Narrative identity is a person's internalized and evolving life story, integrating the reconstructed past and imagined future to provide life with some degree of unity and

purpose. Define the term narrative identity, and explain what psychological and cultural functions narrative identity serves. Introduction. In the Temple of Apollo at Delphi, the ancient Greeks inscribed the words: "Know thyself." For at least 2,500 years, and probably longer, human beings have pondered the meaning of the ancient aphorism.
