The Rapture Exposed Baker Books

The emotionally evocative power of the book of Revelation has been often noted and experienced by interpreters, but until now it has never been systematically explored. The strange visions of the book of Revelation provide some of the most difficult passages of the New Testament, yet Christians have long been fascinated by its power and provocative pronouncements. David deSilva analyzes how the book argues and persuades us to see the world through the eyes of John, and suggests that the study of ancient rhetoric is particularly valuable in understanding the book of Revelation. deSilva interprets the book of Revelation as a rhetorical and communicative strategy to persuade a particular audience for specific goals. Throughout this analysis, he pursues John's construction of his own authority, John's use of emotion and logic, and his attempt to shape the formation of the reader. Despite the complexities of Revelation, deSilva has produced a remarkably clear text sure to cause readers to rethink their view of Revelation.

Study questions make this new edition ideal for use in classrooms and study groups. The Last Days According to Jesus United Church of God

Many Christians think of end times prophecy as a gigantic, intimidating puzzle -- difficult to piece together and impossible to figure out. But every puzzle can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle. Putting the edge pieces together first builds the 'framework' that makes it easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his comprehensive survey by explaining the major covenants. Then he discusses several different interpretations of end times prophecy. Benware digs into the details of the Rapture, the Great Tribulation, the judgements and resurrections, and the millennial kingdom. But he also adds a unique, personal element to the study, answering questions as: -Why study bible prophecy? -What difference does it make if I'm premillennial or amillenial? If what the Bible says about the future puzzles you, Understanding End Times Prophecy will help you put together the pieces and see the big picture.

Psychologists have long known that every person has two great longings and inward needs. The first is to be loved, and the second is to love. But when pressures and heartaches come into our lives, many give up any hope of ever finding love. The tragedy is that we often look in the wrong places to fill this deep, deep need and longing. Some substitute lust for love. Others pursue material things or superficial relationships-all in the futile attempt to fill a God-shaped vacuum in the human heart. But there is good news! There is a love worth finding and a love worth sharing. The Bible says, "For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life" (John 3:16). On the cross of Christ, God's mighty love was revealed and offered unconditionally to all who would be saved. Do you long to know this mighty love? Then I need to ask you the most important question you'll ever be asked: Do you know beyond a shadow of a doubt that God loves you, that your sins are forgiven, and that you are saved and on your way to heaven? The great news is, you can know! Let me share with you how to discover the greatest love worth finding. Admit Your Sin. First, you must admit that you are a sinner. The Bible says, "There is none righteous, no, not one" (Romans 3:10). "For all have sinned, and come short of the glory of God" (Romans 3:23). It is our sin that separates us from God and from fulfilling our deepest needs and longings. Sin is an offense against God that carries a serious penalty. According to Romans 6:23, "The wages of sin is death [eternal separation from the love and mercy of God]." Abandon Your Efforts. Second, you must abandon any efforts to save yourself. If we could save ourselves, Jesus' death would have been unnecessary! Even "getting religion" cannot get you to heaven. The Bible says it is "not by works of righteousness which we have done, but according to His [God's] mercy He saved us" (Titus 3:5). Salvation is by God's grace, "not of works, lest any man should boast" (Ephesians 2:8-9). Acknowledge Christ's Payment. What you cannot do for yourself, Jesus Christ has done for you! "But God commendeth His love toward us, in that, while we were yet sinners, Christ died for us" (Romans 5:8). He died on the cross for you, and then rose from the dead to prove that His payment was acceptable to God. But you must acknowledge and believe this fact. "Believe on the Lord Jesus Christ, and

thou shalt be saved" (Acts 16:31). Accept Christ as Your Savior. Salvation is God's gift to you. "The gift of God is eternal life through Jesus Christ our Lord" (Romans 6:23). When someone offers you a priceless gift, the wisest thing you can do is accept it! This very moment, you can receive Christ's gift of salvation by sincerely praying this simple prayer from your heart: Dear God, I know that I am a sinner. I know that You love me and want to save me. Jesus, I believe You are the Son of God, who died on the cross to pay for my sins. I believe God raised You from the dead. I now turn from my sin and, by faith, receive You as my personal Lord and Savior. Come into my heart, forgive my sins, and save me, Lord Jesus. In Your name I pray. Amen. Friend, if you have not yet made a decision for Christ, I urge you to receive Him today. You'll be eternally glad to know the love worth finding!

Holman New Testament Commentary - Revelation Review and Herald Pub Assoc

The book of Revelation is one of the most rewarding books to study in all Scripture. But the problem for many today is that they have no idea what the book means or how to determine what it means. Follow the Lamb goes a long way in helping the student of Revelation grasp its richness and heed its exhortations. Dalrymple's guide provides key principles in reading Revelation responsibly. The first key is that the book is about Jesus—his supremacy and sovereignty. The second key is that the language and images used in the book of Revelation derive from the Old Testament. Though many readers get caught up in the mire of John's imagery and efforts to discern what the symbols mean, this principle simplifies the search for meaning. Each chapter in Follow the Lamb concludes with an important For Further Study section, making it an ideal resource for individual or group study. These questions and exercises and reflection guides make personal application of Revelation meaningful and rich. The book of Revelation contains an important message for the people of God, both then and now—namely, that the people of God must emulate Jesus and faithfully proclaim the kingdom of God, even to the point of death. This means they are called to "follow the Lamb wherever He goes" (Rev. 14:4).

Reading Revelation Responsibly P & R Publishing

G. K. Beale's monumental New International Greek Testament Commentary volume on Revelation has been highly praised since its publication in 1999. This shorter commentary distills the superb grammatical analysis and exegesis from that tome (over 1,300 pages) into a book more accessible and pertinent to preachers, students, and general Christian readers. As in the original commentary, Beale views Revelation as an integrated whole, as

a conscious continuation of the Old Testament prophetic books, and shows that recognizing Revelation's nearly constant use of Old Testament allusions is key to unlocking its meaning. Interspersed throughout the volume are more than sixty sets of "Suggestions for Reflection" to help readers better grasp the relevance of Revelation to their lives and our world today.

This volume deals with the varied forms of shame reflected in biblical, theological, psychological and anthropological sources. Although traditional theology and church practice concentrate on providing forgiveness for shameful behavior, recent scholarship has discovered the crucial relevance of social shame evoked by mental status, adversity, slavery, abuse, illness, grief and defeat. Anthropologists, sociologists, and psychologists have discovered that unresolved social shame is related to racial and social prejudice, to bullying, crime, genocide, narcissism, post-traumatic stress and other forms of toxic behavior. Eleven leaders in this research participated in a conference on The Shame Factor, sponsored by St. Mark's United Methodist Church in Lincoln, NE in October 2010. Their essays explore the impact and the transformation of shame in a variety of arenas, comprising in this volume a unique and innovative resource for contemporary religion, therapy, ethics, and social analysis.

For thousands of years people have been fascinated with predictions of the end of the world. If we look into the inspired writings of the biblical prophets and apostles, we find many prophecies that refer to the time of the end. Should we take them seriously? Are world conditions such that these prophecies could be fulfilled in our day? Jesus Christ Himself talked of a future time so horrendous that no human lives would be spared "unless those days were shortened" (Matthew 24:22). Did He have our time in mind? Many biblical warnings leave us in no doubt that increasingly cataclysmic events will occur before God's direct intervention in human affairs. These terrifying prophecies will see their fulfillment at some future time. The crucial question is when. Of that day and hour no one knows, not even the angels of heaven, but My Father only" (Matthew 24:36)." "Some think the subject of the end time in the Bible is mainly confined to the New Testament. But beginning in Genesis, the first book of the Bible, the Scriptures look beyond our present evil age to the time of the establishing of God's Kingdom. Old Testament scriptures have much to say about events that take place during the end of this age and the following "world to come."" "When Scripture mentions "the time of the end" or "the end of the age," it is referring to the coming end of the present evil age. This age—in reality the age of Satan—will draw to an end, replaced by the age of God's rule over and guidance of all of humanity." "Revelation is a book written to reveal the future, and Jesus Christ is the One who does the revealing...Here is the theme of Revelation—the time of the end of the age and the return

of Jesus Christ to establish God's Kingdom on earth." "How should we view prophecy? Can it provide spiritual benefits? The apostle Peter mentioned that prophecy should serve to strengthen our hope and faith in the future (2 Peter 1:19)."

The Book of Revelation Unveiled Basic Books

Drawing on the cutting edge of modern scholarship, this astonishing book completely undermines the traditional history of Christianity that has been perpetuated for centuries by the Church and presents overwhelming evidence that the Jesus of the New Testament is a mythical figure. "Whether you conclude that this book is the most alarming heresy of the millennium or the mother of all revelations, *The Jesus Mysteries* deserves to be read."

—Fort Worth Star-Telegram Far from being eyewitness accounts, as is traditionally held, the Gospels are actually Jewish adaptations of ancient Pagan myths of the dying and resurrecting godman Osiris-Dionysus. The supernatural story of Jesus is not the history of a miraculous Messiah but a carefully crafted spiritual allegory designed to guide initiates on a journey of mystical discovery. A little more than a century ago, most people believed that the strange story of Adam and Eve was history; today it is understood to be a myth. Within a few decades, authors Timothy Freke and Peter Gandy argue, we will likewise be amazed that the fabulous story of God incarnate—who was born of a virgin, who turned water into wine, and who rose from the dead—could have been interpreted as anything but a profound parable.

Follow the Lamb Lexham Press

Revelation speaks to the reality that we are caught in the fray of cosmic conflict. We are guilty. We've already been contaminated. But it's not too late for us to exit empire and enter the kingdom. We are yet both victim and victimizer. We have healing work to do, and we must take responsibility for the ways in which we have benefited from and been complicit with the religion of empire. This is the truth of Revelation. God wants to liberate us in body, heart, soul, and mind. Revelation reveals how scapegoating functions within empire to define its own boundaries and contours as being over and against wicked others. Revelation critiques wealth and shows that even in the first century there was prophetic critique against an economic system that was based on abundance for some, while exploiting the rest. Revelation demonstrates the importance of liturgy as something that forms people into the likeness of either empire or the lamb. Revelation reveals an alternative social order which becomes the center of resistance rooted in a vision of what the book describes as "the multitude."
