This groundbreaking book from sex educator and YouTube phenomenon Laci Green has everything you've ever wanted to know about sex, sexuality, pleasure, and your body. Let's be honest: most of us think about sex A LOT, and we have plenty of unanswered questions: What's the best way to talk to my partner about what I want? How do I figure out my sexuality? How do I have sex safely? What does an orgasm actually feel like? Laci Green—a sex educator and YouTuber who's been hailed by Time magazine as the millennial Dr. Ruth—has built a platform of millions of followers by answering sex-related questions frankly, nonjudgmentally, and hilariously. Now Laci brings her signature style and voice to a comprehensive book about the multitude of issues and concerns that go along with sexuality: anatomy, consent, LGBTQ issues, STI and pregnancy prevention, sexual empowerment, healthy relationships, myth-busting, and more. Sex Plus is the first book of its kind: empowering, sex-positive, and cool. Comprehensive, honest, and vetted by a range of medical experts, this book will help you take control of your sex life. After all, knowledge is pleasure.

Towns and Cities: Function in Form Univ of California Press

The steadfast and sturdy Continental Op has been summoned to the town of Personville—known as Poisonville—a dusty mining community splintered by competing factions of gangsters and petty criminals. The Op has been hired by Donald Willsson, publisher of the local newspaper, who gave little indication about the reason for the visit. No sooner does the Op arrive, than the body count begins to climb . . . starting with his client. With this last honest citizen of Poisonville murdered, the Op decides to stay on and force a reckoning—even if that means taking on an entire town. *Red Harvest* is more than a superb crime novel: it is a classic exploration of corruption and violence in the American grain.

Can a woman ever really know herself if she doesn't know her mother? From the author of the smash-hit bestseller *Firefly Lane* and *True Colors* comes Kristin Hannah's powerful, heartbreaking novel that illuminates the intricate mother-daughter bond and explores the enduring links between the present and the past. Meredith and Nina Whitson are as different as sisters can be. One stayed at home to raise her children and manage the family apple orchard; the other followed a dream and traveled the world to become a famous photojournalist. But when their beloved father falls ill, Meredith and Nina find themselves together again, standing alongside their cold, disapproving mother, Anya, who even now, offers no comfort to her daughters. As children, the only connection between them was the Russian fairy tale Anya sometimes told the girls at night. On his deathbed, their father extracts a promise from the women in his life: the fairy tale will be told one last time—and all the way to the end. Thus begins an unexpected journey into the truth of Anya's life in war-torn Leningrad, more than five decades ago. Alternating between the past and present, Meredith and Nina will finally hear the singular, harrowing story of their mother's life, and what they learn is a secret so terrible and terrifying that it will shake the very foundation of their family and change who they believe they are.

The food of Rome and its region, Lazio, is redolent of herbs, olive oil, ricotta, lamb, and pork. It is the food of ordinary, frugal people, yet it is a very modern cuisine in that it gives pride of place to the essential flavors of its ingredients. In this only English-language book to encompass the entire region, the award-winning author of *Encyclopedia of Pasta*, Oretta Zanini De Vita, offers a substantial and complex social history of Rome and Lazio through the story of its food. Including more than 250 authentic, easy-to-follow recipes, the author leads readers on an exhilarating journey from antiquity through the Middle Ages to the mid-twentieth century.

Place and Replace is a collection of recent interdisciplinary research into Western Canada that calls attention to the multiple political, social, and cultural labours performed by the concept of "place." The book continues a long-standing tradition of situating questions of place at the centre of analyses of Western Canada's cultures, pasts, and politics, while making clear that place is never stable, universal, or static. The essays here confirm the interests and priorities of Western Canadian scholarship that have emerged over the past forty years and remind us of the importance of Indigenous peoples, dispossession, and colonialism; of migration, race and ethnicity; of gender and women's experiences; of the impact of the natural and built environment; and the impact of politics and the state.

Melonville. Smokey Hollow. Bannock Town. Fort Tuyau. Little Chicago. Mud Flats. Pumpville. Tintown. La Coule. These were some of the names given to Métis communities at the edges of urban areas in Manitoba. Rooster Town, which was on the outskirts of southwest Winnipeg endured from 1901 to 1961. Those years in Winnipeg were characterized by the twin pressures of depression, and inflation, chronic housing shortages, and a spotty social support network. At the city's edge, Rooster Town grew without city services as rural Métis arrived to participate in the urban economy and build their own houses while keeping Métis culture and community as a central part of their lives. In other growing settler cities, the Indigenous experience was largely characterized by removal and confinement. But the continuing presence of Métis living and working in the city, and the establishment of Rooster Town itself, made the Winnipeg experience unique. Rooster Town documents the story of a community rooted in kinship, culture, and historical circumstance, whose residents existed unofficially in the cracks of municipal bureaucracy, while navigating the legacy of settler colonialism and the demands of modernity and urbanization.

The Big Sleep Michele Sanvico

Paper Towns er historien om Margo og Q. Men også historien om et mysterie. Mysteriet om de mennesker, vi idealiserer så højt, at vi i vores jagt på at finde dem opdager, at vi leder efter de forkerte... John Green udforsker med *Paper Towns*, hvordan vi føler med, forelsker os i og idealiserer mennesker, som i virkeligheden er irriterende eller træffer forfærdelige beslutninger. Kærlighedshistorien om Margo & Q giver læseren mere end bare en romantisk og sjov fortælling, men også noget at tænke over - hvilket efterhånden er John Greens specialitet. Barndomsvennerne Q og Margo går på samme high school, men er vokset fra hinanden. Q følger fascineret fra sidelinjen den gådefulde, smukke Margo, som flirter rundt med de populære elever på skolen. Men hun bliver først et mysterium, da hun en tilfældig aften kravler ind gennem Qs vindue og tilbage i hans liv - med planer om en hævnkampagne mod alle der nogensinde har såret hende. Efter deres eskapade-nat forsvinder Margo, og Q dropper sin eksamen og sætter sig for at finde hende, død eller levende, ved at følge de spor, hun har efterladt ham. *Paper Towns* er bogen bag filmen af samme navn og dermed biograf-opfølgeren til *En flænge i himlen*. The Politics of Sufficiency Vintage Crime/Black Lizard

Winner of CLR James Book Prize from the Working Class Studies Association and 2nd Place for the Victor Turner Prize in Ethnographic Writing. In 1980, Christine J. Walley's world was turned upside down when the steel mill in Southeast Chicago where her father worked abruptly closed. In the ensuing years, ninety thousand other area residents would also lose their jobs in the mills—just one example of the vast scale of deindustrialization occurring across the United States. The disruption of this event propelled Walley into a career as a cultural anthropologist, and now, in *Exit Zero*, she brings her anthropological perspective home, examining the fate of her family and that of blue-collar America at large. Interweaving personal narratives and family photos with a nuanced assessment of the social impacts of deindustrialization, *Exit Zero* is one part memoir and one part ethnography—providing a much-needed female and familial perspective on cultures of labor and their decline. Through vivid accounts of her family's struggles and her own upward mobility, Walley reveals the social landscapes of America's industrial fallout, navigating complex tensions among class, labor, economy, and environment. Unsatisfied with the notion that her family's turmoil was inevitable in the ever-forward progress of the United States, she provides a fresh and important counternarrative that gives a new voice to the many Americans whose distress resulting from deindustrialization has too often been ignored. This book is part of a project that also includes a documentary film.
