Stories In WesternThis story is relevant to modern romance partly because of the image of reciprocity it shows

between the sexes. In the final speech before Alcibiades arrives, Socrates gives his encomium of love and desire as a lack of being, namely, the being or form of beauty. René Girard Romance (love) - Wikipedia In the light of poststructuralist theory, and with reference to the work of Lacan and Derrida in particular, Catherine Belsey argues that fiction - including poetry, drama and film - is paradoxically the most serious location of writing about desire in Western cultura.
