Fundamentals Of
Reporting And Editing'
Covers All Professional
Aspects Of Journalism.
For The Students Of
Journalism It'S
Textbook And For

Practicing Journalists It'S Handbook. Though It Deals With Conceptual Part Of Journalism, More Emphasis Is Laid On The Purpose Of A Work Book. The Relevant Aspects Of Reporting And Editing Have Been Covered In A Manner That You Will Always Find Journalism In Action In This Book. For Developing An Understanding Of News It Has Been Defined In The Words Of Scholars, The Qualities Of News And Its Elements Have Been Discussed And The New Value Or The Determinants Of News Have Been Underlined. *Philosophy of Death & Dying* Vikas Publishing House

If we ask the lay readers why they read newspapers, the obvious answer would be to get news.

However, what keeps the newspaper endearing and, in a way, enduring are the longer stories about people behind the news, about the humorous everyday experiences we all have, or the closer look at someone and the unexpected surprises we get in the process. In short, we call these features. In this substantially revised book on Feature Writing, the author with her vast experience discusses various aspects of Feature Writing. She focuses on different types of features found in newspapers—Humour and Satire, Brights, Human Interest Features, Travel Features and News Features—and illustrates each of

these. In addition, she provides a detailed description of Profiles, Interviews, and Online Features with examples, and gives a clear analysis of Feature Writing Techniques. Intended as a text for students offering courses in Journalism, this book would also be extremely useful for freelance writers, and anyone who has a flair for writing. What is New to THE SECOND Edition Includes two new chapters on Obituary and Tribute, and Sports and new sections such as Blogs and Professionalism in Journalism. Provides more illustrations culled from recent newspapers. Gives explanatory notes on some key words used in the book, and a section on Vocabulary.

What the Reviewers Say In this delightful book on FW [Feature Writing], Meera Raghavendra Rao brings home to us that writing a story or a novel is one way of discovering sequence in experience, of stumbling upon cause and effect in the happenings of a writer's own life. In my view Meera Raghavendra Rao's book on FW is an exceptionally good and useful book not only for all students of Journalism but also for all writers interested in FW. —V. Sundaram, News Today The author has used instances from her career spanning more than two decades to illustrate various situations in this book. —Deccan Chronicle The book is a rather

exhaustive guide on ways to tell a feature story. Among the other pluses is the Indianness permeating the book—most sample articles are home-brewn. —The Hindu, Metroplus Weekend

Professional Journalism Indus Source

In Indian context.

A Handbook of Journalism Penguin UK

Journalism entered the twenty-first century caught in a paradox. The world had more

journalism, across a wider range of media, than at any time since the birth of the western free press in the eighteenth century. Western journalists had found themselves under a cloud of suspicion: from politicians, philosophers, the general public, anti-globalization radicals, religious groups, and even from fellow journalists. Critics argued that the news industry had lost its moral bearings, focusing on high investment returns rather than reporting and analysing the political, economic, and social issues of the day. Journalism has a central and profound impact on our worldview; we find it everywhere from newspapers and

television, to radio and the Internet. In the new edition of this thought-provoking and provocative Very Short Introduction, Ian Hargreaves examines the world of contemporary journalism. By looking not only at what journalism has been in the past, but also what it is becoming in the digital age, he examines the big issues relating to reportage, warfare, celebrity culture, privacy, and technology worldwide. *The United States and India, 1776-1996* PHI Learning Pvt. Ltd. This Handbook charts the growing area of journalism studies, exploring the current state of theory and setting an agenda for future research in an international context.

The volume is structured around theoretical and empirical approaches, and covers scholarship on news production and organizations; news content; journalism and society; and journalism in a global context. Emphasizing comparative and global perspectives, each chapter explores: Key elements, thinkers, and texts Historical context Current state of the art Methodological issues Merits and advantages of the approach/area of studies Limitations and critical issues of the approach/area of studies Directions for future research Offering broad international coverage from top-tier contributors, this volume ranks among the first publications to

serve as a comprehensive resource addressing theory and scholarship in journalism studies. As such, the Handbook of Journalism Studies is a must-have resource for scholars and graduate students working in journalism, media studies, and communication around the globe.

This book provides a coherent account of the Theory of Classification. It discusses the contribution made by theoreticians like E.C.

Richardson, J.D. Brown,
W. Hulum, W.C.
Berwick Sayers, H.E.
Bliss and S.R.
Ranganathan.
However, the theory
put forward by S.R.
Ranganathan
predominates the
whole book because
his contribution is far
more than anybody
else's. Five major
schemes of
Classification, Library
of Congress
Classification, Colon
Classification and Bliss
Biblio-Graphic
Classification have also
been discussed.

This book explores the
spiritual transformation
of Mohandas Gandhi to
the Mahatma.
Beginning with his
childhood and his
desire to search for the

Truth from an early
age, it explores the
influence of western
thought on the young
lawyer, leading to an
inner conflict that drew
him to the study of
comparative religion.
Gandhi came to
believe in the equality
of all religions and the
principles of Truth and
non-violence which he
applied to every aspect
of life, including
politics. In his later
years he found focus
and direction,
understanding the
importance of prayer
and discipline. As the
Mahatma, his life
exemplified spiritual
practice and Truth.
Leading India to
freedom through
satyagraha, he
revealed the
importance and
relevance of non-
violence in every
aspect of life.

Financial Management: Theory and Practice celebrates the 23rd Anniversary of its publication. Over these two decades, Indian business and finance have considerably changed owing to deregulation, liberalisation, privatisation, globalisation, and the ascendance of the services sector. The book has kept pace with these changes and captures the central themes and concerns of corporate financial management-making it both contemporary and comprehensive. The book seeks to: *Build understanding of the central ideas and theories of modern

finance*Develop familiarity with the analytical techniques helpful in financial decision making
*Furnish institutional material relevant for understanding the environment in which financial decisions are taken *Discuss the practice of financial management.
