Blood & Sand: The First Book of Rue Orca Book Publishers
Longlisted for the National Book Award "Mind-blowing." —Kim Gordon DEADPAN, EPIC, AND SEARINGLY CHARISMATIC, A Sand Book chronicles climate change and climate grief, gun violence and bystanderism, state violence and complicity, mourning and ecstasy, sex and love, and the transcendent shock of prophecy, tracking new dimensions of consciousness for our strange and desperate times.

50 Cent: Blood on the Sand Tin House Books

Jae is a slave in a dying desert world. Once verdant with water from a magical Well, the land is drying up, and no one remembers the magic needed to keep the water flowing. If a new source isn't found soon, the people will perish. Jae doesn't mind, in a way. By law, she is bound by a curse to obey every order given her, no matter how vile. At least in death, she'll be free. Elan's family rules the fading realm. He comes to the estate where Jae works, searching for the hidden magic needed to replenish the Well, but it's Jae who finds it, and she who must wield it. Desperate to save his realm, Elan begs her to use it to locate the Well. But why would a slave—abused, beaten, and treated as less than human—want to save the system that shackles her? Jae would rather see the world burn. Though revenge clouds her vision, she agrees to help if the realm's slaves are freed. Then Elan's father arrives. The ruler's cruelty knows no limits. He is determined that the class system will not change—and that Jae will remain a slave forever. "Ferocious and intelligent." —Kirkus Reviews "Allen's lush debut mixes current, pressing questions with fantasy while exploring systematic injustice and historical oppression...readers will clamor for the sequel." —Publishers Weekly

Blood on the Sand University Press of Kentucky

Eight teens are dropped off on a remote west-coast island for a week-long treatment program called INTRO (Into Nature to Renew Ourselves). The story is told by two of them: Alice, whose police-officer mother believes Alice might have a substance-abuse problem, and Caleb, who assaulted his abusive stepfather. They are joined by six other miscreants and three staff: a psychologist, a social worker and an ex-cop. On the first night, one of the girls disappears from her cabin. There is a panicked search of the island, but she is nowhere to be found. The adults seem oddly ineffectual in dealing with the crisis—and then the ex-cop gets sick and dies. The radio has been sabotaged, and there is no way to call for help. When the social worker also becomes ill, the kids decide to take matters into their own hands and track down the killer.

Best Book of 2015 by Amazon | Barnes and Noble | BuzzFeed • "Promises to be breathtaking." —Robin Hobb The Song of the Shattered Sands: Book One Sharakhai, the great city of the desert, center of commerce and culture, has been ruled from time immemorial by twelve kings -- cruel, ruthless, powerful, and

immortal. With their army of Silver Spears, their elite company of Blade Maidens and their holy defenders, the terrifying asirim, the Kings uphold their positions as undisputed, invincible lords of the desert. There is no hope of freedom for any under their rule. Or so it seems, until Çeda, a brave young woman from the west end slums, defies the Kings' laws by going outside on the holy night of Beht Zha'ir. What she learns that night sets her on a path that winds through both the terrible truths of the Kings' mysterious history and the hidden riddles of her own heritage. Together, these secrets could finally break the iron grip of the Kings' power...if the nigh-omnipotent Kings don't find her first.

The Siege of Calais, during the Hundred Years' Wars. The thrilling second novel in a new series for master of the historical adventure, Michael Jecks, perfect for fans of Bernard Cornwell and Conn Iggulden. Calais, 1346. Berenger Fripper and his men are stationed in the ancient port city, a city under English control and surrounded by enemies. They are here to defend their newly won territory from the French and their allies the Genoese. Enemies are all about them, but there is also trouble within. Someone in the vintaine is leaking vital information to the French, jeopardizing not only the safety of the men but also the future of the war, and Berenger must find out who before it's too late. And when the vintaine is attacked at sea and captured by the Genoese it looks as though their luck has run out. Can Berenger defeat the enemies that surround him and keep the English victorious?

Blood in the Sand National Geographic Books

A story of heroism, friendship, and courage in World War 2—as seen in the award-winning HBO miniseries *The Pacific*. In 1944, the U.S. Marines were building the 5th Marine Division—also known as "The Spearhead"—in preparation for the invasion of the small, Japanese-held island of Iwo Jima... When Chuck Tatum began Marine boot camp, he was just a smart-aleck teenager eager to serve his country. Little did he know that he would be training under a living legend of the Corps—Medal of Honor recipient John Basilone, who had almost single-handedly fought off a Japanese force of three thousand on Guadalcanal. It was from Basilone and other sergeants that Tatum would learn how to fight like a Marine and act like a man—skills he would need when he hit the black sand of Iwo Jima with thirty thousand other Marines. *Red Blood, Black Sand* is the story of Chuck's two weeks in hell, where he would watch his hero, Basilone, fall, where the enemy stalked the night, where snipers haunted the day, and where Chuck would see his friends whittled away in an eardrum-shattering, earth-shaking, meat grinder of a battle. This is the island, the heroes, and the tragedy of Iwo Jima—through the eyes of one who survived it.

The Sand Child Hachette UK

The dust around the site of the Sand Creek Massacre settled long ago. The blood spilled there no longer stains the ground. But the echoes of rifle shots, the death cries of the slain, and the words of accusation and slander reverberate yet - 150 years after the battle. What really happened at Sand Creek, Colorado? Were the

Native American inhabitants of the village hapless victims or aggressive fighters? How did the War Between the States influence hostilities between people groups on the plains? Was Civil War hero Colonel John Chivington a ruthless murderer of innocent women and children, or a political scapegoat? *Blood at Sand Creek* reaches conclusions that will surprise some. Using rare documents, sworn affidavits, and military records, historian Bob Scott reexamines the fateful battle. Under his masterful pen, the drama and intrigue of the Sand Creek Massacre unfolds. Its powerful leading characters live again in these pages, inviting you to find truth amid the tragedy in the *Blood at Sand Creek* -- Back cover.

Having been born in the Middle East and raised among Arabs, Christians, and Jews, Pastor Hinn has a truly unique perspective on the Middle East. He shares personal memories of growing up in the region, scriptural prophecies pertaining to the current crisis, and his own heart regarding what he believes is on the horizon. (Practical Life)

Blood in the Sand Prima Games

Blood in the Sand is Stephen Eric Bronner's powerful critique of the current state of American foreign and domestic policy, ranging from the government's initial response to 9/11 and the assault on Afghanistan through the Iraqi War and the ramifications of the Israeli-Palestinian conflict. Bronner, who just months before the war began spent time in Iraq as part of a peace delegation, examines the state of twenty-first century America, a nation in which security against future terrorist attacks has become an obsession, "moral values" have turned into a slogan, and belief in the right to engage in a preemptive strike has come to define foreign policy. In *Blood in the Sand*, Bronner develops a bold new framework for a modern democratic foreign policy. In doing so, he passionately warns of the consequences of failure to alter the current course of events in America: extreme economic inequalities of power, political authoritarianism, imperialist ambitions, and an increasingly constrained cultural climate.

Twelve Kings in Sharakhai HarperCollins

"From the lowest ranks of poverty to unprecedented heights of riches and popular acclaim--thus was the career of Juan Gallardo, Spanish bull fighter. In telling his story, Ibanez has achieved a novel even more dramatic and powerful than his legendary *Four Horsemen*. From his boyhood Juan longed to be a bull fighter and, as he climbs the ladder step by step, the reader lives with him in the very atmosphere of the arena. No detail of the picture is spared--one can see and almost hear the actual battle--the crowds--the many characters that stream through the pages. And Juan himself, with his vanities, his superstitions, his daring attacks, his wounds and recoveries, emerges as real, vital and colorful as the sport to which he and many others dedicated their lives."-- Goodreads

The Seductress Sexy siren Amy DeChant had a lifelong habit of finding men-- rich men-- who would take care of her. And when the money ran out, so did Amy. When she met wealthy bookie Bruce Weinstein at a poker room in Las Vegas, she had found the perfect prey... The Bookie 300-pound Bruce Weinstein was the most successful sports bookie in Las Vegas. When he met the red-haired, blue-eyed Amy DeChant, he was smitten. Amy immediately moved in with Bruce and he showered her with expensive gifts. But cars, furs and jewelry didn't hold a candle to the horde of cash Bruce had stashed in a hole in the wall of his home-- or the glittering fortune he kept in a safety deposit box... The Sin-City Murder Hoping to get her hands on Bruce's fortune, Amy murdered him and dumped his body in the Nevada desert--

then she poured industrial-strength cleaning fluid on his corpse to further decomposition. When police found the body and identified it as Weinstein's, the search for Amy was on. Finally, with the help of America's Most Wanted, the lethal lady was captured and found guilty of first-degree murder. *Blood in the Sand* is a fascinating case of greed, deception, and cold-blooded murder in the most outrageous city in the world.

Bravelands: Curse of the Sandtongue #3: Blood on the Plains Macmillan

'This is proper history. It is illuminating to pick up this book with the twenty-first century's crises of Brexit and Iraq in mind.' Jeremy Bowen (BBC correspondent, and author of *Six Days*). Over sixteen extraordinary days in October and November 1956, the twin crises of Suez and Hungary pushed the world to the brink of a nuclear conflict and what many at the time were calling World War III. *Blood and Sand* is a revelatory new history of these dramatic events, for the first time setting both crises in the context of the Arab-Israeli conflict, and the treacherous power politics of imperialism and oil. *Blood and Sand* tells this story hour by hour, with a fascinating cast of characters including Gamal Abdel Nasser, Anthony Eden, Dwight D. Eisenhower, Nikita Khrushchev, Christian Pineau, Imre Nagy and David Ben-Gurion. It is a tale of conspiracy and revolutions, spies and terrorists, kidnappings and assassination plots, the fall of the British Empire and the rise of American hegemony. *Blood and Sand* is essential to our understanding of the modern Middle East and resonates powerfully with the problems of oil control, religious fundamentalism and international unity that face the world today.

50 Cent: Blood on the Sand Johns Hopkins University Press

A poetic vision of power, colonialism, and gender in North Africa, *The Sand Child* has been justifiably celebrated around the world as a daring and significant work of international fiction.

A #1 New York Times bestseller! Sarah J. Maas's brand-new CRESCENT CITY series begins with *House of Earth and Blood*: the story of half-Fae and half-human Bryce Quinlan as she seeks revenge in a contemporary fantasy world of magic, danger, and searing romance. Bryce Quinlan had the perfect life--working hard all day and partying all night--until a demon murdered her closest friends, leaving her bereft, wounded, and alone. When the accused is behind bars but the crimes start up again, Bryce finds herself at the heart of the investigation. She'll do whatever it takes to avenge their deaths. Hunt Athalar is a notorious Fallen angel, now enslaved to the Archangels he once attempted to overthrow. His brutal skills and incredible strength have been set to one purpose--to assassinate his boss's enemies, no questions asked. But with a demon wreaking havoc in the city, he's offered

an irresistible deal: help Bryce find the murderer, and his freedom will be within reach. As Bryce and Hunt dig deep into Crescent City's underbelly, they discover a dark power that threatens everything and everyone they hold dear, and they find, in each other, a blazing passion—one that could set them both free, if they'd only let it. With unforgettable characters, sizzling romance, and page-turning suspense, this richly inventive new fantasy series by #1 New York Times bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom—and the power of love.

Bound by Blood and Sand Dreamspinner Press

Ancient vampire Rue keeps to herself. It makes it easier to fight the constant hunger that plagues her. That is, until the night she catches Grace—a not very good vampire hunter—stalking her through the streets of Dublin. Something about Grace is achingly familiar. And strangely irresistible. Rue soon learns that Grace is herself being hunted, and is thrown into a battle she never wanted, to save a woman who wants her dead. As Rue unravels the horrifying and treacherous plot, she also uncovers a secret about Grace that could change everything. Along the way, Rue finds herself drawn to the girl, and is forced to choose: Continue her solitary life of safety, or risk it all for love? Through it all, Rue recalls her creation and formative nights in an ancient world far from the rainy streets of Dublin, a world where she learned to live, love, hunt and kill.

With Blood Upon the Sand Books of Rue

In late February and early March of 1836, the Mexican Army under the command of General Antonio López de Santa Anna besieged a small force of Anglo and Tejano rebels at a mission known as the Alamo. The defenders of the Alamo were in an impossible situation. They knew very little of the events taking place outside the mission walls. They did not have much of an understanding of Santa Anna or of his government in Mexico City. They sent out contradictory messages, they received contradictory communications, they moved blindly and planned in the dark. And in the dark early morning of March 6, they died. In that brief, confusing, and deadly encounter, one of America's most potent symbols was born. The story of the last stand at the Alamo grew from a Texas rallying cry, to a national slogan, to a phenomenon of popular culture and presidential politics. Yet it has been a hotly contested symbol from the first. Questions remain about what really happened: Did William Travis really draw a line in the sand? Did Davy Crockett die fighting, surrounded by the bodies of two dozen of the enemy? And what of the participants' motives and purposes? Were the Texans justified in their rebellion? Were they sincere patriots making a last stand for freedom and liberty, or were they a ragtag collection of greedy men-on-the-make, washed-up politicians, and backwoods bullies, Americans bent on extending American slavery into a foreign land? The full story of the Alamo -- from the weeks and months that led up to the fateful encounter to the movies and speeches that continue to remember it today -- is a quintessential story of America's past and a fascinating window into our collective memory. In *A Line in the Sand*, acclaimed historians Randy Roberts and James Olson use a wealth of archival sources, including the diary of José Enrique de la Peña, along with important and little-used Mexican documents, to retell the story of the Alamo for a new generation of Americans. They explain what happened from the perspective of all parties, not just Anglo and Mexican soldiers, but also Tejano allies and bystanders. They delve anew into the mysteries of Crockett's final hours and Travis's famous rhetoric. Finally, they show how preservationists, television and movie producers, historians, and

politicians have become the Alamo's major interpreters. Walt Disney, John Wayne, and scores of journalists and cultural critics have used the Alamo to contest the very meaning of America, and thereby helped us all to "remember the Alamo."

Blood in the Sand Penguin

Ever since he was a child, Metal Gear Solid and Death Stranding creator Hideo Kojima was a voracious consumer of movies, music, and books. They ignited his passion for stories and storytelling, and the results can be seen in his groundbreaking, iconic video games. Now the head of independent studio Kojima Productions, Kojima's enthusiasm for entertainment media has never waned. This collection of essays explores some of the inspirations behind one of the titans of the video game industry, and offers an exclusive insight into one of the brightest minds in pop culture. -- VIZ Media

A Line in the Sand Canelo

On the June 6, 2004, while on assignment in Riyadh, BBC security correspondent Frank Gardner and cameraman Simon Cumbers were ambushed by Islamist gunmen. Simon was killed outright. Frank was hit in the shoulder and leg. As he lay in the dust, a figure stood over him and pumped four more bullets into his body at point-blank range... Against all the odds, Frank Gardner survived. Today, although partly paralysed, Frank continues to travel the world, reporting and making documentaries for the BBC. This acclaimed memoir was brought up to date with a new chapter that recounted his return to Saudi Arabia for the first time since he was shot and the story he tells continues to move and inspire, and remains an affirmation of his deep understanding of - and affection for - the Islamic world in these uncertain times. ___ 'Gardner tells his remarkable tale well and bravely, with an astonishing lack of anger and enduring love and respect for the Islamic world' SUNDAY TIMES 'Brave, unsentimental and genuinely inspiring' EVENING STANDARD 'What makes Gardner's moving, often humorous, deeply personal story so important is the fact that he has woven into it a brilliantly dispassionate, clear-eyed account of the Islamic world' SCOTSMAN 'A witty, self-deprecating, inspiring testament' DAILY TELEGRAPH

Blood On the Sand Simon and Schuster

"Rome's foreign policy in the East has been the subject of many books, but until now there has been no detailed study of the individual wars Rome fought against Parthia from the military perspective. This book details Rome's military encounters with Parthia from the bumbling campaign of Crassus to the fall of the Parthian regime. America's recent war in Iraq has shown that invading Mesopotamia without proper intelligence is a bad idea, but it is not a new idea. Time after time the Romans stormed into the area between the Tigris and Euphrates thinking 'shock and awe' was all they needed to prevail. What they discovered was that it takes more than just overrunning an empire to defeat it. Exhausting the Parthian regime and furthering its collapse only brought forward a new enemy, the Persians, who were much stronger and more aggressive than the Parthians ever were. We may legitimately ask, therefore, whether Rome's aggressive policy against Parthia made Rome's eastern frontier less secure." "Did the Romans attack the Parthians in self-defence, or because they simply would not tolerate the co-existence of an equal power on their border? Its size alone made the Parthian Empire formidable. This certainly counterbalanced Rome's hegemony in the West. What did the Romans gain by attacking Parthia? This book will give a historical perspective on what is still a strikingly modern problem when waging war in the Middle East." --Book Jacket.
