A masterwork of travel
literature and of history:

voyaging from Cuba to
Jamaica, Puerto Rico to
Trinidad, Haiti to
Barbados, and islands in
between, Joshua Jelly-
Schapiro offers a
kaleidoscopic portrait of

each society, its culture and politics, connecting this region's common heritage to its fierce grip on the world's imagination. From the moment Columbus gazed out from the Santa María's deck in 1492 at what he mistook for an island off Asia, the Caribbean has been subjected to the misunderstandings and fantasies of outsiders. Running roughshod over the place, they have viewed these islands and their inhabitants as exotic allure to be consumed or conquered. The Caribbean

stood at the center of the transatlantic slave trade for more than three hundred years, with societies shaped by mass migrations and forced labor. But its people, scattered across a vast archipelago and separated by the languages of their colonizers, have nonetheless together helped make the modern world—its politics, religion, economics, music, and culture. Jelly-Schapiro gives a sweeping account of how these islands' inhabitants have

searched and fought for better lives. With wit and erudition, he chronicles this “place where globalization began,” and introduces us to its forty million people who continue to decisively shape our world.

This Accident of Being Lost Macmillan

In this delightful hybrid of a book—part memoir and part travel journal—the

bestselling author takes us deep into the mountains of Nepal with a trio of botanist friends in search of native Himalayan plants that will grow in her Vermont garden. Alighting from a plane in the dramatic Annapurna Valley, the ominous signs of Nepal's Maoist guerrillas are all around—an alarming presence that accompanies the travelers throughout their trek. Undaunted, the group sets off into the mountains with Sherpas and bearers, entering an

exotic world of spectacular landscapes, vertiginous slopes, isolated villages, herds of yaks, and giant rhododendron, thirty feet tall. The landscape and flora and so much else of what Kincaid finds in the Himalaya—including fruit bats, colorful Buddhist prayer flags, and the hated leeches that plague much of the trip—are new to her, and she approaches it all with an acute sense of wonder and a deft eye for detail. In beautiful, introspective prose, Kincaid intertwines

the harrowing Maoist encounters with exciting botanical discoveries, fascinating daily details, and lyrical musings on gardens, nature, home, and family. From the Trade Paperback edition. **Ayiti** Random House Trade Paperbacks One of our finest writers on one of her greatest loves. Jamaica Kincaid's first garden in Vermont was a plot in the middle of her front lawn. There, to the consternation of more experienced friends, she planted only seeds of the flowers she liked best. In

My Garden (Book) she gathers all she loves about gardening and plants, and examines it generously, passionately, and with sharp, idiosyncratic discrimination. Kincaid's affections are matched in intensity only by her dislikes. She loves spring and summer but cannot bring herself to love winter, for it hides the garden. She adores the rhododendron Jane Grant, and appreciates ordinary Blue Lake string beans, but abhors the Asiatic lily. The sources of her

inspiration -- seed catalogues, the gardener Gertrude Jekyll, gardens like Monet's at Giverny -- are subjected to intense scrutiny. She also examines the idea of the garden on Antigua, where she grew up. My Garden (Book) is an intimate, playful, and penetrating book on gardens, the plants that fill them, and the persons who tend them.

In this richly descriptive and haunting narrative, Caryl Phillips chronicles a

journey through modern-day Europe, his quest guided by a moral compass rather than a map. Seeking personal definition within the parameters of growing up black in Europe, he discovers that the natural loneliness and confusion inherent in long journeys collides with the bigotry of the "European Tribe"-a global community of whites caught up in an unyielding, Eurocentric history. Phillips deftly illustrates the scenes and characters he encounters, from Casablanca and

Costa del Sol to Venice, Amsterdam, Oslo, and Moscow. He ultimately discovers that "Europe is blinded by her past, and does not understand the high price of her churches, art galleries, and history as the prison from which Europeans speak." In the afterword to the Vintage edition, Phillips revisits the Europe he knew as a young man and offers fresh observations.

Machado Grace Lavery is a reformed druggie, an unreformed omnisexual chaos Muppet, and 100 percent, all-natural, synthetic female hormone monster. As soon as she solves her "penis problem," she begins receiving anonymous letters, seemingly sent by a cult of sinister clowns, and sets out on a magical mystery tour to find the source of these surreal missives. Misadventures abound: Grace performs in a David Lynch remake of *Sunset Boulevard* and is reprogrammed as a

sixties femmebot; she writes a Juggalo Ghostbusters prequel and a socialist manifesto disguised as a porn parody of a quiz show. Or is it vice versa? As Grace fumbles toward a new trans identity, she tries on dozens of different voices, creating a coat of many colors. With more dick jokes than a transsexual should be able to pull off, *Please Miss* gives us what we came for, then slaps us in the face and orders us to come again.

One man's extraordinary journey through the twentieth century and how he learned to read at age 98 "Things will be all right. People need to hear that. Life is good, just as it is. There isn't anything I would change about my life."—George Dawson In this remarkable book, George Dawson, a slave's grandson who learned to read at age 98 and lived to the age of 103, reflects on his life and shares valuable lessons in living, as well as a fresh, firsthand view of America during the entire sweep of

the twentieth century. Richard Glaubman captures Dawson's irresistible voice and view of the world, offering insights into humanity, history, hardships, and happiness. From segregation and civil rights, to the wars and the presidents, to defining moments in history, George Dawson's description and assessment of the last century inspires readers with the message that has sustained him through it all: "Life is so good. I do believe it's getting

better.” WINNER OF THE CHRISTOPHER AWARD “A remarkable autobiography . . . the feel-good story of the year.”—The Christian Science Monitor “A testament to the power of perseverance.”—USA Today “Life Is So Good is about character, soul and spirit. . . . The pride in standing his ground is matched—maybe even exceeded—by the accomplishment of [George Dawson’s] hard-won education.”—The Washington Post “Eloquent . . . engrossing . . . an astonishing and

unforgettable memoir.”—Publishers Weekly Look for special features inside. Join the Circle for author chats and more.

of Hunger and Bad Feminist, a powerful short story collection exploring the Haitian diaspora experience. In Ayiti, a married couple seeking boat passage to America prepares to leave their homeland. A young woman procures a voodoo love potion to ensnare a childhood classmate. A mother takes a foreign soldier into her home as a boarder, and into her bed. And a woman conceives a daughter on the bank of a river while fleeing a horrific massacre, a daughter who later moves

to America for a new life but is perpetually haunted by the mysterious scent of blood. Roxane Gay is an award-winning literary voice praised for her fearless and vivid prose, and her debut collection Ayiti exemplifies the raw talent that made her “one of the voices of our age” (National Post, Canada). Praise for Ayiti “Highly dimensioned characters and unforgettable moments. . . . Dismantling the glib misconceptions of her complex ancestral home, Gay cuts and thrills. Readers will find

her powerful first book difficult to put down.” —Booklist “The themes explored in Gay’s nonfiction, such as the transactional nature of violence and the ways in which stereotypes of poverty add another layer of dehumanization, are just as potent here. Even her more lyrical mode is filtered through a keen sense of the lost promise of one country and the blinkered privilege of the other. It’s Gay’s unflinching directness—the sense that her characters are in

the room with you, telling it like it is—that makes her irresistible.” —Vogue “A set of brief, tart stories mostly set amid the Haitian-American community and circling around themes of violation, abuse, and heartbreak . . . This book set the tone that still characterizes much of Gay’s writing: clean, unaffected, allowing the (often furious) emotions to rise naturally out of calm, declarative sentences. That gives her briefest stories a punch even when they come in

at two pages or fewer, sketching out the challenges of assimilation in terms of accents, meals, or ‘What You Need to Know About a Haitian Woman’. . . . This debut amply contains the righteous energy that drives all her work.” —Kirkus Reviews [A Teenager in Suburbia](#) U of Minnesota Press Despite being central to the project of postcolonialism, the concept of resistance has received only limited theoretical examination. Writers such as Frantz

Fanon, Edward Said, and Homi K. Bhabha have explored instances of revolt, opposition, or subversion, but there has been insufficient critical analysis of the concept of resistance, particularly as it relates to liberation or social and cultural transformation. In *Postcolonial Resistance*, David Jefferess looks to redress this critical imbalance. Jefferess argues that interpreting resistance, as these critics have done, as either acts of opposition or practices of subversion is

insufficient. He discerns in the existing critical literature an alternate paradigm for postcolonial politics, and through close analyses of the work of Mohandas Gandhi and the South African reconciliation project, *Postcolonial Resistance* seeks to redefine resistance to reconnect an analysis of colonial discourse to material structures of colonial exploitation and inequality. Engaging works of postcolonial fiction, literary criticism, historiography, and

cultural theory, Jefferess conceives of resistance and reconciliation as dependent upon the transformation of both the colonial subject and the antagonistic nature of colonial power. In doing so, he reframes postcolonial conceptions of resistance, violence, and liberation, thus inviting future scholarship in the field to reconsider past conceptualizations of political power and opposition to that power. *A Small Place* Bloomsbury Publishing USA Shortlisted for the Saltire

Society Literary Awards Named One of the Best Books of the Year by NPR An extraordinary debut that explores legacies of abuse, redemption, and the strength of the human spirit--from the Boer Wars in South Africa to brutal wilderness camps for teenage boys. South Africa, 1901. It is the height of the second Boer War. Sarah van der Watt and her six-year-old son Fred are forced from their home on Mulberry Farm. As the polite invaders welcome them to Bloemfontein

Concentration Camp they promise Sarah and Fred that they will be safe there. 2014. Sixteen-year-old Willem is an outsider. Hoping he will become the man she wants him to be, his Ma and her boyfriend force Willem to attend the New Dawn Safari Training Camp where they are proud to make men out of boys. They promise that he will be safe there. *You Will Be Safe Here* is a powerful and urgent novel of two connected South African stories. Inspired by real events, it uncovers a hidden colonial history,

reveals a dark contemporary secret, and explores the legacy of violence and our will to survive.

In her first book-length collection of nonfiction, Cliff interweaves reflections on her life in Jamaica, England, and the United States with a powerful and sustained critique of racism, homophobia, and social injustice. *If I Could Write This in Fire* begins by tracing her transatlantic journey from Jamaica to

England, coalescing around a graceful, elliptical account of her childhood friendship with Zoe, who is dark-skinned and from an impoverished, rural background; the divergent life courses that each is forced to take; and the class and color tensions that shape their lives as adults. In other essays and poems, Cliff writes about the discovery of her distinctive, diasporic literary voice, recalls her wild colonial girlhood and sexual awakening, and recounts traveling

through an American landscape of racism, colonialism, and genocide - a history of violence embodied in seemingly innocuous souvenirs and tourist sites.

Jamaica Kincaid's brother Devon Drew died of AIDS on January 19, 1996, at the age of thirty-three. Kincaid's incantatory, poetic, and often shockingly frank recounting of her brother's life and death is also a story of her family on the island of Antigua, a

constellation centered on the powerful, sometimes threatening figure of the writer's mother. *My Brother* is an unblinking record of a life that ended too early, and it speaks volumes about the difficult truths at the heart of all families. *My Brother* is a 1997 National Book Award Finalist for Nonfiction.

As a writer who has been quoted as saying she writes to save her life—that is she couldn't write, she would be a

revolutionary- Antiguan novelist Jamaica Kincaid translates this passion into searing, exhilarating prose. Her weaving of history, autobiography, fiction, and polemic has won her a large readership. In this first book-length study of her work, Moira Ferguson examines all of Kincaid's writing up to 1992, focusing especially on their entwinement of personal and political identity. In doing so, she draws a parallel between the dynamics of the mother-daughter relationship in

Kincaid's fiction and the more political relationship of the colonizer and the colonized. Ferguson calls this effect the "doubled mother"- a conception of motherhood as both colonial and biological.
