Although Mann is considered to be a deeply German writer, at the time that he began writing, Germany itself was fairly new to the world. When *Death in Venice* was published in 1912, a unified Germany had existed for a mere 41 years. Although Mann moved to Munich after high school, he was always aware of being North German and felt his more somber and serious artistic sense put him at odds with other artists in Munich. The connection between Germany and Italy in his work has clear political relevance, as the two countries unified their fragmented areas to become nations at similar points of time in history (King Victor Emmanuel began to rule over a unified Italy in 1861). Mann wrote in the context of a number of literary styles. At the turn of the century, Naturalism reigned, and Mann sought to differentiate himself from writers such as Zola and Ibsen who faithfully transcribed even the most minute concrete details of daily life. In contrast to naturalist writers, Mann's precision is psychological, rather than physical. Specifically, Mann was influenced by other European masters including Tolstoy, whose epic sweep he admired, and Flaubert, whose labor over each and every sentence he emulated. Mann was also deeply indebted to the philosophy of Nietzsche, whose skeptical mode of analysis he adopted. Nietzsche claimed to be a great authority on the subject of decadence, and Mann's works focus almost exclusively on this topic, along with degeneracy and the decline of greatness.

The *Nibelungenlied* ("The Song of the Nibelungs") is an epic poem originally written in Middle High German around the year 1180. It tells the story of the dragon-slayer Siegfried at the court of the Burgundians, how he was murdered, and of his wife Kriemhild's revenge. Along with the *Völsunga saga*, the *Nibelungenlied* served as source material for Richard Wagner's famous four music dramas *Der Ring des Nibelungen* ("The Ring of the Nibelung"), although the storyline in the *Nibelungenlied* is far more extensive than in Wagner's work. Based on pre-Christian Germanic heroic motifs which include ancient oral traditions (including the Norse sagas), the *Nibelungenlied* first appeared

from the area of the Danube between Passau and Vienna, from where the oldest manuscripts originate. The epic is divided into two parts, the first dealing with the story of Siegfried and Kriemhild, the wooing of Brünhild and the death of Siegfried at the hands of Hagen, and Hagen's hiding of the Nibelung treasure in the Rhine (Chapters 1-19). The second part deals with Kriemhild's marriage to Etzel (Atilla the Hun), her plans for revenge, the journey of the Burgundians to the court of Etzel, and their last stand in Etzel's hall (Chapters 20-39). The original was written as a poem in 2,400 stanzas, divided up into 39 *Aventiuren* ("adventures"). This edition has been translated into prose format, but still accurately follows the storyline of all the *Adventures*. It includes a complete background introductory essay by the translator, in which the history of the surviving manuscripts and their storylines are fully explored. About the translator: Daniel Bussier Shumway (1868-1940), served as Professor of Germanic Languages and Literature at University of Pennsylvania.

Including Audiobook German Edition Foreign Language Melville House

Learning German may seem like a difficult task. Especially when it comes to the nature of the German language. The good news is that's just a false presumption. Every language can be learned if you know the right technique and the right information. It is proven that the easiest way to learn a language is to hear it in action. Hearing a natural German conversation is the best thing you can do, it's like listening to a story. Natural is the keyword in that sentence. A natural approach to learning the language is the fastest and simplest approach to do it. Why do you think you hear people learning a language extremely fast when they move to another country? Because they hear it naturally, every day. Learn German with stories . Maybe the easiest language learning system ever created. How does that sound to you? People listen to other people's stories. The human mind is programmed to like stories because that's what our life is. A story. And because of this very reason, I've crafted stories that will easily cut you months of struggling to learn German. There will no longer be a "struggle". Moving to Germany just to learn German is not a solution . That's why my book "brings" Germany to you. It brings stories to you. Learning German with my stories will grab your mind into believing that you will actually "live" into German conversations. When you're reading a story, you feel like you're there. The same concept applies to learning German with stories. About my learning German with stories book : It contains 150 short stories about everyday situations Every story is followed by questions and key vocabulary The more you read, the easier your

brain will automatically get used to the German language (isn't that easily beautiful?) It includes more than 900 digital flashcards for those not able to understand the book completely from the beginning It uses psychologically inserted KEY PATTERNS to make your brain automatically easily learn sentences and words (this is key) The book uses a read-word-repeat writing system along the stories for natural, fluid learning (heavy repetition = higher retention rate) The Benefits of using my book: Easily learn German with stories Feel at ease when reading & learning with the flow of the stories No struggle forcing to learn words/phrases Learn at your own pace Feel confident in your German language skills after a few weeks ONLY Once you learn, you NEVER forget Learn German with my stories (the easy way)

Teach Yourself

This book offers an easy way of learning German for all ages. 100 German Short Stories for Beginners has been written especially for international students from beginner to intermediate level (A2-B1 on the Common European Framework of Reference). All German short stories are unique and hopefully entertaining in content, and new vocabulary is gradually added at a manageable pace so you won't get overwhelmed. Towards the end of this German book you find the stories slightly more complex, but still comprehensible for beginners. At the end of this book you find the free audiobook link in one mp3 file that contain the longer stories of this book. Furthermore, this German language learning book offers you a wide range of culturally important information you can use when you travel to Germany or study there, and frankly, this book is not only for German language learners but also for anyone interested in German daily life and culture in general.

A Kayankaya Thriller (3) Standard Ebooks

Previously published in the print anthology Poirot's Early Cases. On a ship bound for Egypt, a woman is found stabbed to death in her cabin. Unfortunately for the murderer, Hercule Poirot is on board.

Best Short Stories Crown

The Murder on the Links is Agatha Christie's second Poirot novel, featuring the brilliant Belgian detective and his sidekick, Captain Hastings. In this characteristic whodunit, Poirot is summoned to a seaside town in northern France by a desperate letter from a rich businessman, who fears that he is being stalked. Poirot arrives to find the businessman already dead, his body lying facedown in an open grave on a golf course, a knife in his back—the victim of a mysterious murder. Over the coming days Poirot clashes wits with an arrogant Parisian detective, Giraud, while Hastings finds himself pining after a beautiful but shadowy American expatriate known to him only as "Cinderella." Together, Poirot and Hastings unravel the intricate web of mystery and deceit behind the murder. Christie based this mystery after a real-life French murder case, and it's believed that this is the first detective novel to use the phrase "the scene of the crime." This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Diary of a Suicide Penguin

Hailed as one of the greatest novels of all time and a classic of world literature, War and Peace is a tale of strivers in a world fraught with conflict, social and political change, and spiritual confusion, Tolstoy's magnificent work continues to entertain, enlighten, and inspire readers around the world. Both an intimate study of individual passions and an epic history of Russia and its people, 'War and Peace' is nothing more or less than a complete portrait of human existence. Among its many unforgettable characters is Prince Andrey Bolkonsky, a proud, dashing man who, despising the artifice of high society, joins the army to

achieve glory. Badly wounded at Austerlitz, he begins to discover the emptiness of everything to which he has devoted himself. His death scene is considered one of the greatest passages in Russian literature. Terror swiftly engulfs the country as Napoleon's army marches on Russia, and the lives of three young people are changed forever. The stories of quixotic Pierre, cynical Andrey and impetuous Natasha interweave with a huge cast, from aristocrats and peasants, to soldiers and Napoleon himself. In War and Peace (1868-9), Tolstoy entwines grand themes—conflict and love, birth and death, free will and fate.

Not only that, but each story is interesting, and you can read them in a matter of minutes.

Problem at Sea HarperCollins

NATIONAL BESTSELLER • "Flavia is incisive, cutting and hilarious. . . one of the most remarkable creations in recent literature."—USA Today Flavia de Luce, a dangerously smart eleven-year-old with a passion for chemistry and a genius for solving murders, thinks that her days of crime-solving in the bucolic English hamlet of Bishop's Lacey are over—until beloved puppeteer Rupert Porson has his own strings sizzled in an unfortunate rendezvous with electricity. But who'd do such a thing, and why? Does the madwoman who lives in Gibbet Wood know more than she's letting on? What about Porson's charming but erratic assistant? All clues point toward a suspicious death years earlier and a case the local constables can't solve—without Flavia's help. But in getting so close to who's secretly pulling the strings of this dance of death, has our precocious heroine finally gotten in way over her head? **BONUS:** This edition includes an excerpt from Alan Bradley's *A Red Herring Without Mustard*, discussion questions, and an essay by the author.

This book contains: includes vocabulary with difficult and important words translated to English ready for on-demand translation (only available on physical Kindle devices) includes exercises for comprehension training hand-drawn illustrations by the author

Death in Venice Collins

A companion to contemporary German crime fiction for English-speaking audiences is overdue. Starting with the earlier Swiss "classics" Glauser and Dürrenmatt and including a number of important Austrian authors, such as Wolf Haas and Heinrich Steinfest, this volume will cover the essential writers, genres, and themes of crime fiction written in German. Where necessary and appropriate, crime fiction in media other than writing (TV-series, movies) will be included. Contemporary social and political developments, such as gender issues, life in a multicultural society, and the afterlife of German fascism today, play a crucial role in much of recent German crime fiction. A number of contributions to this volume will comment on the literary reflection of these issues in the texts. The goal of the volume is to make available to English-speaking audiences, to students, teachers and to a wider circle of interested readers, a series of articles on genres, topics, authors, and texts that will help them understand the scope and depth of German crime fiction, its ties to international traditions and also the specificity of the German context, its historical development and contemporary situation.

The Poisonous Mushroom: Der Giftpilz Samaira Book Publishers

This collector's edition comprises the first five episodes of the popular "Baumgartner & Momsen" crime and mystery series for intermediate and advanced German learners: *Mord am Morgen*, *Die Dritte Hand*, *Des Spielers Tod*, *Zum Bärenhaus* and *Heidis Frühstück*. Harald Baumgartner is a grumpy old-fashioned flatfoot with an infallible instinct for catching killers, Katharina Momsen is a sassy sleuth and a cold sober markswoman. Together they are "Baumgartner & Momsen", the quirky but effective team feared by crooks and criminals everywhere. Each story invites readers to help solve a crime and pick up important German vocabulary along the way. At the end of every chapter relevant words are translated into English, followed by short text-comprehension questions. (The correct answers can be found at the end of each story in the Answer Key section.) While the stories themselves are primarily aimed at creating an immersive and entertaining reading experience for German learners, the language is specially

designed to familiarize readers with unique forms of spoken

German with a special emphasis on dialogue and common idiomatic phrases.
