28 Days to a New You is a spiritual self-discovery book pertaining to all aspects of mind, body and Spirit. There is a belief that it takes 21 days to change a habit. This is an average assessment as some individuals may take longer to modify what they wish to change; whereas some people can do so very quickly. Learning to love myself for who I am and embracing all of my experiences has been the catalyst for transformation in my own life. Embarking on a spiritual journey has offered me the fortitude necessary to believe that anything is possible and to achieve it as well. As an Intuitive Medium, Reiki Master and Spiritual Teacher, my personal mission is to assist others on their own journey into consciousness while encouraging them to live an authentic life through awareness and empowerment. Coming from a place of respect, truth, integrity and love, I honor your free will and recognize that you are co-creating your reality with the Universe. My intention is to bring understanding, help you to heal from the past and realize your full potential. I invite you to begin your life in a new way and tap into your inner power as you explore who you really are. Refrain from simply existing and elect to live your life fully without regret. It is time to let go of the past, live in the present and look to the future for it is this attitude that will transform you. *Let's Connect Level 1 Student's Book Polish Edition* Cambridge University Press

"Connect is a four-level, four-skills American English course for young adolescents. Connect encourages students to connect to English through contemporary, high-interest topics and contexts, fun dialogs, and games. *Connecting Math Concepts Level B, Workbook 1* Currency

"This practical, politically neutral book offers concrete skills for holding meaningful conversations that cut across today's intense political divide, showing readers how to connect to the people in their lives. Political polarization is at an all-time high, and the consequences for our personal relationships are significant. Many people have friends and family members with whom they feel they can no longer communicate because of their extreme political views. In this book, psychologist Tania Israel presents her program for helping people have meaningful, constructive conversations with those they disagree with politically. Chapters show readers how to develop and use the scientifically-proven skills that are the foundation of constructive conversation, including strategies for effective listening, managing emotions, and understanding someone else's perspective, as well as finding common ground, avoiding self-righteousness, and telling your own story. Throughout, conversation prompts, practical exercises, case examples, and self-quizzes help readers visualize and practice starting, sustaining, and ending challenging conversations"--

**How to Connect with People Effectively** Cambridge University Press

Let's Connect is a three-level course for upper primary schools. It presents language through humour and fun. The course covers all of the topic areas, grammar and language skills recommended by the Ministry of Education in the New Framework Curriculum. The Student's Book teaches real communication through everyday dialogues. It develops speaking, listening, reading and writing skills through high-interest topics. Theme Projects encourage students to find out more about the world and Get It Right! sections help Polish learners to overcome common difficulties. [Connect Level 1 Teacher's Edition](#) American Bar Association The three books in the Interactions Integrated Skills Program provide an in-depth coverage of the four major language skills: reading, writing, listening, and speaking. In addition, a strong grammar component acts as a foundation for students to rely on while mastering their new skills. The content and themes found in the new Integrated Skills Editions are based on materials from the highly successful Interactions series. Like its parent series, the Integrated Skills Program places a great emphasis on the development of skills and strategies in all language areas. All of the reading selections found in the Interactions Integrated Skills Editions, are fresh and new, with a wide variety of formats and themes. Each selection is accompanied by a host of reading strategies and skill-building practice activities including guessing meaning from context, reading for main ideas and details, skimming, scanning, and so on. The writing component features a step-by-step approach to process writing and rewriting in a variety of different genres. Grammar is always presented in the context of the chapter theme, and each grammar topic is accompanied by a number of communicative practice activities. Finally, the listening/speaking section features detailed practice with specific listening strategies and includes a variety of engaging speaking activities based on the chapter theme. The Interactions Integrated Skills Program also features an exciting video component, with practice activities featured in the opening sections of each chapter.

Liar & Spy meets The Parker Inheritance in this whimsically complex story about human connection and the power we all have to determine our own fate. Is there anything more random than middle school? Sixth graders Oliver and Frankie don't think so. Their first few weeks have been full of weirdness -- lunchtime thievery, free beef jerky, and Matilda, the mysterious new girl who knows everything about them, but has a lot to learn about making friends. But what if none of it is random at all? What if a reclusive genius is keeping an eye on them and making sure the tiny pieces of his puzzle fall into place, one by one, until strange, seemingly unconnected incidents snowball totally out of control? Imagine the odds! First a cardamom shortage takes down the school bully. Then a giant dog leads to some extracurricular spying. Soon Oliver is being followed and Matilda is hacking the FBI. And by the time they discover a gang of angry clowns and the world's largest game of Mousetrap, an insanely brilliant plan has been set in motion that will change their lives forever. Connect the Dots is an intricately plotted story about the power of human connection and a chain of "coincidences" so serendipitous they must be destiny at work.

**Ask a Manager** Cambridge University Press

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

What is the one thing that determines health, happiness &

thriving more than any other factor, and at the same time is responsible for more confusion, isolation, heartache and angst than anything else? - Interpersonal relationships. Have you ever heard someone say, "It is not you it's me," and been left with an uneasy feeling that it was indeed about you? Or maybe you have witnessed someone refer to "toxic people," while silently thinking that individual was the one with issues? Perhaps you are trying to get over social isolation or romantic rejection? You just want to understand why someone did not choose you the way you chose them? Or possibly you want to understand how to kindly and honestly set boundaries for those who want more of you than you

are willing, or able, to give. If you are eager to discover how to gather and cultivate more quality relationships and less troubled ones, this book has answers. It provides insight, skills, research and tools to become a Next Level Human and build a Next Level Tribe. The people in our lives determine the quality of our lives. This book is all about learning to find new relationships, discard unhelpful ones and turn the important, but challenging ones, into our greatest friendships. Written by best friends and personal development coaches, Dr. Jade Teta & Danny Coleman, Next Level Tribe walks you through a mix of personal stories,

psychology research and social frameworks that will enhance and inspire you long after reading.
