VANG KRUEGER

Future Friend Penguin Global
Written together with friend and journalist Boyd Hilton, this is a look at a year in the lives of Matt Lucas and David

Walliams-the good, the bad, the mundane, and the monumental. The year covered includes a mammoth nine-month Spinal Tap-esque tour where "Little Britain" goes in search of Great Britain. This milestone book offers an unrivaled close-up of a classic British

comedy act, as it happens, at the height of its powers. But it is also a journey into their pasts, reflecting on how they achieved their success. It covers their childhoods, family life, and early comedy performances as they found their feet; their complex friendship and working relationship; and the increasingly insane world they now inhabit. Mixing memoir and travelogue to paint an engrossing portrait of fame and comic genius, "Inside Little Britain" is a candid look inside the celebrity bubble in all its glamour and awfulness.

He has been arrested 11 times and fired from 3 different jobs ? including from XFM and MTV ? and he claims to have slept with over 2,000 women. In 2003 Russell was told that he would be in prison, in a

mental hospital or dead within six months unless he went in to rehab. He has now been clean for three years. In 2006 his presenting career took off, and he hosted the NME awards as well as his own MTV show, 1 Leicester Square, plus Big Brother's Big Mouth on Channel 4. He was awarded Time Out's Stand Up Comedian of the Year and won Best Newcomer at the British Comedy Awards. In 2007 Russell hosted both the Brit Awards and Comic Relief, and continued to front Big Brother's Big Mouth. His BBC2 radio podcast became the UK's most popular. Winner of the National Book Awards
Autobiography of the Year
The long-awaited autobiography of one of Britain's

best-loved actors Born the son of a Billingsgate market porter at the height of the Second World War, David Jason spent his early life dodging bombs and bullies, both with impish good timing. Giving up on an unloved career as an electrician, he turned his attention to acting and soon, through a natural talent for making people laugh, found himself working with the leading lights of British comedy in the 1960s and '70s: Eric Idle, Michael Palin, Bob Monkhouse and Ronnie Barker. Barker would become a mentor to David, leading to hugely successful stints in *Porridge* and *Open All Hours*. It wasn't until 1981, kitted out with a sheepskin jacket, a flat cap, and a clapped-out Reliant Regal, that David found the part that would capture the nation's hearts: the beloved Derek 'Del

Boy' Trotter in *Only Fools and Horses*. Never a one-trick pony, he had an award-winning spell as TV's favourite detective Jack Frost, took a country jaunt as Pop Larkin in the *Darling Buds of May*, and even voiced a crime-fighting cartoon rodent in the much-loved children's show *Danger Mouse*. But life hasn't all been so easy: from missing out on a key role in *Dad's Army* to nearly drowning in a freak diving accident, David has had his fair share of ups and downs, and has lost some of his nearest and dearest along the way. David's is a touching, funny and warm-hearted story, which charts the course of his incredible five decades at the top of the entertainment business. He's been a shopkeeper and a detective inspector, a crime-fighter and a market trader, and he ain't finished yet. As Del

Boy would say, it's all cushty.

Middle School: Save Rafe! Penguin UK
The hilarious, heart-warming and tear-jerking memoir from one of Britain's best-loved comedians and actors, Matt Lucas. Hello there. Welcome to my autobiography. Throughout this book I talk about my life and work, including *Little Britain*, *Come Fly With Me*, *Bridesmaids*, *Les Miserables*, *Alice In Wonderland* and, of course, *Shooting Stars*. The thing is, this is a bit different to most memoirs you may have read, because it comes in the form of an A-Z. For instance, B is for Baldy! - which is what people used to shout at me in the playground (not much fun), G is for Gay

(because I'm an actual real life gay) and T is for the TARDIS (because I'm a companion in *Doctor Who* now). You get the sort of thing. Anyway I hope you buy it at least twice. Thank you.

Peppa Goes Camping Random House
Wildly famous comedian, anarchic judge on *Britain's Got Talent*, and record-breaking long-distance swimmer, David Walliams is a man of many talents. He was launched to fame with the monumentally successful *Little Britain*, the characters from which have become embedded in our shared popular culture. 'I'm a Lady!', 'Computer says no!' and 'Bitty!' are some of the most famous catchphrases in British comedy. Yet Walliams is a mystery. Often described as a bundle of contradictions, he is an enigma, playing up his campness one

minute and then swimming 140 miles in a filthy river the next. To read Camp David is to be truly shocked, as well as tickled pink - Walliams bares his soul as never before and reveals a fascinating and complex mind. Containing extracts from his deeply private diaries, this extraordinary memoir unlocks many closely guarded secrets that until now have remained hidden in his past.
