After completing basic biblical Greek, students are often eager to continue to learn and strengthen their skills of translation and interpretation. This intermediate graded reader is designed to meet those needs. The reader is "intermediate" in the sense that it presumes the user will have already learned the basics of Greek grammar and syntax and has memorized Greek vocabulary words that appear frequently in the New Testament. The reader is "graded" in the sense that it moves from simpler translation work (Galatians) towards more advanced readings from the book of James, the Septuagint, and from one of the Church Fathers. In each reading lesson, the Greek text is given, followed by supplemental notes that offer help with vocabulary, challenging word forms, and syntax. Discussion questions are also included to foster group conversation and engagement.

Greek philosophical writing and Plato in particular is often the target. This book's material has been tried and tested by the author over the years with adult classes, and can be used as a course textbook, or as a handbook for self-teaching. Readings in later sections consist of passages of continuous Greek from Plato's Meno, a typical Platonic dramatic dialogue.
