranormal romance by the New York Times bestselling author. Three weeks ago I, Rachel Bond, inherited a bed-and-breakfast. In Alaska. Just this morning I was in my warm bed in LA but now here I am, up north—and

this is, like, nosebleed north—sorting it all out. So: PROS: 1. Bears and wolves and moose can't be any worse than LA guys. 2. You've heard of "starving artists?" I'm about to faint. So it's probably time for a change. 3. My good friend Kellan—you'll like him, unlike me, he's cool under pressure—suddenly has this animal sexiness I've never even seen before. CONS: 1. ALASKA. 2. The house chef can't cook, and the guide can't read a map. 3. Kellan's sudden hotness is getting very

hard to ignore. 4. I just got hit by lightning. And I'm not sure if this is a pro or a con just yet, but since that lightning bolt, I can see through everything. As in completely transparent. That was before things started to get really weird . . . "Jill Shalvis is a total original! It doesn't get any better." —Suzanne Forster "Shalvis breaks new ground with this sexy paranormal romance . . . told from both his and her perspectives." —Booklist *Beautiful Chaos* Grey Eagle Publications

My instincts warned me

that Alex Volkov is a

dangerous man. My mind told me to run when he set his sights on me with unfaltering determination. It's not that I didn't try to resist, but Alex had a game plan. He was always one step ahead of me, skillfully drawing me deeper into his web. Even when he gave me freedom, it was only an illusion. Now, even that illusion has vanished. I'm his prisoner in the truest sense of the word, whisked away to Russia on his private plane. I no longer have a say, not while our lives are at risk,

and maybe never again. Our story balances on a thin edge between disaster and happiness. With each day that passes, I grow less certain of which side the coin will land on... or if we'll even survive. Note: This is the conclusion of Alex and Kate's story.

The pitching coach, some hotshot high school player, obviously thinks she's a hot mess. Too bad he's cute,

The Family You Make

Sourcebooks, Inc.

Brenna There are some people in life who know exactly how to push your buttons. For me, it's Rye Peterson. We can't spend more than ten minutes together before we're at each other's throats, which makes working together that much harder. Rye is the bassist for Kill John, the biggest rock band in the world, and I am his publicist. It doesn't help that the man is gorgeous, funny, talented, and...never takes anything seriously.

Avoidance is key. But everything changes when he overhears something he shouldn't: a confession made in a moment of weakness. Now the man I've tried so hard to ignore is offering me the greatest temptation of all—him. Rye Brenna James is the one. The one I can't have. The one I can't get out of my mind.

Believe me, I've tried; the woman loathes me. I managed well enough—until I heard her say she's as lonely as I am. That she needed to be touched, held, satisfied. And I could no longer deny the truth: I wanted to be the one to give her what she craved. I convinced her that it would just be sex, mutual

satisfaction with nothing deeper. But the moment I have her, she becomes my world. I've never given her a good reason to trust me before. Now, I've got to show Brenna that we're so much better together than we ever were apart. Things are going to get messy. But getting messy with Brenna is what I do best.
