Before Jack Reacher became the seminal, nomadic hero he is today and #1 New York Times bestselling

writer Lee Child reached his current iconic literary stature, there was James Penney, who we meet in this intense Thriller Short. Originally published in THRILLER: Stories to Keep You Up All Night, edited by James Patterson, in 2006. Penney was originally envisioned as

a character in Child's second Jack Reacher tale, *Die Trying*. Though an interesting character, Penney was ultimately excised during the editing process and readers didn't have the pleasure of meeting him. Now he's been resurrected in a tale that features a brief glimpse of Jack Reacher's early career. Don't miss this heart-pumping tale of suspense!

The Sentinel Dell Publishing Company
In this new short story from #1 New York Times bestselling author Lee Child, available exclusively as an eBook, a young Jack Reacher knows how to finish a fight so it stays finished. He knows how to get the job done so it stays done. And, in one of his earliest

challenges, he knows that his analytical brain is just as important as his impressive brawn. Okinawa, 1974. Even at thirteen, Jack Reacher knows how to outwit and overpower anyone who stands in his way. And as the new kid in town, that's pretty much everyone. His family has come to the Pacific with his father, who's preparing for a top-secret Marine Corps operation. After receiving a rude welcome from the local military brats, Reacher and his older brother, Joe, intend to teach them a lesson they won't forget. But it's soon clear that there's more at stake than pride. When his family's future appears to come crumbling down, it's the youngest Reacher who rises to the occasion with all

the decisive cunning and bravura that will one day be his deadly trademark. *Second Son* also includes a thrilling excerpt from Lee Child's forthcoming novel, *The Affair*.

Deputy US Marshal

Arliss Cutter becomes

the hunted in a

desperate fight for

survival . . . After an

early spring thaw on

the Alaskan coast,

Anchorage police

discover a gruesome

new piece of evidence

in their search for a

serial killer: a

dismembered human

foot. In Kincaid Park, a

man is arrested for

attacking a female

jogger. Investigators

believe they have

finally have their

suspect. But one

deputy is sure they

have the wrong man.

In the remote northern

town of Deadhorse,

Alaska, Supervisory

Deputy US Marshal

Arliss Cutter escorts

four very dangerous

handcuffed prisoners

onto a small bush

plane en route to

Fairbanks. Cutter's

expecting a routine

mission and a nonstop

all hell breaks loose.

The prisoners murder

the pilot and a guard

and torch the plane.

But their nightmare's

just beginning. Back in

Anchorage, deputy

Lola Teariki has traced the dismembered foot to a missing girl—and the serial psychopath who slaughtered her. It's one of the prisoners on Cutter's flight. . . . Now it's a deadly game of survival. With no means of communication, few supplies, and ravenous grizzly bears and wolves lurking in the shadows, Cutter has to battle the unforgiving elements while the killer wants his head on a stick. Here in Alaska, nature can be cruel—but this time, human nature is crueler. . . .

Too Close to Home
Delacorte Press
#1 NEW YORK TIMES BESTSELLER • Never go back—but Jack Reacher does, and the past finally catches up with him. . . . Never Go Back is a novel of action-charged suspense starring "one

of the best thriller characters at work today” (Newsweek). Former military cop Jack Reacher makes it all the way from snowbound South Dakota to his destination in northeastern Virginia, near Washington, D.C.: the headquarters of his old unit, the 110th MP. The old stone building is the closest thing to a home he ever had. Reacher is there to meet—in person—the new commanding officer, Major Susan Turner, so far just a warm, intriguing voice on the phone. But it isn’t Turner behind the CO’s desk. And Reacher is hit with two pieces of shocking news, one with serious criminal consequences, and one too personal to even think about. When threatened, you

can run or fight. Reacher fights, aiming to find Turner and clear his name, barely a step ahead of the army, and the FBI, and the D.C. Metro police, and four unidentified thugs. Combining an intricate puzzle of a plot and an exciting chase for truth and justice, Lee Child puts Reacher through his paces—and makes him question who he is, what he’s done, and the very future of his untethered life on the open road. Don’t miss Lee Child’s short story “High Heat” in the back of the book. Praise for *Never Go Back* “A breathless cross-country spree . . . some of the best, wildest writing [Lee] Child has ever done . . . Child’s bodacious action hero, Jack Reacher, has already tramped through 17

novels and three e-book singles. But his latest, *Never Go Back*, may be the best desert island reading in the series. It's exceptionally well plotted. And full of wild surprises. And wise about Reacher's peculiar nature. And positively Bunyanesque in its admiring contributions to Reacher lore."—Janet Maslin, *The New York Times* "Welcome to the relentless world of Jack Reacher and his impressive tendency to be in the wrong place at the right time. . . . Child has created an iconic character that other thriller writers try to emulate but don't come close to matching. He has a talent for taking material that in the hands of other authors

would be stale and making it seem fresh. . . . Tight and compelling . . . *Never Go Back* is one of Child's best novels."—Associated Press "An adrenaline-charged, action-packed thriller . . . impossible to put down."—*Lansing State Journal* "The dialogue has never been sharper. . . . The pages turn themselves."—*San Antonio Express-News* "For the pure pleasure of uncomplicated, nonstop action, no one touches Reacher."—*Kirkus Reviews* (starred review) "Brilliant . . . Child never, ever slips. He keeps the action cranking better than anyone, but, best of all, he keeps us guessing about Reacher."—*Booklist* (starred review) "One of the best in the

series."—Publishers Weekly (starred review)

#1 NEW YORK TIMES BESTSELLER * THE BLOCKBUSTER JACK REACHER SERIES THAT INSPIRED TWO MAJOR MOTION PICTURES AND THE UPCOMING STREAMING SERIES REACHER Jack Reacher is back! The "utterly addictive" (The New York Times) series continues as acclaimed author Lee Child teams up with his brother, Andrew Child, fellow thriller writer extraordinaire. "One of the many great things about Jack Reacher is that he's larger than life while remaining relatable and believable. The Sentinel shows that two Childs are even

better than one."-- James Patterson As always, Reacher has no particular place to go, and all the time in the world to get there. One morning he ends up in a town near Pleasantville, Tennessee. But there's nothing pleasant about the place. In broad daylight Reacher spots a hapless soul walking into an ambush. "It was four against one" . . . so Reacher intervenes, with his own trademark brand of conflict resolution. The man he saves is Rusty Rutherford, an unassuming IT manager, recently fired after a cyberattack locked up the town's data, records, information . . . and secrets. Rutherford wants to stay put, look innocent, and clear his name. Reacher is

intrigued. There's more to the story. The bad guys who jumped Rutherford are part of something serious and deadly, involving a conspiracy, a cover-up, and murder--all centered on a mousy little guy in a coffee-stained shirt who has no idea what he's up against. Rule one: if you don't know the trouble you're in, keep Reacher by your side.

Second Son: A Jack Reacher Story Dell

"Everything starts somewhere. . . .For elite military cop Jack Reacher, that somewhere was Carter Crossing, Mississippi, way back in 1997. A lonely railroad track. A crime scene. A coverup. A young woman is dead, and solid evidence points to a soldier at a nearby military base. But that

soldier has powerful friends in Washington. Reacher is ordered undercover--to find out everything he can, to control the local police, and then to vanish. Reacher is a good soldier. But when he gets to Carter Crossing, he finds layers no one saw coming, and the investigation spins out of control. Local sheriff Elizabeth Deveraux has a thirst for justice--and an appetite for secrets. Uncertain they can trust one another, Reacher and Deveraux reluctantly join forces. Reacher works to uncover the truth, while others try to bury it forever. The conspiracy threatens to shatter his faith in his mission, and turn him into a man to be feared."--Provided by publisher.

Jack Reacher’s Rules is
the ultimate fan’s

guide to the World of Reacher! Featuring selections from all seventeen electrifying Jack Reacher novels and an introduction from Lee Child himself, this one-of-a-kind book compiles timeless advice from maverick former army cop Jack Reacher, the hero of Lee Child's blockbuster thrillers and now the star of a major motion picture. My name is Jack Reacher. No middle name, no address. I've got a rule: People mess with me at their own risk. You don't have to break the rules if you make the rules. Case in point: Jack Reacher, the two-fisted, quick-witted, "current poster-boy of American crime fiction" (Los Angeles Times). The brainchild of #1 New York Times bestselling author Lee

Child, Reacher is a freelance troubleshooter with a mysterious past—and a serious passion for justice. Now the hard-won knowledge and hard-hitting strategies of fiction's toughest tough guy are within every thriller reader's reach—in a rapid-fire rundown of the trade secrets, tried-and-true tricks, and time-honored tactics that separate the man in the street from the man to beat. Rule 1. When in doubt, drink coffee. Rule 2. Never volunteer for anything. Rule 3. Don't break the furniture. Rule 4. Only one woman at a time. Rule 5. Show them what they're messing with. Please note: Jack Reacher's Rules is a compilation of advice, wisdom, and facts from the Jack Reacher series

of novels by #1 New York Times bestselling author Lee Child. It features an introduction by Lee Child, but is not a Jack Reacher novel.

“Gripping and suspenseful . . . Child ratchets up the suspense to new heights.”—The Denver Post

Jack Reacher lives for the moment. Without a home. Without commitment. And with a burning desire to right wrongs—and rewrite his own agonizing past. DEA Susan Duffy is living for the future, knowing that she has made a terrible mistake by putting one of her own female agents into a death trap within a heavily guarded Maine

mansion. Staging a brilliant ruse, Reacher hurtles into the dark heart of a vast criminal enterprise. Trying to rescue an agent whose time is running out, Reacher enters a crime lord’s waterfront fortress. There he will find a world of secrecy and violence—and confront some unfinished business from his own past.

Cold Snap The Sentinel A Jack Reacher Novel

Jack Reacher races to solve the perfect crime in the fourth novel in Lee Child's New York Times bestselling series. Across the country, women are being murdered, victims of a disciplined and clever killer who leaves no trace evidence, no fatal wounds, no signs of struggle, and no clues to an apparent motive. They are, truly, perfect crimes. In fact, there's

only one thing that links the victims. Each one of the women knew Jack Reacher—and it's got him running blind.

THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their

home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young

woman whose promise was tragically cut short.

"Jack Reacher has extended his thumb and hit the pavement. His plan is to follow the autumn sun on an epic trip across America, from Maine to California. He doesn't get far. On a country road in rural New Hampshire, deep in the New England woods, he sees a sign to a place he has never been: the town where his father was born. He thinks, What's one extra day? and takes the detour ... The next morning in the city clerk's office, Reacher asks about the old family home. He's told no one named Reacher ever lived in town. He knows his father left and never returned.

Now Reacher wonders: was he ever there in the first place?"--
