At the Mountains of Madness Simon and Schuster

It is the biggest treasure hunt in history with contesting nations involved in a headlong race to

locate the Seven Wonders of the Ancient World. 4500 years ago, a magnificent golden capstone sat at the peak of the Great Pyramid of Giza. It was a source of immense power, reputedly capable of bestowing upon its holder absolute global power. But then it was divided into seven pieces and hidden, each piece separately, within the seven greatest structures of the age. Now it's 2006 and the coming of a rare solar event means it's time to locate the seven pieces and rebuild the capstone. Everyone wants it - from the most powerful countries on Earth to gangs of terrorists . . . and one daring coalition of eight small nations. Led by the mysterious Captain Jack West Jr, this determined group enters a global battlefield filled with booby-trapped mines, crocodile-infested swamps, evil forces and an adventure beyond imagining. 'More action, hair-raising stunts and lethal hardware than you'd find in four Bond movies. Reilly is the hottest action writer around' Evening Telegraph

The Great Zoo of China Simon and Schuster

The pickled Martian's tentacles are fraying at the ends and Professor Coffin's Most Meritorious Unnatural Attraction (the remains of the original alien autopsy, performed by Sir Frederick Treves at the London Hospital) is no longer drawing the crowds. It's 1895; nearly a decade since Mars invaded Earth, chronicled by H.G. Wells in THE WAR OF THE WORLDS. Wrecked Martian spaceships, back-engineered by Charles Babbage and Nikola Tesla, have carried the Queen's Own Electric Fusiliers to the red planet, and Mars is now part of the ever-expanding British Empire. The less-than-scrupulous sideshow proprietor likes Off-worlders' cash, so he needs a sensational new attraction. Word has reached him of the Japanese Devil Fish Girl; nothing quite like her has ever existed before. But Professor Coffin's quest to possess the ultimate showman's exhibit is about to cause considerable friction amongst the folk of other planets. Sufficient, in fact, to spark off Worlds War Two.

For the past three decades Robert Ludlum's bestselling novels have been enjoyed by hundreds of millions of readers worldwide and have set the standard against which all other thrillers are measured. His Covert-One series has been among his most beloved creations. Now comes the latest thrilling novel in the series: Robert Ludlum's The Moscow Vector At an international conference in Prague, Lt. Col. Jon Smith, an Army research doctor specializing in infectious diseases and secretly an agent attached to Covert-One, is contacted by a Russian colleague, Dr. Valentine Petrenko. Petrenko is concerned about a small cluster of mysterious deaths in Moscow and about the Russian government's refusal to release publicly any information or data on the

outbreak. When the two meet, they are attacked by a group of mysterious men and Petrenko is killed. His notes and medical samples are lost, and Smith barely escapes with his life. At the same time, a series of government officials around the world are coming down with a mysterious, fast-acting virus with a 100% fatality rate. These deaths are somehow related to the increasing militarism from the new Russian government, headed by the autocratic and ambitious President Victor Dudarev. With few clues and precious little time, Smith and Covert-One must unravel this mysterious plot and find the mysterious figure who stands at the center of it all. .
