What starts as a rags to riches story transforms into an adventure as this collection of legends explores the triumphs and failures of a young king and his accomplices. When Arthur, a young boy mistreated by his family, is put up to the challenge to remove a sword stuck in a stone, his moral character and embodiment of hope allows him to pass the test and win the sword, Excalibur. Artur is then named the king, and becomes the standard of leadership and the founder of Camelot. Wielding his prized sword, Excalibur, Arthur goes on to encounter enchantresses, assemble noble knights, and lead Britain's defense against the Saxon invasion. King Arthur will join his notable allies, Lancelot, Merlin, and the Lady of the Lake, to solve mysteries, achieve quests, and fight battles.
