Would you read a great book but skip the last chapter? Not if you want to see how the story ends! This verse-by-verse study of the book of Revelation is intended to dispel the fears, confusion, and misconceptions of this

often-avoided "final chapter" of God's Word, and make you hungry for more. You're invited to take an amazing journey through the prophecies of the book of Revelation, looking to the Bible itself for the keys to unlock its mysteries! Whether you are a seasoned bible student or a newcomer, you will easily follow the teaching in this study guide, and small groups will find the discussion questions at the end of each lesson to be helpful."I am using Donna Best's Revelation Bible

study guide at a Senior center. The group members all said it's like watching a play, scene by scene. From a teaching standpoint, the research and cross references really make the book of Revelation come alive. It is very easy to teach from Donna's study guide, as the research has already been completed. Many studies I have done left out verses or points that should have been included but Donna's study is "spot on," and I would recommend it to any teacher. Thanks,

Donna, for the time and effort you put into preparing this study guide." -Phil Diemert, Cranberry Twp., PA
A Study in Biblical Eschatology Oxford University Press
"The Outline Bible is a tool for making the content of the Bible easy and enjoyable to learn--and remember! This handy resource organizes every single verse of the Bible into an easy-to-remember outline format. Each of the major levels of the outlines uses a literary device--such as

alliteration, rhyme, etc.-- to help the point stick in your mind and heart, and the unique formatting for each level helps you easily recognize it on the page." -- Introduction *The New Testament* Tyndale House Publishers, Inc.

Norton Sterrett presents the general rules for reading the Bible's ordinary language and moves on to specific principles that apply to special types of language such as parables, figures of speech, Hebrew poetry and symbols. Richard

Schultz has updated T. Norton Sterrett's beginner's guide to understanding the Bible. He suggests some more recent reference tools and offers more examples from contemporary English translations. In a new concluding chapter he helps you try out the principles on Psalm 51. -- from publisher description.

Bible Reader's Companion Grove Press Many who would be willing to search for truth in the Bible are intimidated by its size, the

length of time it spans, the different languages and cultures within, or questions about the historical reliability and contemporary relevance of Scripture. The Holman Illustrated Bible Handbook is designed with an awareness of the obstacles people have to understanding the Bible. It begins with an essay on "How to Read and Study the Bible" before proceeding to chapters that provide a thorough overview of each of the Bible's 66 books, summarizing each one's

content, author, evidences of authenticity, and historical context. In addition to the full-color maps, photographs, reconstructions, and charts that equip readers throughout the volume, a smartphone-accessible QR code is included for each chapter that leads to related online teaching from noted Bible scholar Gene Getz. There's also an article by Jeremy Howard (general editor of the award-winning HCSB Study Bible) explaining how each book of the Old and New Testaments was

accepted into the Bible. *Wilmington's Notes on Theology* Atlantic Monthly Press
Packed with full-color maps, photographs, reconstructions, and charts, the KJV Illustrated Bible Handbook is designed for seekers and Bible scholars alike in their quest to better understand and apply God's Word to their lives. *Job* Tyndale House Publishers, Inc.
Theology is for everyone. Everyone is a theologian of sorts. Theology simply means thinking about God

and expressing those thoughts in some way. But sloppy theology is a problem. As Christians, our thoughts about God need to coincide with what He has said about Himself in the Bible. With his clear understanding of the Scriptures and unpretentious writing style, Charles Ryrie has written *Basic Theology* for every student of God's Word, from the devotional student to the seminary student. Ryrie's name has become synonymous with dispensational theology and his texts on the

subject invaluable to the Bible scholar. Now Ryrie's Basic Theology is available to you from Moody Press, the company that brings you the Ryrie Study Bible. Featuring charts, definitions, and Scripture and subject indices, Basic Theology will give you a clear and comprehensive picture of Ryrie's approach to systematic theology. Its 94 chapters are arranged in outline style for easy reference. Considerable emphasis is given to explaining the dispensational view of the

end times. Willmington's Complete Guide to Bible Knowledge Tyndale House Pub Summary: This is a guide to framing any gable, Dutch, Tudor, California, gambrel, shed, or gazebo roof -- including irregular roofs that can stump even experienced roof cutters. This book takes you through every measurement and every cut on each type of roof so you can understand exactly what's required. The author explains how to use an inexpensive hand-held calculator to

figure any common, hip, valley, or jack rafter length in seconds -- including rafters on irregular roofs and rafter pitches or lengths that aren't in any rafter table.

If you were to read through the Bible in a year with The Bible Reader's Companion at your side, you'd have a whole new and exciting grasp of the Word of God and you'd have truth to live by each day.--Kay Arthur,

Asimov's Guide to the Bible Review and Herald Pub Assoc

The Bible has had an immeasurable influence on Western culture, touching on virtually every aspect of our lives. It is one of the great wellsprings of Western religious, ethical, and philosophical traditions. It has been an endless source of inspiration to artists, from classic works such as Michaelangelo's Last Judgment, Handel's Messiah, or Milton's Paradise Lost, to modern works such as Thomas

Mann's Joseph and His Brothers or Martin Scorsese's controversial Last Temptation of Christ. For countless generations, it has been a comfort in suffering, a place to reflect on the mysteries of birth, death, and immortality. Its stories and characters are an integral part of the repertoire of every educated adult, forming an enduring bond that spans thousands of years and embraces a vast community of believers and nonbelievers. The Oxford Companion to the

Bible provides an authoritative one-volume reference to the people, places, events, books, institutions, religious belief, and secular influence of the Bible. Written by more than 250 scholars from some 20 nations and embracing a wide variety of perspectives, the Companion offers over seven hundred entries, ranging from brief identifications--who is Dives? where is Pisgah?--to extensive interpretive essays on topics such as the influence of the Bible

on music or law. Ranging far beyond the scope of a traditional Bible dictionary, the Companion features, in addition to its many informative, factual entries, an abundance of interpretive essays. Here are extended entries on religious concepts from immortality, sin, and grace, to baptism, ethics, and the Holy Spirit. The contributors also explore biblical views of modern issues such as homosexuality, marriage, and anti-Semitism, and the impact of the Bible on the secular world

(including a four-part article on the Bible's influence on literature). Of course, the Companion can also serve as a handy reference, the first place to turn to find factual information on the Bible. Readers will find fascinating, informative articles on all the books of the Bible—including the Apocrypha and many other ancient texts, such as the Dead Sea Scrolls, Pseudepigrapha, and the Mishnah. Virtually every figure who walked across the biblical stage is identified here, ranging

from Rebekah, Rachel, and Mary, to Joseph, Barabbas, and Jesus. The Companion also offers entries that shed light on daily life in ancient Israel and the earliest Christian communities, with fascinating articles on feasts and festivals, clothing, medicine, units of time, houses, and furniture. Finally, there are twenty-eight pages of full-color maps, providing an accurate, detailed portrait of the biblical world. A vast compendium of information related to scriptures, here is an ideal

complement to the Bible, an essential volume for every home and library, the first place to turn for information on the central book of Western culture. *The Outline Bible* Tyndale House Publishers, Inc. How does prayer work? What does the Bible really say about money? Does the Bible have anything to say about friendship? You'll find answers to these questions and many more, quickly and easily in *The Handbook of Bible Application*. The Bible is full of wisdom about life. Yet it's not always easy to

connect the dots between the various Bible passages on any particular subject—whether it's a question about dealing with money or about overcoming depression. *The Handbook of Bible Application* is your guide to the Bible, organized by topics that impact the way you live your life every day: accountability, attitudes, contentment, depression, doubt, encouragement, friendship, money, popularity, sex, singleness, worry, and

hundreds of other topics. This is a biblical resource you won't want to be without. [Teaching Visuals from Willmington's Guide to the Bible](#) Holman Reference The 12 essential doctrines *A Simple Plan for Understanding the Bible* Tyndale House Pub FIRM STREET DATE = NOVEMBER 4, 2008. STORES MUST NOT HAVE THIS TITLE ON DISPLAY BEFORE 11/4/08. A low-cost softcover that is perfect to give to seeking friends and neighbors to explain why an intelligent,

college-educated person can believe in Christianity. Is Christianity true? Can educated, thinking people really believe the Bible? Or, do the atheists have it right? Has Christianity been disproved by science and discredited as a guide to morality? Best-selling author Dinesh D'Souza (What's So Great About America) approaches Christianity with a skeptical eye, but treats the skeptics with equal skepticism. The result is a book that will challenge the assumptions of

doubters and affirm that there really is, indeed, something great about Christianity.

This guide to the Old Testament includes commentary notes, outlines, and historical summaries for each Old Testament book.

Nelson's Biblical Cyclopedic Index Tyndale House Publishers, Inc.

Yes you can understand the Bible! Discovering the Miracle of the Scarlet Thread in Every Book of the Bible takes the

mystery and confusion out of the Bible and makes God's Word come alive with new insights and a fresh excitement that will have you searching for more. Dr. Richard Booker unveils the mysteries and secrets of the Bible by explaining its master theme, and then reveals a simple plan so you can discover God's personal revelation for yourself. The author provides exciting biblical background, an interesting survey of each book in the Bible, each book's master theme,

Practical principles, forms, and guidelines for your own life-enriching Bible study. The sometimes hard-to-understand teachings of Jesus in their original culture and context come alive and become real through discovering the miracle of the scarlet thread. Then Jesus began to explain everything which had been written in the Scriptures about Him. Jesus started with the

books of Moses and then He talked about what the prophets had written about Him (Luke 24:27 PEB). This book about the Bible will change the way you think about His Word His life-changing and eternal Word.
