<span></span> <div>New York Times Bestselling Author of Meet Me in Venice It was just one of those Malibu nights, dark as a velvet shroud, creamy waves crashing onto the shore, breeze soft as a kitten's breath.... But when Private Investigator to the stars, Mac Reilly, hears the sound of a woman's scream over the crashing waves, his low-key beach-bum lifestyle is changed forever. A beautiful, distraught woman wearing only a black lace negligee stands in the doorway of a fabulous beach house. In her hand, a gun, and it's pointed directly at him. Mac escapes her bullet, but barely. Who is that woman? Days later she's disappeared and the Smith &amp; Wesson she almost killed him with finds its way into his car. Not so coincidentally, Allie Ray, star of the big screen and America's sweetheart, has also gone missing. The two women are connected, and Mac suddenly finds himself tangled up in a web of deception. He's going to need some help if he's going to get to the bottom of it all. This is where Sunny Alvarez comes in. Sunny and Mac have an on-again, off-again relationship. Lately it's been more off than on. But now he needs her more than ever. Together they go on a quest that takes them from Southern California, to the beaches of Mexico, to the streets of Rome, and the countryside of France. All the while they're one step behind an elusive murderer and one step ahead of an actress who wants nothing more than to get lost.... With Elizabeth Adler's trademark descriptions, plot twists, and irresistible characters, One of Those Malibu Nights is beach-reading suspense at its best.</div>

<span></span> <div>First published in 1993, The Virgin Suicides announced the arrival of a major new American novelist. In a quiet suburb of Detroit, the five Lisbon sisters—beautiful, eccentric, and obsessively watched by the neighborhood boys—commit suicide one by one over the course of a single year. As the boys observe them from afar, transfixed, they piece together the mystery of the family’s fatal melancholy, in this hypnotic and unforgettable novel of adolescent love, disquiet, and death. Jeffrey Eugenides evokes the emotions of youth with haunting sensitivity and dark humor and creates a coming-of-age story unlike any of our time. Adapted into a critically acclaimed film by Sofia Coppola, The Virgin Suicides is a modern classic, a lyrical and timeless tale of sex and suicide that transforms and mythologizes suburban middle-American life.</div>

<span></span> <div>A young woman gets caught up in the secrets and shadows of a big-screen legend and a small-town scandal in this #1 New York Times bestseller from Nora Roberts. Cilla McGowan, a former child star, has found a more satisfying life restoring homes. So she comes to Virginia’s Shenandoah Valley to save the dilapidated farmhouse of her grandmother—a legendary actress who died of an overdose there more than thirty years ago. Plunging into the project with gusto, Cilla’s almost too busy and exhausted to notice her neighbor, graphic novelist Ford Sawyer. Determined not to carry on the family tradition of ill-fated romances, Cilla steels herself against Ford’s quirky charm, though she can’t help indulging in a little fantasy. But it’s reality that holds its share of dangers for Cilla. A cache of unsigned letters found in the attic points to a mysterious romance in her grandmother’s life, and may be what sparks a frightening, violent assault. Now, if Cilla and Ford are unable to sort out who is targeting her and why, she may, just like her world-famous grandmother, be cut down in the prime of her life.</div>

And the committee for France’s highest literary honour, the Prix Goncourt, agrees. But when the shortlist is announced, there’s a problem for editor Violaine Lepage: she has no idea of the author’s identity. As the police begin to investigate a series of murders strangely reminiscent of those recounted in the book, Violaine is not the only one looking for answers. And, suffering memory blanks following an aeroplane accident, she’s beginning to wonder what role she might play in the story ... Antoine Laurain, bestselling author of The Red Notebook, combines intrigue and charm in this dazzling novel of mystery, love and the power of books.</div>

<span></span> <div>Told in elegant, evocative prose, a devastating and necessary testament to the August explosion that thoughtfully examines the crises that preceded it and its aftermath. At the start of the summer of 2020, in a Lebanon ruined by economic crisis and political corruption, in an exhausted Beirut still rising up for true democracy while the world was paralyzed by the coronavirus, Charif Majdalani set about writing a journal. He intended to bear</div>

Using small, everyday interactions—with fellow restaurant patrons, repairmen, the father of his wife’s patient, a young Syrian refugee—as openings to address larger systemic problems, he explains how events in Lebanon’s recent history led to this point. Then, on August 4, the explosion of 2,750 tons of ammonium nitrate in the port of Beirut devastated the city and the country. Majdalani’s chronicle suddenly became a record of the catastrophe, which left more than two hundred dead and thousands injured, and the massive public outcry that followed. In the midst of the senseless chaos and grief, however, he continues to find cause for hope in the kindness and resilience of those determined to stay and rebuild.</div>

<span></span> <div>The delightful first title in a new collaboration with Channel 4's Walter Presents: a fast-paced comic mystery enriched by a deep love of books In the small town of Crozon in Brittany, a library houses manuscripts that were rejected for publication: the faded dreams of aspiring writers. Visiting while on holiday, young editor Delphine Despero is thrilled to discover a novel so powerful that she feels compelled to bring it back to Paris to publish it. The book is a sensation, prompting fevered interest in the identity of its author - apparently one Henri Pick, a now-deceased pizza chef from Crozon. Sceptics cry that the whole thing is a hoax: how could this man have written such a masterpiece? An obstinate journalist, Jean-Michel Rouche, heads to Brittany to investigate. By turns farcical and moving, The Mystery of Henri Pick is a fast-paced comic mystery enriched by a deep love of books - and of the authors who write them.</div>

<span></span> <div>Written with verve and intensity (and a good bit of wordplay), this is the long-awaited study of Flaubert and the modern literary field that constitutes the definitive work on the sociology of art by one of the world’s leading social theorists. Drawing upon the history of literature and art from the mid-nineteenth century to the present, Bourdieu develops an original theory of art conceived as an autonomous value. He argues powerfully against those who refuse to acknowledge the interconnection between art and the structures of social relations within which it is produced and received. As Bourdieu shows, art’s new autonomy is one such structure, which complicates but does not eliminate the interconnection. The literary universe as we know it today took shape in the nineteenth century as a space set apart from the approved academies of the state. No one could any longer dictate what ought to be written or decree the canons of good taste. Recognition and consecration were produced in and through the struggle in which writers, critics, and publishers confronted one another.</div>

<span></span> <div>Annotation. This book is the true story of two people who came to Australia in the 1820s. John Campbell a victim of the Highland clearances in Sutherland, Scotland, emigrated to Van Diemen's Land in search of a better life. Charlotte Dawson, a petty thief from Lincolnshire, England, was tried,</div>	

convicted and sentenced to seven years transportation to New South Wales. The story follows John and Charlotte from cradle to grave, giving us a view of the conditions under which they lived, and consequently the trials and tribulations they endured. Their lives are influenced by the people they met and the context of their time. Their marriage is fraught with unfortunate incidents and separation. John and Charlotte represent the thousands of immigrants and convicts who settled in Australia in the first half of the 19th century. Social change was progressively bringing about better living conditions, but they lived in a time when the rights, interests and moral opinions of the privileged were still paramount to those of the common individual. Ordinary people, subject to the law, they often stumbled into circumstances which led to adverse consequences. This book therefore gives both a biographical and historical account of early Australia as experienced through the lives of a free settler and a convict. Some aspects of the story are raw and confronting, but the facts are a part of that early Australian history and their lives. David Otterman is a graduate of McMaster University, Hamilton, Canada and a geologist by profession. He has two papers published in technical volumes. This is his first work of biographical history.

Soon to be a major motion picture! Book 3 of the After series—newly revised and expanded, Anna Todd's After fanfiction racked up 1 billion reads online and captivated readers across the globe. Experience the internet's most talked-about book for yourself from the writer Cosmopolitan called “the biggest literary phenomenon of her generation.” Tessa and Hardin's love was complicated before. Now it's more confusing than ever. AFTER WE FELL...Life will never be the same. #HESSA Just as Tessa makes the biggest decision of her life, everything changes. Revelations about first her family, and then Hardin's, throw everything they knew before in doubt and makes their hard-won future together more difficult to claim. Tessa's life begins to come unglued. Nothing is what she thought it was. Not her friends. Not her family. The one person she should be able to rely on, Hardin, is furious when he discovers the massive secret she's been keeping. And rather than being understanding, he turns to sabotage. Tessa knows Hardin loves her and will do anything to protect her, but there's a difference between loving someone and being able to have them in your life. This cycle of jealousy, unpredictable anger, and forgiveness is exhausting. She's never felt so intensely for anyone, so exhilarated by someone's kiss—but is the irrepressible heat between her and Hardin worth all the drama? Love used to be enough to hold them together. But if Tessa follows her heart now, will it be...the end?

Charlotte Salomon is born into a family stricken by suicide and a country at war – but there is something exceptional about her. She has a gift, a talent for painting. And she has a great love, for a brilliant, eccentric musician. But just as she is coming in to her own as an artist, death is coming to control her country. The Nazis have come to power and, a Jew in Berlin, her life is narrowing – she is kept from her art, torn from her love and her family, chased from her country. And still she is not safe, not from the madness that has hunted her family, or the one gripping Europe . . . Charlotte is a heart-breaking true story – inspiring, unflinching, awful, hopeful – of a life filled with curiosity, animated by genius and cut short by hatred. A beautifully, lucidly told memorial, it has become an international sensation.

As seen in the New York Times Book Review. A December 2019 Indie Next Pick! Set against the Frankfurt Auschwitz Trials of 1963, Annette Hess's international bestseller is a harrowing yet ultimately uplifting coming-of-age story about a young female translator—caught between societal and familial expectations and her unique ability to speak truth to power—as she fights to expose the dark truths of her nation's past. If everything your family told you was a lie, how far would you go to uncover the truth? For twenty-four-year-old Eva Bruhns, World War II is a foggy childhood memory. At the war's end, Frankfurt was a smoldering ruin, severely damaged by the Allied bombings. But that was two decades ago. Now it is 1963, and the city's streets, once cratered are smooth and paved. Shiny new stores replace scorched rubble. Eager for her wealthy suitor, Jürgen Schoormann, to propose, Eva dreams of starting a new life away from her parents and sister. But Eva's plans are turned upside down when a fiery investigator, David Miller, hires her as a translator for a war crimes trial. As she becomes more deeply involved in the Frankfurt Trials, Eva begins to question her family's silence on the war and her future. Why do her parents refuse to talk about what happened? What are they hiding? Does she really love Jürgen and will she be happy as a housewife? Though it means going against the wishes of her family and her lover, Eva, propelled by her own conscience, joins a team of fiery prosecutors determined to bring the Nazis to justice—a decision that will help change the present and the past of her nation. Translated from the German by Elisabeth Lauffer
