The Lonely Soldier--the inspiration for the documentary *The Invisible War*--vividly tells the stories of five women who fought in

Iraq between 2003 and 2006--and of the challenges they faced while fighting a war painfully alone. More American women have fought and died in Iraq than in any war since World War Two, yet as soldiers they are still painfully alone. In Iraq, only one in ten troops is a woman, and she often serves in a unit with few other women or none at all. This isolation, along with the military's deep-seated hostility toward women, causes problems that many female soldiers find as hard to cope with as war itself: degradation, sexual persecution by their comrades, and loneliness, instead of the camaraderie that every soldier depends on for comfort and survival. As one female soldier said, "I ended up waging my own war against an enemy dressed in the same uniform as mine." In *The Lonely Soldier*, Benedict tells the stories of five women who fought in Iraq between 2003 and 2006. She follows them from their childhoods to their enlistments, then takes them through their training, to war and home again, all the while setting the war's events in context. We meet Jen, white and from a working-class town in the heartland, who still shakes from her wartime traumas; Abbie, who rebelled against a household of

liberal Democrats by enlisting in the National Guard; Mickiela, a Mexican American who grew up with a family entangled in L.A. gangs; Terris, an African American mother from D.C. whose childhood was torn by violence; and Eli PaintedCrow, who joined the military to follow Native American tradition and to escape a life of Faulknerian hardship. Between these stories, Benedict weaves those of the forty other Iraq War veterans she interviewed, illuminating the complex issues of war and misogyny, class, race, homophobia, and post-traumatic stress disorder. Each of these stories is unique, yet collectively they add up to a heartbreaking picture of the sacrifices women soldiers are making for this country. Benedict ends by showing how these women came to face the truth of war and by offering suggestions for how the military can improve conditions for female soldiers—including distributing women more evenly throughout units and rejecting male recruits with records of violence against women. Humanizing, urgent, and powerful, *The Lonely Soldier* is a clarion call for change.

Nicholas Hunt is the man I hate. For good reason. His opinion of me is tainted by prejudice even before my arrival at his grandmother's estate, and my first impression of him is just as abysmal. His arrogance and icy demeanor make it clear that he's the type of man who's best handled at a distance. Fortunately, space shouldn't be an issue inside this Gilded Age mansion and its lush gardens. If I stick with the servants and he keeps to his sailboat and vintage Porsche, we should hardly cross paths at all. Unfortunately, at Rosethorn, I find that all roads eventually lead to Nicholas Hunt. Sparks fly as we spar at the dinner table.

Fighting words are flung in the shadows of the palatial halls. We hang suspended in our hatred of one another, painfully oblivious to the heat and tension that build with every moment we're left alone. We're liable to kill one another, I think...right up until my eyes land on his lips and a new feeling grips hold of me: lust. What's worse? He knows it. They say you should keep your enemies close, but when Nicholas tightens his grip on my waist and draws me near, I'm not sure if it's out of loathing or love. One thing's for sure—I intend to find out.

Father of the Bride meets Sixteen Candles in the latest novel from New York Times

bestselling author Morgan Matson. Charlie Grant's older sister is getting married this weekend at their family home, and Charlie can't wait—for the first time in years, all four of her older siblings will be under one roof. Charlie is desperate for one last perfect weekend, before the house is sold and everything changes. The house will be filled with jokes and games and laughs again. Making decisions about things like what college to attend and reuniting with longstanding crush Jesse Foster—all that can wait. She wants to focus on making the weekend perfect. The only problem? The weekend is shaping up to be an absolute disaster. There's the unexpected dog with a penchant for howling, house alarm that won't stop going off, and a papergirl with a grudge. There are the relatives who aren't speaking, the (awful) girl her favorite brother brought home unannounced, and a missing tuxedo. Not to mention the neighbor who seems to be bent on sabotage and a storm that is bent on drenching everything. The justice of the peace is missing. The band will only play covers. The guests are all crazy. And the wedding planner's nephew is unexpectedly, distractingly...cute. Over the course of three ridiculously chaotic days, Charlie will learn more than she ever expected about the family she thought she knew by heart. And she'll realize that sometimes, trying to keep everything like it was in the past means missing out on the future.

A Place in the Sun Lyle Stuart

When your life is a hot mess at twenty, it's cute. At twenty-seven, well, not so much. It's just that my lofty dreams—making it as a real estate agent, paying rent on time, showering daily—have stayed just that: dreams. Oh, and love? I've decided love might be a little ambitious for me at the moment. Instead, I've settled

for the two guys who will never leave me: Ben & Jerry. That is, until Dr. Adam Foxe takes up residence as the town's new vet. With his strong jaw, easy confidence, and form-fitting scrubs, it's not long before every housewife in Hamilton is dragging neglected tomcats in for weekly checkups. Like everyone else, I'm intrigued. Even after I spoil my chance at a good first impression, he still offers me a proposition I can't refuse: play his girlfriend at a family function and he'll hire me as his real estate agent. Welcome to love in the 21st century.

No more wishing I had the courage to misbehave. Everyone thinks Ben is going to ruin me. They think he'll chew me up and spit me out. Well, Ben...go ahead. Tempt me. Taunt me. Make me bad.

The Facts of Life Without Any Nonsense and with Illustrations St. Martin's Press

This book examines how style and intersubjective meanings emerge through language use. It is innovative in theoretical scope and empirical focus. It brings together insights from discourse-functional linguistics, stylistics, and conversation analysis to understand how language resources are used to enact stances in intersubjective space. While there are numerous

studies devoted to youth language, the focus has been mainly on face-to-face interaction. Other types of youth interaction, particularly in mediated forms, have received little attention. This book draws on data from four different text types - conversation, e-forums, comics, and teen fiction - to highlight the multidirectional nature of style construction. Indonesia provides a rich context for the study of style and intersubjectivity among youth. In constructing style, Indonesian urban youth have been moving away from conventions which emphasized hierarchy and uniformity toward new ways of connecting in intersubjective space. This book analyzes how these new ways are realized in different text types. This book makes a valuable addition to sociolinguistic literature on youth and language and an essential reading for those interested in Austronesian sociolinguistics.
