Bible Study Aid ebook: "Why has history

been so benevolent and economically
generous to Britain and the United
States? Why have they been blessed so
favorably over the nations that preceded
them in history? The answer lies in the
understanding and fulfillment of biblical
prophecy." "God's promise to Abraham
was not limited to a small and ancient
people in the Middle East. It extends far
into the future, and it is not limited by
national boundaries." "Where can we
find the descendants of Joseph, the lost
tribes of Ephraim and Manasseh? This
list of blessings eliminates most of the
nations of the world as contenders. To
find them we must ask: Which nations
possess these blessings in our world?"
"When we understand that the modern
descendants of Joseph are the people of
the United States and Britain, we see

that over the past three centuries God has been true to His promises." "Though the United States and Britain do not appear in the Bible's prophecies of the end time under their present names, God hasn't ignored these nations. He identifies them in prophecy according to their ancestry. Most people simply haven't known where to look for them."

While the conflict in the Middle East continues to fester, many Christians advance a theology that perceives these events to be the hand of God. Has God truly brought the Jewish people back to the land in fulfillment of biblical prophecies? Must we truly bless Israel in order to be blessed by God? Lost in the midst of the turmoil over the Holy Land reside Christian communities. Has the church--in an effort to see prophecy fulfilled--failed to care for the least of "these brothers of mine"? This book steps into this controversial topic with several aims. First, Dalrymple answers two key questions: Are the Jews still God's chosen people? And does the Holy Land belong to them? Dalrymple

contends that just as Jesus is the fulfillment of God's purpose for the Temple, so also Jesus is the fulfillment of the promises to Abraham that he would receive the Holy Land and an uncountable number of descendants. Dalrymple also responds to some of the common assertions set forth by Christian Zionists: "Many might still ask: 'Why should I care about what happens in Israel and Palestine?' The fact is that we must care. And we must alert the Church that we must care. Too much is at stake. We have Christian brothers and sisters throughout the Middle East in general and in the Holy Land in particular who have been directly impacted by our theological opinions. As a result, the Church cannot be silent. It must not be silent."

God's Promises to Abraham

Paul was the most influential figure in the early Christian church. In this epistle, written to the founders of the church in Rome, he sets out some of his ideas on the importance of faith in overcoming mankind's innate sinfulness and in obtaining redemption. With an introduction by Ruth Rendell

God's promise and timing have intersected in our day. Witness the Jewish return to Israel, the rise of Messianic Jewish believers, and the shifting of the church's power center from the West to Asia, Africa, and Latin America, the fastest-growing segments of the Body of Christ in our day. This has brought about many questions as the church comes to grips with these sweeping changes. What does Scripture say about the future of the nation of Israel? What is right and wrong about the Messianic Jewish movement? Where do the Arab nations fit into God's plan? How does this all affect the church, and how can the church fulfill its role in this end-time scenario? The author prefaces

two purposes for the book: "to look at the intersection of promise and timing in our day, and to provide answers to questions about Israel and the Jewish people." His heart is clearly filled with love for God and His Chosen, and he is quick to inform the reader that the book is not just about Israel and the present days. "It is about a God who loves and comes to free us to be who we were created to be. It is about a forever-loving, covenant-keeping God." Israel is a clear reminder that God has not forgotten His People. In the same manner, He has not forsaken the Gentiles who are essentially adopted into the family and are integral parts of His plan. To that extent, the book is also about the reader. God calls each person to His purpose, and neither man nor

woman can escape His call. "That God-shaped vacuum within you will know peace only as you rest in Him and He in you."

The Pursuit of Purpose Hendrickson Pub When we rewind history back to Abraham's era, we encounter people who concocted false superstitions to explain the unexplainable. Powerful kings claimed to be gods, building massive pyramids to achieve immortality. Out of this mass of misunderstandings, one man emerged. The man we know today as Abraham not

only claimed that one true Creator existed but also staked his entire life on this belief. Why, thousands of years later, are we still discussing the faith of this desert nomad? One of America's most popular Bible teachers Pastor Chuck Swindoll answers that question and many more in this compelling and insightful biography that will inspire your own faith.

Using the narrative method of biblical

theology, *From Age to Age* traces the eschatological themes of Scripture from Genesis to Revelation, emphasizing how each book of the Bible develops these themes that culminate in the coming of Christ and showing how individual texts fit into the over-arching picture.

*Includes pictures *Includes Biblical citations *Includes online resources and a bibliography for further reading The beauty of a spider web cannot be appreciated if only one single strand thereof is seen; nor can only one piece of a jigsaw puzzle make the whole thereof understood. It is only when all the pieces are fitted that the significance and importance of each part can be appreciated. Even so the covenant that God established with Abraham has its

prelude far in the past, and its development and consummation reach far into the future. The whole of the picture is essential to even just glimpse the incomprehensive nature of God's love, longsuffering, patience, and His persistence in reaching the goal that He had predetermined. Then we can also appreciate His message through the prophet Isaiah: "My thoughts are not your thoughts, nor your ways My ways, says Jehovah. For as the heavens are higher than the earth, so are My ways higher than your ways, and My thoughts than your thoughts." (Isa.55:8-9). It is because of this that we have the old saying "Scripture explains Scripture." This means that, where there is uncertainty, we can look to the wider context in Scripture in order to

understand what we are reading at present. A very good example of this is that we read in 1Cor.10:2 that all the Israelites were baptized into Moses in the events relating to the cloud and the sea. Now, if we read the story of the exodus from Egypt, it is clear that there was no physical ritual or ceremony relating to baptism, but what is seemingly a contradiction is clearly solved by the rest of Scripture. In the apostle Paul's other letters he makes it clear that he wanted to convey the fact that the Israelites identified with Moses by following him through the sea and after the cloud, as described in Ex.13:21-22 and 14:15-31. The Abrahamic Covenant: The Establishment, Development, and Consummation of the Promises Made by God to Abraham

examines the various stages of the Abrahamic covenant and how they are all related to man's salvation. Along with pictures depicting important people, places, and events, you will learn about the Abrahamic Covenant like never before.
