*The Call of the Wild*

Oxford University Press  
The timeless story of the  
Christmastime  
redemption of notorious  
miser Ebenzer Scrooge,

Charles Dickens' A  
Christmas Carol is  
amongst the best-loved  
works of English  
literature. Scrooge goes

to bed one cold Christmas Eve, convinced his miserly ways are justified. During the night, he is visited by the ghost of Christmas Past, Christmas Present and Christmas Future, who show him what he has been missing in life and the error of his ways. A Christmas Carol was influential in re-popularizing old British Christmas traditions, many of which are still with us today.

Perfection Learning

A Christmas Carol is a novella by English author Charles Dickens. It tells the story of bitter old miser Ebenezer Scrooge

and his transformation resulting from supernatural visits by Jacob Marley and the Ghosts of Christmases Past, Present and Yet to Come. The novella met with instant success and critical acclaim. The book was written and published in early Victorian era Britain, a period when there was strong nostalgia for old Christmas traditions together with the introduction of new customs, such as Christmas trees and greeting cards. Dickens' sources for the tale

appear to be many and varied, but are, principally, the humiliating experiences of his childhood, his sympathy for the poor, and various Christmas stories and fairy tales. The tale has been viewed by critics as an indictment of 19th century industrial capitalism. It has been credited with restoring the Christmas season as one of merriment and festivity in Britain and America after a period of sobriety and sombreness. A Christmas Carol remains popular - having never

been out of print - and has been adapted many times to film, stage, opera, and other media. Dickens' Carol was one of the greatest influences in rejuvenating the old Christmas traditions of England but, while it brings to the reader images of light, joy, warmth and life, it also brings strong and unforgettable images of darkness, despair, coldness, sadness and death. Scrooge himself is the embodiment of winter, and, just as winter is followed by spring and

the renewal of life, so too is Scrooge's cold, pinched heart restored to the innocent goodwill he had known in his childhood and youth.

A Christmas Carol in  
Prose, Being a Ghost

Story of Christmas,

usually known just as A  
Christmas Carol is a fairy-  
tale novel by a British  
classic Charles Dickens,  
that was published in  
1843. It consists of five  
chapters, or staves as the  
author named them.

Among all the stories from  
Christmas Books by  
Dickens this one became  
the most popular story  
about Christmas in Great  
Britain and outside the

country. The main  
character is an old gloomy  
miser Ebenezer Scrooge,  
who doesn't love anyone  
or anything except his  
money. He doesn't  
understand why  
everybody is so happy  
about Christmas and with  
disgust, refuses the  
invitation from his kind  
nephew to celebrate this  
holiday together with his  
family. On Christmas Eve,  
the ghost of his former  
business partner Jacob  
Marley appeared in front  
of Scrooge, and it  
changed him drastically...

A Christmas Carol. In Prose. Being a Ghost Story of Christmas, commonly known as A Christmas Carol, is a novella by Charles Dickens, first published in London by Chapman & Hall in 1843 and illustrated by John Leech. A Christmas Carol recounts the story of Ebenezer Scrooge, an elderly miser who is visited by the ghost of his former business partner Jacob Marley and the Spirits of Christmas Past, Present and Yet to Come. After their visits, Scrooge

is transformed into a kinder, gentler man. Dickens wrote A Christmas Carol during a period when the British were exploring and re-evaluating past Christmas traditions, including carols, and newer customs such as Christmas trees. He was influenced by the experiences of his own youth and by the Christmas stories of other authors, including Washington Irving and Douglas Jerrold. Dickens had written three Christmas stories prior to

the novella, and was inspired following a visit to the Field Lane Ragged School, one of several establishments for London's street children. The treatment of the poor and the ability of a selfish man to redeem himself by transforming into a more sympathetic character are the key themes of the story. There is discussion among academics as to whether this is a fully secular story, or if it is a Christian allegory. Published on 19 December, the first edition sold out by

Christmas Eve; by the end of 1844 thirteen editions had been released. Most critics reviewed the novella favorably. The story was illicitly copied in January 1844; Dickens took legal action against the publishers, who went bankrupt, further reducing Dickens's small profits from the publication. He went on to write four other Christmas stories in subsequent years. In 1849 he began public readings of the story, which proved so successful he undertook 127 further performances until 1870,

the year of his death. A Christmas Carol has never been out of print and has been translated into several languages; the story has been adapted many times for film, stage, opera and other media.

It's Christmas Eve.

Scrooge is an old man who hates Christmas and loves work and money. He does not want to share Christmas with anyone. But then he is visited by four ghosts. Who are the ghosts? What do they say to Scrooge? And what will happen when he wakes up on Christmas day?

**A Christmas Carol** Joe Books Ltd  
Charles Dickens' A

Christmas Carol is a timeless classic that tells us the story of a miserly, hateful man called Ebenezer Scrooge and his journey towards the path of redemption. The story revolves around Scrooge's hatred for Christmas and those who are not as fortunate as him. On Christmas Eve, Scrooge is visited by three spirits who take him on a journey through time and help him realise the kind of person he has become over time, and the impact of his actions on those around him. A Christmas

Carol brings out the spirit of Christmas through a story of self-realisation, making readers believe that there truly is such a thing as a Christmas miracle.

EDITED BY CYNTHIA BRANTLEY JOHNSON  
[A Ghost Story of Christmas](#) Createspace Independent Publishing Platform  
 Penguin Classics e-books give you the best possible editions of Charles Dickens's novels, including all the original illustrations, useful and informative introductions, the definitive, accurate text as it was meant to be published, a chronology of Dickens's life and notes that fill in the background to the book. Dickens's story of solitary miser

Ebenezer Scrooge, who is taught the true meaning of Christmas by a series of ghostly visitors, has proved one of his most well-loved works. Ever since it was published in 1843 it has had an enduring influence on the way we think about the traditions of Christmas. Dickens's other Christmas writings collected here include 'The Story of the Goblins who Stole a Sexton', the short story from *The Pickwick Papers* on which *A Christmas Carol* was based; *The Haunted Man*, a tale of a

man tormented by painful memories; along with shorter pieces, some drawn from the

'Christmas Stories' that Dickens wrote annually for his weekly journals. In

all of them Dickens celebrates the season as one of geniality, charity and remembrance.
