What's Alive in Me Now? Standard Ebooks

This book aims to reflect on the experiential side of writing political lives in the Pacific region. The collection touches on aspects of the life writing art that are particularly pertinent to political figures: public perception and ideology; identifying important political successes and policy initiatives; grappling with issues like corruption and age-old political science questions about leadership and 'dirty hands'. These are general themes but they take on a particular significance in the Pacific context and so the contributions explore these themes in relation to patterns of colonisation and the memory of independence; issues elliptically captured by terms like 'culture' and 'tradition'; the nature of 'self' presented in Pacific life writing; and the tendency for many of these texts to be written by 'outsiders', or at least the increasingly contested nature of what that term means.

**My Political Life** Random House Digital, Inc.

Can Pacific nations, endowed with islands of travel poster beauty, vibrant cultures, and centuries old ways of life based on sustainable practices, hurdle significant development and political challenges they face today - in addition to withstanding climate change and rising sea levels? Corruption, reliance on donor-driven aid and consultants, dwindling rural populations and burgeoning urban centers that stress the ability of governments to provide education and health services, an epidemic of non-communicable diseases as lifestyles change, and battles with countries outside the region for control of fisheries and deep sea resources - these are among the increasingly challenging issues facing the islands today. In a series of essays about the looming climate threat, sustainable development and the region's multi-billion dollar tuna

industry, the U.S. nuclear test legacy in the Marshall Islands, and the impact of out-migration, 'Idyllic No More' addresses the often difficult problems and choices facing the Pacific islands today. The author, says veteran Oceania journalist Floyd K. Takeuchi, "frames a view of the Pacific islands that's characterized by hard-edge realism while offering a way forward. 'Idyllic No More' is a bracing look at where the islands are today, and what it will take to build a future of hope and opportunity for islanders across the region." 'Idyllic No More' is an excellent resource for stimulating discussion in classes, and for readers interested in contemporary Pacific island issues.

**Strings of Faith** First Avenue Editions

#1 NEW YORK TIMES BESTSELLER • "A great American success story . . . an endearing and well-written book."—The New York Times Book Review Colin Powell is the embodiment of the American dream. He was born in Harlem to immigrant parents from Jamaica. He knew the rough life of the streets. He overcame a barely average start at school. Then he joined the Army. The rest is history—Vietnam, the Pentagon, Panama, Desert Storm—but a history that until now has been known only on the surface. Here, for the first time, Colin Powell himself tells us how it happened, in a memoir distinguished by a heartfelt love of country and family, warm good humor, and a soldier's directness. My American Journey is the powerful story of a life well lived and well told. It is also a view from the mountaintop of the political landscape of America. At a time when Americans feel disenchanted with their leaders, General Powell's passionate views on family, personal responsibility, and, in his own words, "the greatness of America and the opportunities it offers" inspire hope and present a blueprint for the future. An utterly absorbing account, it is history with a vision.

*The Author's True Story about Her Bout with Cancer* Createspace

Independent Publishing Platform

In United We Stand Divided We Fall Garn Press has gathered together essays by great scholars and renowned teachers who oppose the direction in which President Trump is leading the country. These are essays, to quote George Lakoff, which frame American values accurately and systemically day after day, telling truths by American majority moral values. These are essays of protest against and resistance to Trump's presidency, to his billionaire cabinet, to the privileging in the White House of white supremacists, the promulgation of "alternate facts," the denigration of media sources, the purges of State Department personnel, the gag orders at the EPA and scientists placed on "watch lists," the travel bans on people from wide swaths of U.S. society and on refugees ... the list is long. They are also essays that tackle the question of what we can do to stop Trump from becoming a fast moving catastrophe. When the hands of the Doomsday Clock were moved closer to midnight, President Trump was named specifically as an existential risk to humanity. There is no doubt that we must all act. The writers of conscience who have written this collection of essays are all actively engaged in opposing President Trump and their writings encourage us to participate in the resistance movement. Read with a pencil in hand. Make notes on what you can do to join aspects of the movement that reflects the needs and concerns of your community. Through social media you can go global while acting locally.

**Before You Walk Out My Life** Austin Macauley

When a ventilator prevented her from speaking during her final hours, Jennifer started writing. After her death, her husband turns to those pages to tell her story of courage and faith. James had just walked through the door after a day's work when Jennifer told him the news that changed everything: it was cancer. In the

following two years they would lose their sense of normalcy and their dreams for the future. But along the way, they would gain something even greater than their loss. Told through the eyes of a grieving husband is this true story of a young woman's fight for her life. Jennifer's final words, penned by hand when a ventilator prevented her from speaking, provide a powerful backdrop to this journey of faith and hope. A memoir that also offers a practical pathway for those struggling with loss, *The Last Seven Pages* is a testimony of a God who is present in our darkest moments, and who turned a devastating illness into a life-changing promise.

Carol Tyler has been a professional (and highly acclaimed) cartoonist for over 20 years, appearing in such venues as *Weirdo*, *Wimmen's Comix*, and *Drawn & Quarterly* magazine. But over the years her status as a working mother has drastically curtailed her ability to set aside time for her cartooning. Thus each rare new story from her pen has been greeted with hurrahs as well they should be, because she's one of the most skillful, caustic, and emphatic cartoon storytellers of her generation. This new book presents the biggest, richest and most delightful collection of Tyler's work to date featuring many new and previously unpublished works. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 13.9px Arial; color: #424242}

Helen Keller's autobiographies *THE STORY OF MY LIFE* and *THE WORLD I LIVE IN* chronicle in her own words the remarkable true story we have come to know from the stage and film productions of *THE MIRACLE WORKER*. Here we discover Helen's thoughts and feelings hidden in the blind, deaf, and mute character in those productions—thoughts and feelings she came to express with such eloquence orally and in writings in later years. And here we are inspired not only by Helen Keller and her journey but also by the intriguing possibilities that certainly must be awaiting discovery in others. **EARLY REVIEWS** "The autobiography of Helen Keller is unquestionably one of the most remarkable records ever published."—*British Weekly* "This book is a human document of intense interest, and without a parallel, we suppose, in the history of literature."—*Yorkshire Post* "Miss Keller's autobiography, well written and full of practical interest in all sides of life, literary, artistic and social, records an extraordinary victory over physical disabilities."—*Times* "This book is a record of the miraculous. No

one can read it without being profoundly touched by the patience and devotion which brought the blind, deaf-mute child into touch with human life, without being filled with wonder at the quick intelligence which made such communication with the outside world possible."—*Queen*

New Britain presents Tony Blair on all the major debates of British public life: from nationalized health care to crime prevention, from the welfare state to monetary policy, from religion to family values, from individualism to isolationism, from taxation to trade unions, from NATO to Northern Ireland, from community rebirth to economic growth. After seventeen years of Conservative Party rule under Margaret Thatcher and John Major, a change in Great Britain's leadership appears imminent. In Blair's Stakeholder Nation, government works in partnership with private and voluntary sectors to harness the power of the market to serve the public interest. In New Britain, we read in Blair's own articulate words how to improve the standard of living of all Britain's families; how to base a new social order on merit, commitment, and inclusion; how to decentralize British institutions of political power; and how to expand Britain's leadership in foreign affairs.

They met by chance, and fell in love. But is it meant to be forever? Callie and Justin are living their fairytale. They are so close to having the family they've always wanted when suddenly Callie finds herself fighting the insecurities that she's been feeling all of her life. This time, the results could be deadly. Can Justin help heal her pain or will the stress drive them apart? Jay and Jane are trying to plan their future as they face the challenge of Tyler's fight for the child he's never known. Jolene becomes the pawn in a dangerous game until a tragic twist of fate forces Jane to finally confront the man she once loved. Their fates are set, their lives intertwined and their happiness in jeopardy. Can they all finally find their happily ever after?

[From Nowhere to Somewhere](#) Ballantine Books

An intriguing, uncensored, inside view of the not-so-friendly skies through the eyes of former flight attendant, Margo Anderson. If you are a frequent flier, or if you plan to fly in the near future, fasten your seat belt for a turbulent read! After five years of flying with a commuter airline based at Atlanta's Hartsfield-Jackson International Airport, Anderson draws on her personal experiences

and conversations, painting a portrayal of life as a flight attendant--grueling twelve hour days, complaining and unfriendly passengers, and unexpected, almost unbelievable situations, especially in the days and weeks following 9/11. Anderson navigates the complex world of flight crews with clarity, insight, wit, and her own special brand of humor. Readers are given a view of flying they may never have seen before, through the lens of the workhorse of the airline industry, regarded by many as the "puddle-jumpers," the commuter airlines.

[Gone to America](#) Random House

I wrote this book to inspire, empower and uplift my fellow sista's. Continuing to evolve as a culture; we too need support. From one sista to the next, I pray these words give you the strength and courage to supersede any obstacles or situation you may be going through. Empowering you to move forward in life; never settling for anything less than you deserve. Built for strength; we are the backbone of our culture. Illustrating our effortless way to nurture and support our family and community. Sharing our wisdom; understanding the endless possibilities life have to offer. Our powerful way to overcome adversities. a constant reminder of how amazing, magnificent and divine we are.

[My American Journey](#) ANU Press

Former Prime Minister and the country's longest-serving Chancellor, Gordon Brown has been a guiding force for Britain and the world over three decades. This is his candid, poignant and deeply relevant story. In describing his upbringing in Scotland as the son of a minister, the near loss of his eyesight as a student and the death of his daughter within days of her birth, he shares the passionately-held principles that have shaped and driven him, reminding us that politics can and should be a calling to serve. Reflecting on the personal and ideological tensions within Labour and its successes and failures in power, he describes how to meet the challenge of pursuing a radical agenda within a credible party of government. He explains how as Chancellor he equipped Britain for a globalised economy while swimming against the neoliberal tide and shows what more must be done to halt rising inequality. In his behind-the-scenes account of the financial crisis and his leading role in saving the world economy from collapse, he addresses the question of who was to blame for the crash and why its causes and consequences still beset us. From the invasion of Iraq to the tragedy of Afghanistan, from the coalition

negotiations of 2010 to the referendums on Scottish independence and Europe, Gordon Brown draws on his unique experiences to explain Britain's current fractured condition. And by showing us what progressive politics has achieved in recent decades, he inspires us with a vision of what it might yet achieve today. Riveting, expert and highly personal, this historic memoir is an invaluable insight into our times.

A Journey James Pinnick

When her mother, Sarah Palin, became the Republican Vice-Presidential candidate in 2008, Bristol Palin was instantly propelled into the national spotlight, becoming the focus of intense public and national media scrutiny at the age of seventeen. In *Not Afraid of Life*, she shares with readers for the first time ever personal moments from her life—from her Alaskan roots to her pregnancy and single motherhood to her star turn on TV's enormously popular *Dancing with the Stars*. This candid memoir is a heartfelt true story of a woman who is centered by her strong Christian faith and is *Not Afraid of Life*.

**A Memoir** Createspace Independent Publishing Platform  
Because of the many roles he has played in the country, *Looking Back* is much more than Dr. Sama Banya's life story. In a lively and entertaining manner, he takes the reader through the chequered history of Sierra Leone from the colonial era to the present providing, along the way, accounts of the origin of Kailahun, his home town, the Kissy/Mende chiefs from whom he descends, life in Bo School where he had the early part of his secondary school education, as well as insights into the workings of the civil service in his day. A physician by profession, Dr. Sama Banya is best known as a politician. He served as a cabinet minister under two presidents, and his deep knowledge of political machinations in Sierra Leone as seen from both sides of the parliamentary divide, makes this autobiography an altogether fascinating read.

My Life, Our Times Basic Books

#1 NEW YORK TIMES BESTSELLER • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS In this iconic memoir of his early days, Barack Obama "guides us straight to the intersection of the most serious questions of identity, class, and race" (The Washington Post Book World). "Quite extraordinary."—Toni Morrison In this lyrical, unsentimental, and compelling memoir, the son of a black African father and a white

American mother searches for a workable meaning to his life as a black American. It begins in New York, where Barack Obama learns that his father—a figure he knows more as a myth than as a man—has been killed in a car accident. This sudden death inspires an emotional odyssey—first to a small town in Kansas, from which he retraces the migration of his mother's family to Hawaii, and then to Kenya, where he meets the African side of his family, confronts the bitter truth of his father's life, and at last reconciles his divided inheritance. Praise for *Dreams from My Father* "Beautifully crafted . . . moving and candid . . . This book belongs on the shelf beside works like James McBride's *The Color of Water* and Gregory Howard Williams's *Life on the Color Line* as a tale of living astride America's racial categories."—Scott Turow "Provocative . . . Persuasively describes the phenomenon of belonging to two different worlds, and thus belonging to neither."—The New York Times Book Review "Obama's writing is incisive yet forgiving. This is a book worth savoring."—Alex Kotlowitz, author of *There Are No Children Here* "One of the most powerful books of self-discovery I've ever read, all the more so for its illuminating insights into the problems not only of race, class, and color, but of culture and ethnicity. It is also beautifully written, skillfully layered, and paced like a good novel."—Charlayne Hunter-Gault, author of *In My Place* "Dreams from My Father is an exquisite, sensitive study of this wonderful young author's journey into adulthood, his search for community and his place in it, his quest for an understanding of his roots, and his discovery of the poetry of human life. Perceptive and wise, this book will tell you something about yourself whether you are black or white."—Marian Wright Edelman

**An Autobiography** Knopf

Tony Blair is a politician who defines our times. His emergence as Labour Party leader in 1994 marked a seismic shift in British politics. Within a few short years, he had transformed his party and rallied the country behind him, becoming prime minister in 1997 with the biggest More ... victory in Labour's history, and bringing to an end eighteen years of Conservative government. He took Labour to a historic three terms in office as Britain's dominant political figure of the last two decades. *A Journey* is Tony Blair's firsthand account of his years in office and beyond. Here he describes for the first time his role in shaping our recent history, from the aftermath of Princess Diana's death to the war

on terror. He reveals the leadership decisions that were necessary to reinvent his party, the relationships with colleagues including Gordon Brown, the grueling negotiations for peace in Northern Ireland, the implementation of the biggest reforms to public services in Britain since 1945, and his relationships with leaders on the world stage--Nelson Mandela, Bill Clinton, Vladimir Putin, George W. Bush. He analyzes the belief in ethical intervention that led to his decisions to go to war in Kosovo, Sierra Leone, Afghanistan, and, most controversially of all, in Iraq. *A Journey* is a book about the nature and uses of political power. In frank, unflinching, often wry detail, Tony Blair charts the ups and downs of his career to provide insight into the man as well as the politician and statesman. He explores the challenges of leadership, and the ramifications of standing up, clearly and forcefully, for what one believes in. He also looks ahead, to emerging power relationships and economies, addressing the vital issues and complexities of our global world. Few British prime ministers have shaped the nation's course as profoundly as Tony Blair, and his achievements and his legacy will be debated for years to come.

Growing Up Hippie Harper Collins

In 1997, Tony Blair won the biggest Labour victory in history to sweep the party to power and end eighteen years of Conservative government. He remains the only living Labour leader to have won a general election. He has been one of the most dynamic leaders of modern times; few British prime ministers have shaped the nation's course as profoundly as Blair during his ten years in power, and his achievements and his legacy will be debated for years to come. His memoirs reveal in intimate detail this unique political and personal journey, providing an insight into the man, the politician and the statesman, and charting successes, controversies and disappointments with an extraordinary candour. *A Journey* will prove essential and compulsive reading for anyone who wants to understand the complexities of our global world. As an account of the nature and uses of power, it will also have a readership that extends well beyond politics, to all those who want to understand the challenges of leadership today.

**Pacific Island Climate, Corruption and Development Dilemmas** Createspace Independent Pub

Who says politics isn't sexy? PATRICK BLANCO wants nothing more than a chance at the presidency, and he's willing to do

anything to get it. At just thirty-eight-years-old, Patrick is already one of the youngest and most successful senators in the country, but he's destined for more. Much more. When the cold winds of the New Hampshire primary blow in his favor, his campaign kicks into overdrive. So does his love life. ALEXANDRA JONES knows that working on Patrick's election could be the job she needs to prove herself in Washington, DC. Win with him, and her life will change forever. She just didn't count on something--her growing attraction to her boss. Pretty soon, she can't deny it. Neither can he. As Patrick and his team head to South Carolina, life gets complicated. This is politics, after all. Secrets don't stay secret for long. Everything has a price. Everyone has a motive. There's no time for love. Or is there?

*Apollonius of Tyana A Journey*

David Cameron was elected Conservative leader in 2005, promising to modernize the party following its three successive electoral defeats. He became Prime Minister in 2010, forming Britain's first coalition government in 70 years, at a moment of economic crisis, and went on to win the first outright Conservative

majority for 23 years at the 2015 general election. In *For the Record*, he will explain how the governments he led transformed the UK economy while implementing a modern, compassionate agenda that included reforming education and welfare, legalizing gay marriage, honoring the UK's commitment to overseas aid and spearheading environmental policies. He will shed light on the seminal world events of his premiership—the Arab Spring; the rise of ISIS; the invasion of Ukraine; the conflicts in Libya, Iraq and Syria—as well as events at home, from the Olympic Games in 2012 to the Scottish referendum. He will provide, for the first time, his perspective on the EU referendum and his views on the future of Britain's place in the world following Brexit. Revealing the battles and achievements of his life and career in intimate and frank detail, *For the Record* will be an important assessment of the significant political events of the last decade, the nature of power and the role of leadership at a time of profound global change.

*My Life With Papa Createspace Independent Pub*

After telling a lie that caused the death of her boyfriend, Nevada is forced to live with a guilty conscience. While suffering in

silence, her heart is slowly shattering, causing her to feel empty inside. She's almost positive that she will never find love again, until the infamous Quavo Wallace enters her life by surprise. Nevada is hesitant to trust him with her heart, but before she knows it, she finds herself deep in love again. Quavo is everything she's ever desired, but when a heartbreaking secret is revealed, Nevada is not sure how to deal with her pain. While folding under pressure, she makes a decision that is sure to come back and bite her in the ass. Quavo is one of the most handsome, charming, and wealthiest thugs around. Women throw themselves at him daily, but his heart belongs to Nevada. He's willing to go above and beyond for her happiness, but when he discovers that she betrayed him, his heart turns cold. He retaliates by making a move that sends Nevada into a deep depression. As their relationship crumbles, Nevada realizes that Quavo is her soul mate, and she's willing to fight for his love. But when she crosses paths with someone from his past, the pain in her heart returns, causing her to do the unthinkable. What was once a beautiful love affair quickly turns into a deadly dose of heartbreak.
