You can put the watercolor paper right inside the book and re-do the exercises on the good paper! In the Sketchbooks you can take out finished work and put in new blank paper to continue re-using the sketchbook without having to get a new sketchbook or cut your finished art out of this book. You can also take out the sketch pages to display and then return them to the book!

Botanical Illustration for Beginners Race Point Publishing

Capture the Natural World with Vibrant Works of Art Nature illustrator Rosalie Haizlett has hiked through countless forests with her sketchbook and watercolors, documenting the plants, animals and landscapes that she encounters. She has also taught tens of thousands of students to paint and appreciate nature's beauty through her popular online classes and in-person workshops. In this book, Rosalie provides step-by-step instruction on how to paint 20 realistic insects, fungi, birds, botanicals and mammals in her vibrant wet- on-dry watercolor style. Pick up the skills you need to become a better observer in the outdoors, take your own reference photos and paint a wide variety of subjects so that you can continue to draw inspiration from nature long after you finish the projects in this book. You'll also learn some fun nature facts along the way! Whether you're a total beginner or ready to take your skills to the next level, Rosalie is here to walk you through every step of the process.

Botanical Drawing in Color Watson-Guption

Petite in size but packed with inspiration, Just Draw Botanicals presents 90 beautiful, contemporary botanical artworks in a range of media and styles. Each spread includes a stunning work of art paired with a discussion of the artist's approach to creating it, including the techniques employed. At the bottom of the page, find tips on the tools, materials and methods used to make the piece. A hyper-realistic blackberry, a watercolour sketch of a bunch of mint in a glass, a detailed scratchboard study of three pussy willow twigs, a tribal-style pattern inspired by different leaf

shapes, an abstract image-transfer print of a milkweed plant... the techniques and subjects covered are diverse. With these and more artworks - created in a variety of media, including watercolour, coloured pencils, oil, pen and ink, mixed media and pencil - explore: Shape, form and light Harmonious colours Contrasting elements Fine detail Capturing movement Cropped compositions Using negative space Anatomical accuracy A visual index is included at the front of the book so you can easily skip to a style or colour palette that interests you. At the back of the book, find an overview of materials and tips for using them; a list of further resources, including books and websites; and two additional indexes, one by artist name and the other by subject. Whether you are an artist looking for fresh ideas for creating botanical art or simply enjoy looking at nature-inspired images, this portable volume is a rich resource.

Modern Watercolor Botanicals Batsford Books

Botanical Illustration is an introduction to the marrying of art and science in the aesthetic and accurate portrayal of plant material. This book builds on the work of illustrators of the past, ranging from Elizabeth Blackwell, whose drawings helped to release her husband from debtors' prison, through to the exceptional scientific drawings of Beatrix Potter. It deals with the practical art and the related botany of the subject. Introduction to basic botany; preparation of plant material for drawing; use of pencil, watercolour, coloured pencil and pen and ink; suggested topics for further study; correcting mistakes and finishing touches. Invaluable for beginners and skilled artists alike, and an excellent reference book for teachers. Superbly illustrated with 216 colour illustrations. Valerie Oxley is a freelance tutor who has inspired students worldwide with her enthusiasm for natural history and plant illustration.

Botanical Illustration in Watercolor Penguin

This is the story of one woman's journey from amateur painter to botanical artist, told through the sketchbooks and paintings she produced for the Distance Learning Diploma Course run by the Society of Botanical Artists. Packed with advice and tips, this book will serve as a guide and inspiration to anyone wanting to embark on life as a botanical artist. This book is both a showcase of Mary Ann Scott's work and a record of her achievements, including first-hand accounts of the joys and challenges she faced as she progressed. It contains work from every assignment she undertook, from her first attempts at drawing a tulip to the triumphant paintings she made for her diploma portfolio. Along the way are delicate floral compositions, juicy fruit and vegetables, botanical dissections, and her adventures out in the field. Margaret Stevens's comments on each assignment are also included, giving an insight into the assessment process and an all-round view of Mary Ann's

successes and (very rare) failures. The book ends with a glorious selection of Mary Ann's ongoing work as a botanical artist.

The Art of Botanical Painting Search Press Limited

Billy Showell's Botanical Painting in Watercolour National Geographic Books

Botanical Illustration - the complete guide explains the processes and methods behind this beautiful art genre. It highlights the importance of the requisite skills of close observation, accurate drawing and attention to detail. Leigh Ann Gale is a leading botanical artist and tutor, and she generously demonstrates her approach in this book. Her worked example of *fuchsia magellanica* clearly shows the varied stages of an illustration. Along with step-by-step instructions to a range of subjects, this book is beautifully illustrated with over 350 images, diagrams and paintings of her and her students' work. This book is a source of inspiration as well as a definitive guide, and the contents include: introduction to botany and a comprehensive botanical glossary; a case study demonstrating each stage of a worked example, including the selection and preparation of a subject, observational drawings, composition skills and painting processes; step-by-step instruction covering many subjects, from creating shine on leaves and berries, to painting white flowers and depicting hairs on leaves and stems; a guide to colour theory and how to mix colours accurately to match your specimens and make the most of your watercolour palette; and ideas on how to continue, and develop your own style of botanical illustration. This book will be of great interest to all botanical artists, natural history artists, watercolourists, gardeners and natural historians and is lavishly illustrated with 391 colour images.

New Botanical Painting The Crowood Press

"Botanical Inspiration is a timeless collection of artwork and illustrations that feature flora and its many facets through a variety of visual concepts, styles, and techniques."--

Botanical Drawing Batsford Books

A practical guide to using gouache in botanical painting, by a leading botanical painter. Gouache is an opaque water-based medium, often called body colour, that produces crisp and vibrant paintings, and is becoming increasingly popular in botanical painting. Leading botanical painter, Simon Williams, specializes in painting in gouache and this is his first book. *Botanical Painting in Gouache* is full of practical advice on all aspects of using the exciting medium of gouache and contains many step-by-step demonstration paintings. In addition to the sumptuous flower paintings there are also sections on painting butterflies, birds and exotic and unusual plants from the rainforest.
