His ascent as an unmistakable dramatist in the 1960s denoted the happening time of

Modern Indian Playwriting in Kannada. Throughout the previous four decades, Girish Karnad has been creating plays, frequently utilizing history and folklore to handle contemporary issues. In this book, I have tried to justify my title, "Girish Karnad: A Chronicler" As I am especially keen on the plays of Girish Karnad, I endeavored to gather all the basic translations of his plays to comprehend him insightfully. I have picked major works of him translated into English incorporating his plays in which he almost goes to an elusive land of history and legend. This book presented in six parts. My endeavour is to examine the utilization of legend in the plays of Girish Karnad. Girish Karnad has appropriately seen that our fantasies oversee the awareness of Indians, and even their fundamental demeanours towards regular daily existence are affected by the considerable stories; The Ramayana, The Mahabharatha, The Bhagavata, the Puranas, and story cycles like the Jataka Tales, Panchatantra, Kathasaritsagara, Vikramadityacharita, and others, which are loaded with the legends of our nation. In this way, Karnad found that utilizing

fantasies to manage contemporary issues was a certain method to catch the creative energy of the groups of onlookers and attract their thoughtfulness regarding crucial issues of present-day times.

A land from the past, potent with dreams and legends, enfolds the traveller in a powerful and unsettling embrace. Ravi is bewitched and entranced as everything around him—the villagers; their children whom he teaches in a makeshift school; the elders who see him as a threat; the toddy-tappers; the shamans—takes on the quality of myth. And then reality, painful and threatening, begins to intrude on the sojourner's resting place and Ravi begins to understand that there is no escape from the relentless dictates of karma... Muhammad Bin Tughlaq, who ruled from Delhi in the fourteenth century, was a well-read scholar of the arts, theology, and philosophy. He was a mystic, as well as a poet - but also impatient, cruel and dogmatic. One of Delhi's most intelligent rulers ever, within twenty years he became one of its greatest failures. Karnad explores the "madness" that earned him the epithet "Mad Muhammad". Commentators (and Karnad himself) draw

parallels with the mood of India in the 1960s, moving from the idealism of the early Nehru era to political disillusionment.
