Positive Affirmations for a Badass Fans of Rachel Hollis and Girl, Wash Your Face will love Becca Anderson's Badass Affirmations Even a badass needs daily affirmations: We all need reminders. You don't leap out of bed knowing you are amazing and about to have an incredible day. All of us have a lot of demands, pressures, to-do's and responsibilities. We find ourselves rushing around, working hard to please others. Often we find ourselves at the back of our own bus, having made everyone else happy but our own damn self. Then you go and beat yourself up about it. Let's stop that, shall we? The incredible art of self-affirmation: Positive living and affirmation queen Becca Anderson reminds you that you are pretty darn great. I had to learn to remind myself, but you know what? It feels pretty darn good. It is even kind of addictive in the best way. There are reasons we need esteem boosters. We pick up scars and get bumps and bruises in daily life. If you had a bad childhood, you have old "tapes" from poor parenting looping through your unconscious brain. "You'll never amount to anything. You're not good at sports. Your sister has a better singing voice than you, so we're sending her to music camp and you can stay behind and babysit." Even nice moms and dads perpetrate these parenting errors that leave marks on our souls. But, we can overcome with the right mix of badass affirmations. Every day and in every way, you can learn the art of self-affirmation. Self-affirmation adjustment: If you find yourself feeling overwhelmed and drained by life's busyness and demands, stop in your tracks and do an attitude adjustment, or more specifically a "gratitude adjustment." You have need for some "me TLC" and a dose of radical self-affirmation. In Badass Affirmations you will: • Learn the habit of affirming yourself daily • Experience a life filled with love, joy, fulfillment and satisfaction • Take control of your destiny • Strengthen your self-esteem
