Employer's Tax Guide (Circular E) - The Families First Coronavirus
Response Act (FFCRA), enacted on March 18, 2020, and amended
by the COVID-related Tax Relief Act of 2020, provides certain
employers with tax credits that reimburse them for the cost of
providing paid sick and family leave wages to their employees for
leave related to COVID-19. Qualified sick and family leave wages
and the related credits for qualified sick and family leave wages
are only reported on employment tax returns with respect to
wages paid for leave taken in quarters beginning after March 31,
2020, and before April 1, 2021, unless extended by future
legislation. If you paid qualified sick and family leave wages in
2021 for 2020 leave, you will claim the credit on your 2021

employment tax return. Under the FFCRA, certain employers with
fewer than 500 employees provide paid sick and fam-ily leave to
employees unable to work or telework. The FFCRA required such
employers to provide leave to such employees after March 31,
2020, and before January 1, 2021. Publication 15 (For use in
