MCCULLOUGH CLARK

The Funk Era and Beyond Mel Bay Publications
The Funk Era and Beyond is the first scholarly collection to discuss the significance of funk music in America. Contributors employ a multitude of methodologies to examine this unique musical genre's relationship to African American culture and to music, literature, and visual art as a whole.

Motown 50th Anniversary Songbook Hal Leonard Publishing Corporation

Tony Bolden presents an innovative history of funk music focused on the performers, regarding them as intellectuals who fashioned a new aesthetic. Utilizing musicology, literary studies, performance studies, and African American intellectual history, Bolden explores what it means for music, or any cultural artifact, to be funky. Multitudes of African American musicians and dancers created aesthetic frameworks with artistic principles and cultural politics that proved transformative. Bolden approaches the study of funk and black musicians by examining aesthetics,

poetics, cultural history, and intellectual history. The study traces the concept of funk from early blues culture to a metamorphosis into a full-fledged artistic framework and a named musical genre in the 1970s, and thereby Bolden presents an alternative reading of the blues tradition. In part one of this two-part book, Bolden undertakes a theoretical examination of the development of funk and the historical conditions in which black artists reimagined their music. In part two, he provides historical and biographical studies of key funk artists, all of whom transfigured elements of blues tradition into new styles and visions. Funk artists, like their blues relatives, tended to contest and contextualize racialized notions of blackness, sexualized notions of gender, and bourgeois notions of artistic value. Funk artists displayed contempt for the status quo and conveyed alternative stylistic concepts and social perspectives through multimedia expression. Bolden argues that on this road to cultural recognition, funk accentuated many of the qualities of black expression that had been stigmatized throughout much of American history.

Groove Theory Hal Leonard

In *Who Did It First?: Great Rock and Roll Cover Songs and Their Original Artists*, the third volume in Bob Leszczak's exciting *Who Did It First?* series, readers explore the hidden history of the most famous, indeed legendary, rock and roll classics. As Leszczak points out, the version you purchased, played air guitar to, sang along to, and grew up with is often not the first version recorded. Like wine and cheese, some tunes do get better with age, and behind each there is a story. Little-known facts and amusing anecdotes, often gathered through Leszczak's vast archive of personal interviews with the singers and songwriters, record

producers and label owners, who wrote, sang, recorded, and distributed either the original first cut or one of its classic covers. [Rhythm and Blues You Can Use](#) Univ of California Press
 Funk: It's the only musical genre ever to have transformed the nation into a throbbing army of bell-bottomed, hoop-eared, rainbow-Afro'd warriors on the dance floor. Its rhythms and lyrics turned bleak urban realities inside out with distinctive, danceable, downright irresistible music. Funk hasn't received the critical attention that rock, jazz, and the blues have-until now. Colorful, intelligent, and in-your-face, Rickey Vincent's *Funk* celebrates the songs, the musicians, the philosophy, and the meaning of funk. The book spans from the early work of James Brown (the Godfather of Funk) through today, covering funky soul (Stevie Wonder, the Temptations), so-called "black rock" (Jimi Hendrix, Sly and the Family Stone, the Isley Brothers), jazz-funk (Miles Davis, Herbie Hancock), monster funk (Parliament, Funkadelic, Bootsy's Rubber Band), naked funk (Rick James, Gap Band), disco-funk (Chic, K.C. and the Sunshine Band), funky pop (Koolha & the Gang, Chaka Khan), P-Funk Hip Hop (Digital Underground, De La Soul), funk-sampling rap (Ice Cube, Dr. Dre), funk rock (Red Hot Chili Peppers, Primus), and more. Funk tells a vital, vibrant history-the history of a uniquely American music born out of tradition and community, filled with energy, attitude, anger, hope, and an irrepressible spirit.

100 R & B Soul Grooves for Bass WWW.Fundamental-Changes.com

Despite the influence of African American music and study as a worldwide phenomenon, no comprehensive and fully annotated reference tool currently exists that covers the wide range of

genres. This much needed bibliography fills an important gap in this research area and will prove an indispensable resource for librarians and scholars studying African American music and culture.

The Great Drummers R&B Funk & Soul Hal Leonard Publishing Corporation

Written for a wide variety of musicians, 15 Easy Jazz, Blues & Funk Etudes will appeal to both aspiring players and to more experienced musicians. For the younger player, particular care is given to range, rhythmic figures and overall playability. The more accomplished musician will appreciate the high level of musicality, the lyrical compositions and the opportunities to improvise. Either way, the format is simple: Bob Mintzer plays and demonstrates each etude with a stellar rhythm section on the included recording. You learn each etude slowly. When ready, you play the etude with the audio accompaniment.

R & B bass Rowman & Littlefield

Rhythm & Blues soul & Funk collection Knopf

This 248 page book is an exciting documentation of the innovative period of the '60s and '70s when the rhythm of popular music was changed forever. Featured here are biographies, interviews, discographies and rare archival photos of more than 20 great drummers of R&B, funk and soul, including

the drummers of James Brown, Earth, Wind and Fire, Otis Redding and Sly and the Family Stone. the true originators of the modern hip-hop beats tell their stories, and the history of the funk comes to life. Appropriate for music fans of all kinds, and all drummers: beginners thru advanced.

Funk Hal Leonard Corporation

Given that hip hop music alone has generated more than a billion dollars in sales, the absence of a major black record company is disturbing. Even Motown is now a subsidiary of the Universal Music Group. Nonetheless, little has been written about the economic relationship between African-Americans and the music industry. This anthology dissects contemporary trends in the music industry and explores how blacks have historically interacted with the business as artists, business-people and consumers.

Rhythm And The Blues Springer

(Guitar Educational). A comprehensive source designed to help guitarists develop both lead and rhythm playing. Covers: Texas, Delta, R&B, early rock and roll, gospel, blues/rock and more. Who Did It First? Routledge

Rhythm and Blues, along with soul music has historically been written and produced by black Americans to reflect the African American experience in the United States. This book covers a range of styles within RandB, including boogie-woogie, Doo-Wop, jump blues, and 12-bar blues, Motown soul, 70s funk, urban contemporary, and hip hop soul.

The History of R & B and Soul Music Hal Leonard Corporation
 This is the most complete presentation of today's popular funk drumming style available. This book takes you from the very roots of rock and rhythm`n`blues drumming to the highly complex, multidirectional funk styles of today. He also details certain subtleties heretofore only a seasoned veteran would understand. While most drum instruction book concentrate on developing technique, reading ability, or independent coordination, this unique book accurately documents what is hip in rock`n`roll drumming today. the contents are geared to prepare the student for survival in a live playing situation. the book is a valid representation of what people want to hear from a drummer in a working situation - live or in the studio. It contains exercises drawn from many different influences covering coordination, rhythms, patterns, and phrasing.

New Orleans funk guitar Lexington Books

Nelson George and Alan Leeds have assembled the first comprehensive collection of writings about the late, great Godfather of Soul, creating a fascinating mosaic of the man and the musician. Known as the hardest-working man in show business, James Brown embodied rhythm and blues, funk and soul, and sensuality. His musical innovations in such indelible grooves as “Get Up (I Feel Like Being a) Sex Machine,” “I Got You (I Feel Good),” and “Papa’s Got a Brand New Bag,” transformed American music. To appreciate Brown’s immeasurable influence, to chronicle his professional and personal triumphs and struggles, and to capture his essence, writers from four decades weigh in on the legendary Soul Brother Number One. What emerges is a tribute to a trailblazer—one that no dedicated fan or music history buff will want to be without.

Rhythm Blues Beacon Press

Connecting classic rhythm & blues and rock & roll to the Civil Rights Movement, and classic soul and funk to the Black Power Movement, *The Hip Hop Movement* critically explores what each of these musics and movements contributed to rap, neo-soul, hip hop culture, and the broader Hip Hop Movement.

Soul Serenade UNC Press Books

chord voicings; and more. 60-minute audio accompaniment.

15 Easy Jazz, Blues & Funk Etudes Twenty-First Century Books™

A coming-of-age memoir about a young boy in rural Arkansas who searches for himself and his distant father through soul music Growing up in rural Arkansas, young Rashod Ollison turned to music to make sense of his life. The dysfunction, sadness, and steely resilience of his family and neighbors was reflected in the R&B songs that played on 45s in smoky rooms. Steeped in the sounds, the smells, the salty language of rural Arkansas in the 1980s, *Soul Serenade* is the memoir of a pop music critic whose love for soul music was fostered by his father, Raymond. Drafted into the Vietnam War as a teenager, Raymond returned a changed man, “dead on the inside.” After his parents’ volatile marriage ended in divorce, Rashod was haunted by the memory of his itinerant father and his mama’s long forgotten “sunshine smile.” For six-year-old Rashod, his father’s record collection—the music of Aretha Franklin, Bobby Womack, Al Green, and others—provided solace, coherence, and escape. Moving nine times during his childhood, Rashod constantly adjusted to new schools and homes with his two sisters, Dusa and Reagan, and his mother, Dianne. Resilient and tough, while also being distant and punitive, she worked multiple jobs, striving “to make ends wave at each other if they couldn’t meet.” He spent time with his acerbic mother’s mother, Mama Teacake, and her family’s living-out-loud ways, which clashed with his father’s family—religious, discreet, and appropriate—where Rashod gravitated to Big Mama and Paw Paw, his father’s parents. Becoming aware of his same-sex attraction, Rashod felt further isolated and alone but was

encouraged by mentors in the community who fostered his intelligence and talent. He became transformed through discovering the writing of Toni Morrison, Alice Walker, Nikki Giovanni, and other literary greats, and these books, along with the soulful sounds of the 1970s and 80s, enabled him to thrive in spite of the instability and harshness of his childhood. In textured

and evocative language, and peppered with unexpected humor, *Soul Serenade* is an original and captivating coming-of-age story set to an original beat.
