Wentworth Press
"There's nothing semi about Finn Murphy's trucking tales of The Long Haul."—Sloan e Crosley, Vanity Fair
More than

thirty years ago, Finn Murphy dropped out of college to become a long-haul trucker. Since then he's covered more than a million miles as a mover, packing, loading, hauling people's belongings all over America.

In *The Long Haul*, Murphy recounts with wit, candor, and charm the America he has seen change over the decades and the poignant, funny, and often haunting

stories of the people he encounters on the job.

The Commercial Car Journal
SAE International
Semi trucks are the biggest trucks on the road. The average semi truck drives about 45,000 miles (72,000 kilometers) each year. Learn more about these mighty machines in *Semi Trucks*, an AV2 media enhanced book.
