This Study Text has been

reviewed by the examiner and concentrates on the key areas of the syllabus, taking into account the examiner's guidance on how topics will be examined. The Text takes a step-by-step approach to producing consolidated financial statements and lots of exercises which allow you to practise the workings. We guide you through the more problematic topics which can be brought into the preparation of single company financial statements, and encourage you to develop the critical awareness of problems in financial reporting which the examiner expects to see demonstrated at this level. The Study Text is suitable for both International and UK streams. Additional topics relating to the UK are covered in an online supplement.

BPP Learning Media is an ACCA Official Publisher. The P7 Advanced Audit and Assurance paper aims to develop further your application skills when

analysing, concluding and reporting on assurance engagements, building on the knowledge and skills gained from paper F8. As well as emphasising the practical aspects of carrying out assurance engagements from start to finish, this paper also develops your awareness of best practice and current developments in this field. It focuses on the following key themes: \* Audit framework and regulation, including ethical and professional considerations \* Quality control and practice management \* The audit and assurance process, from planning through to fieldwork and final review \* Reporting the results of audit and assurance engagements \* Current issues and developments within the field of audit and assurance. The examiner-reviewed P7 Study Text includes everything you need for this paper, including detailed guidance on the exam and the pilot paper questions. The question bank includes questions in the style of the P7 paper, and each chapter contains useful exam focus points

and chapter roundups. The Study Text provides an excellent source of the main professional and regulatory aspects of audit and assurance engagements, focussing on ethics and regulation and practice management, before going through the audit and assurance engagement process, and ending with a consideration of current issues and developments.
