The Importance of a Leader's Heart - Michael Hyatt

God is seeking leaders for His kingdom who minister from Christ-like hearts. This book presents the heart qualifications of

leadership that all
Christians must have: the
heart of a father, the
heart of a servant, and
the heart of a shepherd.
The best leaders

understand the feeling of
their team members,
customers and associates.
They know when to
praise, and when to
discuss problems (usually
in private). Without

empathy, leaders will be
seen as cold, harsh and
lacking understanding.
They're also likely to be
regarded as
untrustworthy.
